The Rev. Harvey W. Glazier moved that the sessions of the Convention be as outlined in the program. Carried.

The regular Committees were appointed by the Bishop.

The Bishop read his Annual Address. (See Appendix "A").

The following telegram was read by the Secretary:

"Please extend my loving greetings to the Bishop, Clergy, and Laity in Convention assembled. May God, the Holy Spirit, guide and strengthen you as you plan for the extension of the Kingdom of Christ under the leadership of our able and beloved Bishop."

(Signed) THOMAS C. DARST.

The Bishop appointed Mr. Edwin Metts and Mr. Eugene Hicks to send an appropriate reply and message to Bishop Darst.

The Rev. William B. Daniels, Jr., read the report of the Committee on the State of the Church, as follows:

REPORT OF COMMITTEE ON THE STATE OF THE CHURCH

Approximately 20% of the Parishes and Missions in the Diocese have not submitted complete statistical reports for the year 1945. However, on the basis of available figures, we find

1946

Report of Committee on the State of the Church

that there were 286 baptisms in 1945 compared with 273 in 1944; and 299 confirmations as compared with 381 for the previous year. One clergyman was lost by transfer to another Diocese, nine clergymen were in the Armed Service, one Deacon and two Priests were ordained.

Your Committee recommends that definite action be taken by the Convention to enforce the canonical provision regarding the submitting of complete and accurate Parochial Reports by Clergy and Parish Officers.

Payments on apportionments by the Parishes and Missions of the Diocese amounted to \$43,572.68 in 1945, a slight increase over the previous year. The General Church quota of \$8,300.00 was paid in full. Contributions to Thompson Orphanage reached the total of \$5,622.79, which is an increase of approximately 35% as compared with the figures of two years ago.

We find from an inspection of the records that the Diocese and the Parishes within it are in a more healthy condition financially than they have been for a number of years. This fact offers to us of the Church in East Carolina a challenge to lift our horizon to new heights of accomplishment. We must strengthen and expand our work in the rural field and among our brethren of the Negro race. Men, women and children in the far reaches of the Diocese ask the Church for the Bread of Life. We dare not give them the stone of indifference.

The major problem facing us in regard to our Negro work is the acute shortage of clergy. Every effort should be made to man our Colored Convocation with competent Negro clergymen at the earliest possible date.

The healing ministry of Christ has been carried on by the Good Shepherd Hospital, New Bern, with greater effect than ever before in the history of that splendid Institution.

The Diocesan Camp and Conference Center at Camp Leach had a successful year in 1945, with a full program of activities over a period of eleven weeks. During the year, improvements to the physical properties of the Camp have been made and more adequate equipment installed.

No report on the State of the Church would be complete without mentioning the two high moments in the recent life of our Diocesan Family. In the first of these great events was the consecration of Dr. Thomas Henry Wright as Bishop of the Church of God in East Carolina. In him the people of the Diocese were consecrated anew to the glorious vision and noble ideals of the Son of God.

The second of these great events was the death of Walter

Raleigh Noe. We say "great event" because we saw in him anew that sacrificial consecration in abundant measure which lifted before our eyes the Cross of Christ. Today, the Diocese of East Carolina more nearly reflects the glory of God because in humility and patience, Walter Raleigh Noe lived, and loved, and died amongst us.

Respectfully submitted,

WM. B. DANILES, Jr., Chairman

Mr. Junius D. Grimes moved the adoption of the report. Carried.

The Chairman of the Committee on the Dispatch of Business, Mr. Peter Brown Ruffin, gave a report on the order of the day.

The Rev. John R. Tolar, Chairman of the Department of Finance, presented the report of his Department, which was adopted, as follows:

REPORT OF THE CHAIRMAN OF THE DEPARTMENT OF FINANCE TO THE ANNUAL CONVENTION OF 1946

Rt. Rev. Father in God,
Gentlemen of the Convention:

A glance at the Report of the Treasurer shows that the income of the Diocese for the year 1945, budgeted and not budgeted, amounted to \$103,039.33 and that there was disbursed during the year \$79,480.57, leaving a balance in the Bank on January 1st this year of \$23,558.26.

These figures, however, do not show the true state of our finances. The actual balance which can be used for the work of the Church is not \$23,558.26, but \$10,647.08. The difference represents different Funds held in trust by the Treasurer which were not checked out by the end of the year. As examples: St. Andrew's, Wrightsville, Fund had a balance of \$1,007.57. Bishop Darst's Retirement Fund, disbursements on which started only in October, had a balance of \$925.00. The General Church for the salaries of colored clergy had a lapsed balance of \$952.67 due to vacancies in several fields. This money now belongs to the General Church. The Bishop's Fund had at the end of the year an unused balance of \$2,002.27. The Good Shepherd Hospital had a balance, which is being used for expansion, of \$1,205.13. And there is in the treasury, awaiting

1946

Report of Department of Finance

re-investment, \$5,900.00, proceeds of Bonds called, and Sale of Property. This belongs to the Diocesan Endowment Fund.

The income of the Diocese for the year 1946 should be as follows:

Balance from 1945	\$10,647.08
Apportionments, Parishes and Missions	43,306.36
General Church Appropriations	2,859.00
Investments	4,686.96
Total	\$61,499.40

The Department estimates that, based on every field being manned, our expenses for the year will be \$60,801.00, leaving a balance in the Treasury at the end of the year of \$698.40. This is an increase over last year of approximately \$10,000.00, details of which follow.

A word or two about the last two items. Miss Barnwell has for nearly thirteen years been the only assistant in the Diocesan Office. She has kept the books, written letters and rendered invaluable service all those years. She now feels that she must give up her work. The Executive Council, at its meeting in March, unanimously recommended that a gift of appreciation be given her, in which recommendation your Department heartily concurs.

For the last two years the income of the Diocese has exceeded its needs because of the giving of the people. The time of plentiful money is never, or has never, been very long. Our people are loyal, will give when they can, but the time may well come again when adequate giving will be difficult. Your Department recommends, therefore, that an Emergency Fund be established against a rainy day; that \$4,000.00 be placed in it. This fund is to be invested by the Treasurer, and is only to be spent on orders of the Bishop and Executive Council. Your Department further recommends that this fund be added to yearly as long as possible.

A study of the budget will make it apparent that even without the Emergency Fund our present scale of apportionments is inadequate for Diocesan needs. A Committee of the Executive Council has been appointed to give this matter a careful study and report a revised scale made on the same basis as the present scale. This Committee will probably not be able to report in time for the next Every Member Canvass. Your Department, therefore, asks that all Parishes and Missions take as their goal for their next Fall's Canvass, an increase of six per cent over their present apportionments unless that Committee reports before the time for the Canvass. This increase is too small to bother most fields and is a step towards meeting our future needs.

This report is your Chairman's "swan song". My term of office for over twenty years ends with this Convention. I wish to thank the Parishes and Missions for their cooperation during all that length of time. We have been through some hard times together and at times have faced some hard problems, but I

1946

believe that you have all for the most part done what you could, some at the price of great sacrifice and effort. Today we face happier times. I step down with the affairs of the Diocese sound, prosperous, ready for a great advance in opportunity and usefulness. May it be your constant aim to keep them so.

Respectfully submitted,

JOHN R. TOLAR, Chairman.

The Rev. James F. Ferneyhough made a motion that Mr. Tolar be given a rising vote of thanks. Carried.

A motion was made that the report be accepted and adopted. Carried.

The Rev. John R. Tolar presented the report of the Treasurer and moved that it be adopted. Carried. (See Appendix "B").

The Rev. John R. Tolar moved and Mr. Junius D. Grimes seconded the motion that Mr. Robert Strange be elected Treasurer and Financial Secretary. Carried.

The Rev. John R. Tolar moved the adoption of the Proposed Budget. Carried.

The Rev. John R. Tolar moved the adoption of the recommendation in his report that each Parish and Mission be asked to set as a goal in their Every Member Canvass this Fall a 6% increase over their pledge for 1946.

Action on this motion was deferred to later on in the day.

The Bishop then introduced two Clergymen who had recently come to the Diocese, the Rev. Roscoe C. Hauser, Jr., the Rector of St. Paul's Church, Greenville, and the Rev. Richard Sturgis, supply Rector of St. Stephen's Church, Goldsboro, while the Rector, the Rev. John Grainger, was absent as Chaplain in the Army.

The Bishop called on the Rev. Roscoe Hauser, Jr., to offer noon-day prayers.

The report of The Mission Herald was presented by title to the Convention by the Secretary.

Campaign

The Centennial Campaign effort has continued. Total contributions to date are approximately \$200,500, an increase of \$43,000 over the amount reported at the last Convention. Of the total about \$5,000 remains uncollected, and the estimated amount uncollectible is only \$2,000. U. S. Bonds in excess of \$100,000 have been purchased from Campaign Funds, and \$41,300 of U. S. Bonds at purchase price, have been received in payment of contributions. The gift of \$40,000 by Mr. Roger Gant has given your trustees renewed confidence that the additional funds necessary to complete the development program will be forthcoming. Preliminary estimates indicate that funds on hand are sufficient to provide the new heating plant and laundry, new kitchen equipment and dormitory furnishings, and to landscape the front campus, but funds are still needed for the dormitory and classroom buildings. Until these are assured, other desirable improvements cannot be undertaken.

During the 1945-1946 session the School again operated at capacity, 236 Resident Students and 74 Non-resident Students.

1946

Report of Trustees of St. Mary's School

Resident Students are from nineteen states: North Carolina, 135; Virginia, 27; South Carolina, 24; Florida, 10; Georgia, 8; Alabama, 6; West Virginia and Pennsylvania, 4 each; Tennessee and Washington, D. C., 3 each; Kentucky and New Jersey, 2 each; and one each from Connecticut, Texas, Ohio, Rhode Island, California, Oklahoma, Louisiana and New York.

A capacity enrollment of Resident Students is already assured for the 1946-1947 session. As of March 27, 1946, 254 applications had been received, of which 140 were returning students and 114 coming to St. Mary's for the first time.

The religious affiliations of the student body, exclusive of special students for the 1945-1946 session, were as follows: Episcopalians, 143; Methodists, 63; Presbyterian, 33; Baptist, 28; Christian, 4; Disciples of Christ and Greek Orthodox and Moravians, 3 each; Lutheran and Roman Catholic, 2 each; Congregationalist, Jewish and Reform, 1 each; not designated, 3.

The student body has again this year cooperated in the War Fund, Red Cross, and old clothes campaigns, and has met its quota of \$1,060 for the Reconstruction and Advance Fund. The religious activities have been supplemented this year by the organization of the Women's Auxiliary.

A condensed balance sheet indicating the financial condition of the school as of June 30, 1945, is attached.

Col. Wallace I. Wolverton, Chaplain in the Regular Army, and member of the Convention, was recognized by the Bishop.

The Bishop read the telegram which was sent to Bishop Darst, as follows:

"Your message of love and greetings sincerely appreciated by Bishop, Clergy and Laity in Convention assembled. No East Carolina Convention is complete without your able, wise and loving counsel; but the knowledge that your thoughts are with us and your prayers are for us is a real comfort. In making plans today for the extension of the Kingdom of Christ in East Carolina, we shall depend upon you as ever to have an important part in their accomplishment."

Mr. Junius D. Grimes, as Chancellor, spoke on the Canon governing the Election of Deputies to the General Convention, and moved that the method whereby those

1946

Elections

receiving the four highest number of votes be declared the Deputies, and the next four highest, Alternates, be used in counting the ballots. This was adopted.

The Bishop appointed the Rev. W. H. R. Jackson and the Rev. A. J. Mackie as tellers for the election of Clerical Deputies to the General Convention, and the following were elected:

Rev. Stephen Gardner, Rev. John H. Bonner, Jr., Ven. R. I. Johnson and Rev. E. F. Moseley. Alternates: Rev. Mortimer Glover, Rev. John R. Tolar, Rev. A. J. Mackie, and Rev. C. E. Williams.

The Bishop appointed Mr. E. A. McEachern and Mr. Charles T. Haigh as tellers for the election of Lay Deputies to the General Convention, and the following were elected:

Mr. Junius D. Grimes, Mr. Robert Strange, Mr. W. G. Gaither and Mr. John G. Bragaw. Alternates: Mr. James N. Smith, Mr. C. R. Wheatly, Mr. C. McD. Davis and Mr. J. A. Moore.

The report of the Committee to determine the place of meeting of the next Convention was made by the Rev. John W. Hardy. He stated that St. Paul's, Beaufort, was chosen. This report was adopted.

The matter of the length of the Convention was left to the Executive Council.

The Rev. John R. Tolar moved that the recommendation of the Department of Finance that the Parishes and Missions accept as a goal for the pledge for 1947 a 6% increase over their acceptancies for 1946 be adopted. This was passed.

After the report of the Nominating Committee the following were elected:

Executive Council to serve for three years: Rev. James F. Ferneyhough, Fayetteville; Rev. Jack R. Rountree, Kin-

ston; Mr. Peter Brown Ruffin, Wilmington; Mr. A. K. Barrus, Kinston, and Mrs. S. A. Ward, Plymouth.

Trustees of St. Mary's School for three years: Rev. E. F. Moseley, Kinston, and Mr. N. C. Green, Williamston.

Trustees of the University of the South for six years: Rev. James F. Ferneyhough, Fayetteville, and Mr. J. Q. Beckwith, Lumberton.

Board of Managers for Thompson Orphanage for three years: Rev. John H. Bonner, Jr., Lumberton, and Rev. Mortimer Glover, Wilmington.

A motion was made that the Bishop appoint a nominating Committee at this Convention to bring in the necessary nominations next year. This was passed.

The Bishop appointed Mr. J. A. Moore, Edenton; Rev. John R. Tolar, Fayetteville, and Mr. W. D. McMillan, Wilmington.

The Rev. E. W. Halleck read the report of the Committee on Canons, as follows:

REPORT OF THE CANONS COMMITTEE, 1946

CONVENTION

The Committee on Canons calls to the attention of the Convention that the following amendment to the Constitution was reported and had its first reading and passing at the 1945 Convention, and to be adopted must have a second reading and passage at this Convention:

"Amend the Constitution by amending Article 13 by adding a sentence at the end of said article as follows: "That all clergymen who have been retired on account of age or disability, are entitled to a seat and vote in the Diocesan Convention, but their absence in any Convention shall not be counted in determining a constitutional majority."

The record of the first passage of this amendment will be

1946

found on page 31 of the Journal of the 1945 Convention.

Respectfully submitted,

H. E. RODGERS,

Chairman.

This was adopted.

Mr. Junius D. Grimes moved that the typographical error in the proposed amendment of Canon 9, Section 1, Subsection 3, recorded on page 26 of the Journal of 1945 be corrected so that the term of office of the members of the Executive Council will be "three" years instead of "four." Carried.

The report of Thompson Orphanage and Training Institution was presented by Mr. M. D. Whisnant, as follows:

REPORT OF THE BOARD OF MANAGERS

M. D. Whisnant, Superintendent

Miss Dorothy Killan, the Orphanage Nurse, with the help of Dr. Hipp and Dr. Adams, takes care of our children in the Infirmary.

It is with sincere gratitude to the benefactors of the Thompson Orphanage that I am again able to bring you a report that reflects your loyal support. This support has resulted in a program of achievement and advancement, placing our institution in a position to give our children a well balanced life now and to prepare them to meet the daily tasks of life.

The Orphanage continues to receive many calls for boarding home care. From experience, we have found that this type of child can be cared for in a licensed boarding home, while we prefer to limit our care to destitute children. The following outline shows in detail the children cared for in 1945:

During the school year 1944-'45 we had 75 children enrolled in the Charlotte Public Schools. I am happy to report that all of our children were promoted to a higher grade, this being the third consecutive year of no school failures. Both the children and Matrons are to be commended for their interest and effort in improving our school record. Our children are beginning to realize the importance of an education in obtaining a worthwhile job and position in life. Of the three girls who graduated, two qualified for the United States Cadet Nurse Corps, and entered training in September, 1945.

Mr. McC. B. Wilson read the Church Pension Fund Report, as follows:

REPORT OF THE COMMITTEE ON CHURCH PENSION FUND

Since our last Convention your Committee, as well as the Diocese as a whole, has suffered an irreparable loss in the death of its Chairman, the late Walter Raleigh Noe. In his passing we have lost a valued friend and advisor, one who always gave unstintingly of his fine talents and consecrated devotion to the welfare of the Diocese and particularly the welfare and best interests of the clergy of the Diocese.

Your Committee submits as a part of its report a letter from the Secretary of the Church Pension Fund dated April 12, 1946 and asks that it be printed in The Journal:

1946

Report of Church Pension Fund Committee

We regret to report that there were arrearages in the payment of pension assessments for 1945, amounting to \$182.30, representing 10 Parishes of which two are colored. Seven Organized Missions of which two are colored; and one Unorganized Mission. Excluded from these figures are those places that were only one month in arrears, as of March 1, 1946.

As to arrearages prior to January 1, 1945, there were only nine clergymen resident in the Diocese whose pension assessments were in arrears as of April 1, 1946.

The Committee will be glad to furnish specific information to any who are interested in these matters.

Your Committee directs your attention to the proposed change in the administration of the Fund effective January 1, 1947. As stated by the Secretary in his letter of April 12th, the total assets of the Fund now amount to approximately \$40,000,000 and the Fund's liabilities in the form of reserves which must be maintained in order to discharge the Fund's promises to present and future beneficiaries, have likewise increased. The margin between the assets and the liabilities is still a reasonable one, however, a safe margin can be maintained in the future only if the assessment rate is increased to 10%, in view of the low interest returns procurable on the invested assets. As a result of an exhaustive study of the present situation and the probabilities for the future, and based on a report from its actuaries, the Trustees of the Fund have unanimously voted to make the following fundamental changes to become effective January 1, 1947, subject to the approval of the General Convention:

1. A reduction of the rate of interest assumed in the valuation of reserve liabilities from $3\frac{1}{4}\%$ to $2\frac{3}{4}\%$.

2. An increase in the assessment rate from $7\frac{1}{2}\%$ to 10%.

A reduction of interest assumed in the valuation of the reserve liabilities will, the Trustees of the Fund believe, place the Fund on a far more realistic basis in view of economic condition now and in the predictable future. This change is expected to eliminate the steady drain against surplus which has resulted from the interest deficiency in recent years and which might otherwise continue on an increasing basis as the reserve liabilities grow in the future. The continuation of this drain on surplus would result in seriously affecting the Trustees' ability to continue the present program of increased pensions beyond the basic promises, which are still on an adequate basis and would eventually affect the basic promises themselves. The elimination of the drain on surplus will enable the

Trustees to continue the present program of increased benefits, with almost certain prospects (although it obviously cannot be guaranteed) of being able gradually to enlarge the scale of extra benefits beyond the Fund's basic and original promises.

The increase in the assessment rate from $7\frac{1}{2}$ to 10% is computed to be sufficient to counterbalance the loss of anticipated income from lower interest earnings. It is believed to be within the financial power of the Church to undertake. It is, moreover, in line with the cost of supporting similar pension systems of other denominations, although below the cost of many industrial pension systems. The Church has demonstrated, throughout the history of the Church Pension Fund, that it considers the report of the clergy, currently and in relation to their pension protection, as a matter of prime importance.

Comparison with Other Ministerial Pension Systems

The assessments payable to the Church Pension Fund in behalf of all clergy have always been at the rate of $7\frac{1}{2}$ % of the salary, plus one-sixth of salary where a rectory is furnished. It will be of interest, therefore, to note the rate of assessments required to support various other ministerial pension systems of a somewhat smaller character:

Presbyterian, U. S. A.	11%
Presbyterian, United	11%
Methodist	11%
Presbyterian, U. S.	10%
Northern Baptist	10%
Disciples of Christ	10.5%
Lutheran, Norwegian	10%
Lutheran, United	8%
Lutheran, American	8%
Lutheran, Missouri	8%
Evangelical	8%
Evangelical and Reformed (1)	8%
Congregational (2)	6%

(1) Contemplating an increase to 10%.

(2) Deposits at the rate of 10% are now being urged.

It will be noted that all, with the exception of the Congregational Fund, require a higher assessment rate than the Church Pension Fund. The Congregational Fund is purely an accumulation proposition by which the total deposits standing to the

1946

Report of Church Pension Fund Committee

credit of each clergyman are used to purchase an annuity when he reaches a retirement age. As shown above, they are now urging that the deposits be increased to 11%. The fact that other ministerial systems require contributions at a rate higher than 7½% is significant. In few of the above pension systems moreover, are the benefits on as comprehensive a basis as those of the Church Pension Fund.

By the terms of its Charter the Trustees of the Fund have the power to administer the Fund "on such terms and conditions, however, as such Corporation may from time to time approve and adopt." Nevertheless, the Trustees feel that the action they have taken, which they consider essential for the future safety of the Fund, should be reported to the Conventions of the several Dioceses and Missionary Districts for their information and then to the General Convention of 1946 for its approval.

Respectfully submitted,

It is to be noted from this report that: (a) Christ Church, New Bern, has given more than one-fourth of the total amount; (b) Only 52 Parishes and Missions have had any part in this Diocesan-wide project; (c) Only 24 Parishes and Missions had any part in the Advent

1945 Offering, which was given by only 500 men, but was the largest single Offering since this Offering was begun; (d) 15 Parishes and Missions have never had part in this Offering.

Attention should be given to the following statement in the Bishop's Address concerning this Offering:

"The Laymen's Thank Offering reached its highest peak in the year 1945. This offering is growing in interest and support, and is serving a great and useful purpose in enabling us to extend our Missionary Program into areas of the Diocese that we would otherwise be unable to touch. It is hoped that every Layman in the Diocese will some day take part in this Offering and share with us sacrificially in this high adventure for Christ and His Church."

Mr. Junius D. Grimes asked for a rising vote of expression of regrets on the inability of Mr. George B. Elliott, former Chancellor of the Diocese, to be present at this Convention. Carried.

The Rev. E. W. Halleck was asked to send a message of regrets to the Ven. R. I. Johnson at his inability to be present at the Convention.

The Rev. John H. Bonner, Jr., presented a report on the Department of Youth.

Mrs. W. O. S. Sutherland, Diocesan President of the Woman's Auxiliary, made her Annual Report. (See Appendix C.")

Mr. Junius D. Grimes moved a rising vote of thanks to Mrs. Sutherland for her splendid report. Carried.

The Secretary presented the report of the Student Chaplain at the University of North Carolina, the Rev. Emmet Gribbin, who was unable to be present. The Report follows:

1946

Report of Student Chaplain, U. N. C.

THE CHAPEL OF THE CROSS**Chapel Hill, North Carolina**

Third Sunday after Easter, 1946.

The Rt. Rev. Thomas H. Wright, D. D.

507 Southern Building,

Wilmington, North Carolina.

Dear Bishop Wright:

I regret to write that I will be unable to give my report to the Convention of East Carolina in person. Since East Carolina and Western North Carolina always seem to convene simultaneously, I try to appear at each Convention on alternate years.

I am enclosing my report and trust that it will be found satisfactory. You can submit it by title, or if you think wise, have it read aloud. I have made it concise so that it could be read out if that is desired.

I hope that East Carolina will keep us in the budget for \$600.00 a year.

Best wishes for a successful convention.

Sincerely,

EMMET GRIBBIN.

**REPORT OF THE STUDENT CHAPLAIN AT THE
UNIVERSITY OF NORTH CAROLINA**

Since my last report the situation in Chapel Hill has not changed except the number of students there is now the largest in history. Naturally the majority of these are veterans and quite a few are married. Almost six hundred students at the present time are Episcopalians. About seventy of these are from East Carolina.

Church attendance during the past year has been remarkable. About every other Sunday we find it necessary to put up extra chairs to accommodate the crowds, and a few times we have had to turn people away because there was no room.

The Student Organizations have flourished more successfully since the end of the war. One of particular interest is a group of about 18 graduate students who meet every two weeks for a scholarly discussion about Christianity.

Now that the war is over we hope more men will become interested in studying for the ministry. Four Carolina men are

entering various Seminaries next fall. A student from your Diocese attended a conference on the ministry and has decided to study for Holy Orders. There are two more students from East Carolina whom I believe will make the same decision.

We were happy to have Bishop Wright pay us a visit during the winter. All East Carolina students were invited to a banquet in his honor, and he made an excellent address to the group. We are planning to have such a banquet annually.

It happens by chance that most of the colleges in the State are located in the Diocese of North Carolina. Due to the financial help of East Carolina, Western North Carolina, the Church Society for College Work, and various local Parishes the Church's ministry is carried to almost every college. Indirectly East Carolina supports this whole program of college work, though direct financial aid is given only toward my salary. Since, however, you contribute toward my salary, there is more available to support the other college workers, all of whom minister to East Carolina students. There are about ten part-time workers supported by the North Carolina Diocesan budget and three full time workers. The Rev. H. N. Parsley is full time Chaplain for over 400 Episcopal students at Duke. Miss Margaret Fletcher in Greensboro does a wonderful job with 177 Episcopal girls in the Woman's College. Incidentally, the Diocese of North Carolina has just spent \$5,000.00 renovating St. Mary's House, our student center there. Beginning in June or July it is hoped that there will be a college worker at N. C. State College in Raleigh. He will give half of his time to State and half as assistant at the Church of the Good Shepherd.

We appreciate your interest and help and trust that both will be continued.

Respectfully submitted,

EMMET GRIBBIN,

Student Chaplain at the University of
North Carolina,

The Rev. John H. Bonner, Jr., nominated the following men for membership on the Camp Leach Committee:

Rev. William B. Daniels, Jr., Mr. W. Shaw Bonner, Jr., Rev. Harvey W. Glazier, Mr. Frank Fagan.

They were duly elected.

BISHOP'S ADDRESS

APPENDIX "A"

BISHOP'S ADDRESS

Brethren of the Clergy and Laity
of the Diocese of East Carolina:

"Grace be unto you and peace from God our Father
and the Lord Jesus Christ."

It is with a profound sense of gratitude and humility that I, as your Bishop, welcome you to the Sixty-third Annual Convention of the Diocese of East Carolina, and the first over which I have the high privilege of presiding.

It has been seven and a half months now since I was consecrated in St. James' Church, Wilmington, and those months have been days of great joy and inspiration to me. With the exception of a very few places, I have been throughout the length and breadth of the Diocese. I have met many of our fine people, and have had conferences and meetings with countless numbers of our loyal men and women. Each day I thank God that in His gracious goodness He has seen fit to call me to serve in this, my beloved section of His vineyard. I cannot express adequately to those of you who had some part in my returning, my sincere appreciation for your high confidence. God grant that I may live up, in some measure, to the high calling and the noble tradition which has been handed down to me.

As I begin my first Convention address to you I cannot refrain from expressing again, as I have to many of you personally, my love, admiration and affection for the man whom I am succeeding in this Diocese, my beloved Bishop and Father in God, Thomas Campbell Darst. As I have said on many occasions during the past seven

months, he will always be my Bishop. He stands out to me, as I look back through the years, as the great shining spiritual influence in my life. He laid his hands upon my head in confirmation when I was twelve years old. He laid his hands upon my head in those two services of Ordination to the Sacred Ministry, and then again, several months ago, he laid his hands upon my head in that service of Consecration. My constant prayer is that you and I working together—for remember that I can do nothing without you—may bring to pass some of those high hopes, some of those consecrated ambitions and lofty aspirations that Bishop Darst has for you and for me in this beloved East Carolina. God grant that we may always be true to his hopes and his expectations for East Carolina. It is a source of great comfort to me to have his loving council, his wisdom, keen insight and inspiration at this time. I think that the Diocese should know that he is still giving himself unstintingly to our Diocesan life. Hardly a week passes that he does not journey to some point in the Diocese, rendering useful and valuable service. I thank God each day for his life and his presence with us and his Christ-like influence.

On March 11, 1946, the whole Diocese of East Carolina was shocked and saddened by the death of our beloved friend and brother, the Rev. Walter Raleigh Noe, Executive Secretary of the Diocese, Treasurer of the Diocese, Secretary of the Convention and Editor of The Mission Herald. Not only did he carry on the work of the Diocesan Office with skill and dispatch, but in addition to his many duties he served as Priest-in-charge of the Inland Waterway Missions, St. Andrew's Church, Wrightsville Sound; St. Mary's Church, Burgaw; and All Souls' Chapel, North West. His loss is a great one and will be felt in all phases of our Diocesan life. He will always be remembered for his broad Christian spirit, his true and

loyal devotion. He gave of the best of his many abilities, untiringly and unceasingly to the work of his beloved Diocese and Church. God grant that he may go from strength to strength in his life of perfect service.

It would be impossible in this address to give adequate recognition to all the events of 1945, but I do want to mention at least certain accomplishments of churches which have come to my attention and which I think should be noted at this time.

St. Paul's Church, Wilmington, has made notable progress in reducing the burdensome debt which has long encumbered it. Through the efforts of the Rector and Vestry this debt has now been reduced to a negligible figure. Extensive repairs and improvements have been made at St. John's Church, Wilmington; St. Cyprian's Church, New Bern; St. Peter's Church, Washington; St. Mary's Church, Kinston; Christ Church, Elizabeth City; St. Philip's Church, Southport and Grace Church, Plymouth.

Although partially destroyed by fire, St. George's Church, Pikeville, has been suitably restored in an unbelievably short time through the tireless efforts of the earnest and devoted Lay Reader in charge. Plans have been made for a new Parish House which will without doubt soon be under construction.

Architect's drawing and plans are now being made for the construction of new and adequate Parish House facilities at Trinity Church, Lumberton, and St. John's Church, Fayetteville.

These Churches should be complimented and should be singled out in this Convention for their awareness to recognize that now is the time to make plans for needed Church improvement and to raise and set aside adequate funds to be used for this purpose as soon as building conditions permit. Throughout the country there has never been a time before when so many churches of

all denominations have either made special pledges or set aside money for church repairs and improvements, and it is a short sighted church indeed that does not carefully think through the physical needs during the years and make plans to adequately build for those needs in the years that lie ahead.

The Laymen's Thank Offering has reached its highest peak during the year 1945. This offering is growing in interest and support and is serving a great and useful purposes in enabling us to extend our Missionary Program into areas of the Diocese that we would otherwise be unable to touch. It is hoped that every layman in the Diocese will some day take part in this offering and share with us sacrificially in this high adventure for Christ and His Church.

Although each month since the end of the War has brought a rapid decrease in the number of men in our Armed Forces, many churches in the Diocese have still been able to render a valuable service to the personnel of nearby Camps and Bases. The churches that have had the greatest opportunity for service during 1945 have been St. John's, Fayetteville; St. Anne's Church, Jacksonville; Christ Church, New Bern; St. Stephen's Church, Goldsboro, and Christ Church, Elizabeth City.

I feel in this address that I should pay tribute to the splendid group of Lay Readers of East Carolina who have rendered such loyal service during the War years. In spite of the serious shortage of Clergy the Diocese has managed to keep its churches open and, with few exceptions, regular services have been maintained throughout the Diocese. This has been due, in large measure, to the loyal and fine assistance of a wonderful corps of Lay Readers. In the area around Wilmington the Diocese has been fortunate in having the devoted services of one of its own retired Priests, the Rev. Thomas P. Noe, who has made it possible for many of the

Churches to have services of Holy Communion and other services at stated intervals.

Since the last Convention of this Diocese two new Clergymen have come into our Diocesan family, the Rev. Richard L. Sturgis, who is serving St. Stephen's Church, Goldsboro, until the return of the Rector, and the Rev. Roscoe C. Hauser, Jr., the new Rector of St. Paul's Church, Greenville. The Diocese welcomes these two additions, both of them men who have had unusually fine records, both in the Civilian Ministry and overseas as Chaplains in our Armed Forces.

Our Colored Work

Our work for and among the nearly four hundred thousand Negroes of East Carolina is some of the most challenging of our Diocese, and I believe is filled with great possibilities in the years that lie ahead. We are greatly hampered at the present time by the serious scarcity of Negro Clergymen, which condition is acute throughout the whole country. I find from careful investigation that there seems to be no immediate hope of relieving this shortage. The Church at large must deal with this problem by encouraging more of our promising Negro boys to enter our colleges and Seminary to prepare for the Sacred Ministry. This is a long range solution, however, and East Carolina must meet the immediate need. To do this it is the plan of Archdeacon Johnson and myself to set up a Training Center in the City of New Bern for Negro Lay Evangelists under the wise and able direction of the Archdeacon. As soon as funds are secured it is our hope to construct a modest building with dormitory and classroom facilities for this purpose. The plan will meet two needs, the immediate filling of our Negro Churches on Sundays with well trained Lay Readers, and the encouragement of many young colored

men to enter the Ministry of the Church by enrollment in the Seminary at Petersburg, Virginia.

The Good Shepherd Hospital has more than justified its establishment as it continues with increasing usefulness to minister to the sick and injured people of a constantly expanding area.

I am particularly happy to be able to announce that near the close of 1945 we were able through an arrangement with the National Council, the Diocesan Department of Finance and the individual Parishes and Missions, to raise the level of salaries of our Colored Clergymen to an amount that will at least relieve some of the financial worries of these faithful and poorly compensated soldiers of our Lord Jesus Christ.

Rural Work

Since I have been back in the Diocese I have mentioned to our Executive Board my hopes and sympathetic feelings regarding our Rural and Missionary Work, which Bishop Darst has rightly called "the Seed Ground of our Diocesan life." Our Rural Work has suffered as our towns have grown. In many cases, drained of their youth by our industrial sections, our country Churches are facing problems more serious than most of us realize. I feel that we must begin immediately the formulation of wise, long range plans and policies for the rehabilitation and strengthening of our Rural Work. Plans must be worked out for greater concentration on strategic points rather than our present system of requiring a man to serve from four to six churches in two or more Counties. Missionary money, given by our people for this purpose, must be thought of as its name implies, for the beginning and the nature of new work in the Diocese until that work is able to stand upon its own feet. This

1946

Bishop's Annual Address

money must then be released in order to be used again and again for the purpose for which it is intended. Missionary money must be constantly in a fluid state. It is my hope that the Department of Missions and the Department of Finance will give serious thought to this matter, seeking to establish a strong Missionary Policy in the Diocese, looking ultimately toward the self support of every strategic point in the field. I take this stand because of my sense of duty and obligation to those of our people who are contributing sacrificially to the Missionary Work of the Church.

Visual Education

Throughout the Country the need is being felt for more adequate attention given to the Religious Training of our Young People and Children and to the re-thinking of our Sunday School Program. Times have changed. New methods, chiefly centering around Visual Education are not only being adopted by the Public School System but by the Church Schools as well. The child is accustomed to receiving his instruction in this manner and the Church's method of presentation, to be effective, must not be foreign to him. I am keenly interested in this problem. The future of our Church stands or falls upon the awareness of our people to our Children's needs. It is my hope that East Carolina will be pioneer in this field, and will render a service not only within its own borders, but, through example, to the Church at large. It is my intention this coming year to set up Training Centers for our Church School Teachers where trained experts in this field will go about the Diocese giving instruction and leading Conferences of Church School Teachers and Parents. I ask your prayers and your blessing upon this undertaking.

Reconstruction and Advance Fund

When the Church's Reconstruction and Advance Program was started I made the statement that I considered it "the greatest venture of the Church in this generation." I still feel that this is true. It must be seen not alone in terms of replacing bombed and burned buildings, but as the Great Effort of the Church of Jesus Christ in the Post-war world to make of One Brotherhood "all nations of men to dwell on the face of the whole earth."

The response of East Carolina to this appeal has been magnificent. Although all of the pledges have not been made and all of the Churches have not yet reported, I am informed by the Rev. Alexander Miller and Mr. Robert Strange, Co-chairmen of Reconstruction and Advance, that the Diocesan expectation will come nearer \$40,000 than the expected \$30,000, set as a goal by our Executive Board. I feel that St. James' Church, Wilmington, should be complimented as their gift to date to this fund of \$13,678.85 represents more than one-third of the total Diocesan Expectation.

As I close this, my first Convention Address to you, and as I look back upon the World Events of 1945, I feel deeply conscious of the great responsibility of those of us who profess and call ourselves Christians. Although a great war has been won, and the lives of many of our young men have been sacrificially given, we still live in a troubled world. Across the waters such suffering as Europe has seldom ever seen; at home, constant strife between labor and capital. St. Paul in his first Epistle to the Corinthians said "a Great and Effectual Door is Open to Us, but there are Many Adversaries." Yes there are many adversaries, but we, as Christians, know that there is an Open Door through which, if Nations and Men will walk, they shall see the light. Bishop Tucker, our Presiding Bishop, says that he believes that we in Ameri-

ca are "God's Chosen People" in this generation. "Chosen" not for any special salvation, but "Chosen" for a great task—that of saving the world. The world has tried everything else except Christianity. The victory we have won means nothing unless it is won in the hearts of men. We cannot live happily in a world dominated by fear and hate. God grant that we, as Christians, may do our part to make a Christian Nation here in our beloved America and a Christian world based on our Lord's Brotherhood of Man. To the building of such a world may we, the followers of our Lord Jesus Christ, dedicate ourselves today.

**REPORT OF THE WOMAN'S AUXILIARY
TO THE
DIOCESE OF EAST CAROLINA**

REPORT OF THE WOMAN'S AUXILIARY TO THE DIOCESE OF EAST CAROLINA

Rt. Rev. Father in God, and Members of the Convention:

Today it is my privilege and duty, as President of the Woman's Auxiliary in this Diocese, to bring to you a report of that organization for the year 1945. I bring this report with a deep feeling of gratitude for the devotion of the women who have contributed to this work done in the Master's Service.

A report, to be of value, presupposes a certain degree of familiarity with the work being reported. This, I feel sure, is the case with the clergy and laymen of the Diocese in regard to the work of the women as carried on through the work of the Auxiliary.

There has been a growing realization on the part of the women that the Auxiliary is not a separate organization but the women of the Church at work on the Program of the Church. It is of course recognized that in order to do efficient, effective work, there must be a certain amount of machinery. The emphasis, however, has not been on department and committee set-up as a goal in itself, but as a means of reaching more women and tying them up for more devoted and intelligent service in the work of the Church.

Just as the Program of the Church is carried out through Departments, so the work of the Auxiliary functions through similar Departments.

During this past year, through the Department of Missions and Church Extension the women have given in the Five Fields of Service.

In the Field of the World they have given to: China—particularly to the Diocesan Middle School there; to the Holy Cross Mission in Liberia; the Presiding Bishop's Fund for World Relief; the American Mission to Lepers, to Dr. Newton Chiang for work among Christian stu-

dents in China; to the Near East Foundation and to the Reconstruction and Advance Program.

In the Field of the Nation they have given to: Abbott House, South Dakota, for the rehabilitation of children; to Layington for destitute babies in the mountains; to Rev. Wm. Gordon, Missionary Priest in Alaska; to work among the blind and deaf in this province; to Negro Youth Leadership; to the Hudson Stuck Memorial Hospital in Alaska; to the Indians in South Dakota; to the Church Mission of Help, Conscientious Objectors; American Bible Society, Bishop Payne Divinity School; and toward the expenses of Japanese families leaving relocation centers.

In the Field of the Diocese they have given to: The Bishop's Fund (\$845); the Bishop's Scholarship (\$300); \$200 toward the salary of the College Student Worker and \$150.00 for her Discretionary Fund. They have given to Negro Youth Leadership in the Diocese, to the Good Shepherd Hospital in New Bern; to the Inland Waterway Missions; Galilee Mission; Camp Leach; the United Youth Program and to Thompson Orphanage. They have also sent gifts of money from time to time to our own East Carolina Missionaries.

The Secretary sent out 1800 Auxiliary Manuals—a copy to each member of the Auxiliary and to every clergyman in the Diocese. The Auxiliary furnished the leaflets to be used in the Churches for the Churchwide Day of Prayer. The address which Miss Elizabeth Griffin gave at the two Convocational meetings was mimeographed and a copy sent to each Auxiliary for program material.

Under the Department of Christian Education the work has continued steadily with much improvement shown particularly in the smaller groups. The women have followed the program of the General Church and have studied the subjects recommend-

ed. The women provided and financed two of the four courses at the Adult Conference at Camp Leach and scholarships were given to all the conferences and camps by the Auxiliary Branches.

Through the Promotion Department copies of all the Reconstruction and Advance Literature were mailed to the Auxiliary branches and a letter was written in explanation and urging the women to study the fields in the Reconstruction Program.

After the General Convention in Kansas in 1940 the editor of the Churchman stated that he thought the Woman's Auxiliary was decidedly the most forward looking body in the Church. Perhaps the outstanding reason for this is that for many years the women of the Church have studied the mission courses and the subjects recommended by the Church. The women of the Church have studied Africa, India, China, Japan, the Philippines, Latin America, etc. In these studies they have learned about the background, both historical and political of the particular country, of the characteristics of the people and their manner of living—and most important—of their needs and what the Christian Church is doing to meet these needs through preaching, teaching and healing, that is through our Christian Churches, Hospitals and Mission Schools. The women of the Church have studied the findings of the great Christian International Conferences; Jerusalem, Oxford, Edinburg, Madras, the Youth Congress in Amsterdam, and they have sought to learn from the great Christian leaders of these Conferences what the will of God is for His world today. Recently they have studied the findings of the Dumbarton Oaks Conference and of the San Francisco Conference.

Can we not have Parish Education Programs and Parish studies for all the members of the Parish, men, women, young people and children, in place of the Auxiliary Study groups? I make an earnest plea to the clergy that

they will have these study groups in their Parishes, studying and discussing the subjects recommended by the Christian Church. Surely we would go forward if all our people were better informed! Certainly the Church offers us a sufficiently challenging program. And yet we are not the united force we should be—the surface is only being touched. If the whole membership of the Church is to show growth and increased vitality we must have knowledge and understanding of what the Church is doing to meet the needs of the world.

Through the Department of Christian Social Relations, 651 kits were filled for Russian Relief; 182 Christmas packages sent to liberated countries, and thousands of pounds of good used clothing given for overseas relief. Boxes of clothing have been sent to many missions in this country. The women have given almost \$900 in new clothing to the children of the Thompson Orphanage, besides sending Christmas presents for the children and providing an allowance for their spending money. Four Auxiliaries carry a share each of Building and Loan to be given to the children they clothe when they graduate, and leave the Orphanage. The Auxiliary branches have given nearly \$1,800.00 for relief work in their various communities and parishes and almost 2000 garments have been given to needy families. (This does not include, of course, the garments shipped overseas). Churchwomen have served as Red Cross workers, Gray Ladies, Nurses' Aides, and U. S. O. Hostesses. Christmas packages and stockings were filled for men and women in all Army Camps and Hospitals in the Diocese. Through this Department programs on Race Relations, Family Life and Juvenile Delinquency were given.

Through the Supply Department we sent money to the National Church as our share of the increase to missionary clergy in the nation until the change from missionary boxes to an increase in salary could be adjusted and taken

care of by the budget of the National Church. Through this department the women have sent nearly \$1000 in money and gifts to the Thompson Orphanage. To the Inland Waterway Missions and Galilee Mission they have sent more than \$550 worth in supplies and to the Good Shepherd Hospital in New Bern over \$300 in linens, bandages, etc.

The United Thank Offering for 1945 was the largest East Carolina has ever presented in one year, amounting to \$7,681.37.

Last year the Auxiliary in this Diocese raised in all the amount of \$26,797.25 including the United Thank Offering. The Auxiliary Apportionment was \$2,500.00. The women, therefore, gave over and above their apportionment \$24,297.25 in actual cash. Figures are a hard, cold gauge and seem to put things on a material basis, and yet our gifts, as well as our prayers and work, do reflect that great love which cares and which saves mankind.

I wish I could report that all the women in the Diocese are vitally interested in the work of the Church and actively engaged in the program of the Auxiliary. But such is not the case. Much has been accomplished, of which we may well be proud; but there is so much more to do. We have such unlimited resources and yet how small has been our use of them!

There is a story that a certain Monk of old, in his longing to present Christ, fashioned a Crucifix. The result was very crude, but while he slept, an angel made of it a thing of beauty.

May the Holy Spirit take our work of the past year and so purify and ennoble it, that it may be acceptable unto Him Whom together we have served.

Respectfully submitted,

MARY OWEN SUTHERLAND,

President Woman's Auxiliary,

Diocese of East Carolina.

REPORT OF THE TRUSTEES OF THE DIOCESE

J. B. McCABE & COMPANY
Certified Public Accountants
Wilmington, N. C.

April 26, 1946.

To the Board of Trustees,
Diocese of East Carolina,
Wilmington, North Carolina.

Gentlemen:

We have examined the accounts and records as maintained by your Treasurer covering the various funds held by the Trustees for the period from April 1, 1945, to March 31, 1946, and submit herewith the results of such examination on the following exhibits:

Recapitulation of Fund Balances

Income	Exhibit "A" Sheet 1
Principal	Exhibit "A" Sheet 2
Receipts and Disbursements	
All Funds	Exhibit "B" Sheets 1 to 24

Our examination embraced the verification of all receipts as shown by the books and records, also all disbursements made from the Board's Depository and supported by cancelled vouchers. In connection with certain transfers within funds and most particularly with the Joint Bond Account, we have shown these items as memoranda under the receipts and disbursements of the respective funds, however, to properly account for transfers to and from the Joint Bond Account, it is necessary to handle same as actual receipts and disbursements in the Joint Account.

The purchase of six A. C. L. General Unified 4½% Bonds at a cost of \$6,465.00 has been accounted for by receipts in the Joint Bond Account from the respective funds. No correspond-

Report of Trustees

May

ing disbursements were made in the individual funds, since the transaction was only an exchange of cash for bonds and reflects as such in the balances to be accounted for.

As shown by Exhibit "A" the fund balances at March 31, 1946 allocated as to income and principal, are as follows:

Fund Balances—Income

Wilmington Savings & Trust Co.—On Deposit	\$ 5,301.89
Invested Funds	7,856.64

Fund Balances—Principal

Wilmington Savings & Trust Co.—On Deposit	5,615.03
Invested Funds	85,870.24

Total Fund Balance	\$104,643.80
--------------------------	--------------

The funds on deposit with the Wilmington Saving & Trust Company were subjected to proper verification as of March 31, 1946, and all securities detailed herein are on deposit in the safety deposit box at the Security National Bank, and in the Morris Plan Bank.

In connection with the real estate owned by the Trustees sales made during the year under review from the Forbes Estate resulted in a profit of \$243.80 as follows:

Lot No.	Cost	Sales
9	\$ 220.00	\$ 275.00
13	150.00)	
14	150.00)	
16 — Part	75.20)	510.00
15	148.00)	
17	148.00)	350.00
	891.20	1,135.00
Net Profit	243.80	
	\$1,135.00	\$1,135.00

We have shown under Exhibit "B", Sheet 16, receipts in the amount of \$325.00 covering a lot sold in South Mills, N. C. As far as we were able to ascertain this lot was never set up against the assets of the Diocese, and during our examination we were advised that the Diocese owns several pieces of real

Report of Trustees

estate. It is our recommendation that the deeds covering same be obtained so that a permanent record could be made on the books of the Diocese.

The receipts and disbursements for the period under review covering all funds are presented in columnar form allocated between Income and Principal under Exhibit "B", Sheet 1 to 24 inclusive. Detail of investments applicable to each fund will be found at the end of each respective receipts and disbursements statement.

CERTIFICATE

In our opinion, based upon such an examination, and subject to the foregoing comments, the accompanying Exhibits fairly present the condition of the funds held by the Board of Trustees at March 31, 1946.

Respectfully submitted,

APPENDIX "E"

CAMP LEACH

APPENDIX "E"

CAMP LEACH

Gentlemen:

Herein is my report on the operations of the Diocesan Camp at Camp Leach for the fiscal year 1944-'45. Actually this report covers the period from September 6, 1944 to October 15, 1945.

As in my last yearly report I will make the following divisions:

1. Total Expenditures.
2. Camp Operation.
3. Camp Attendance.
4. Capital Account.
5. Camp Leach Debt.
6. Needs and Recommendations.

I would like in the beginning to say that I believe this to have been a most successful year for the Camp. Since the Diocese purchased this property nearly sixteen years ago, it is the first summer in which we have operated for the entire summer. Actually this summer we were in operation for eleven weeks. During that time we gave to every member of our Diocesan family over and above the age of nine, an opportunity to participate in a camp or conference. To me this is the purpose and reason for having such a spot within the Diocese as Camp Leach. We are not, nor should we ever be in competition with commercial camps and vacation rendezvous. Rather the purpose behind our endeavor is to have this as a Diocesan center in which spiritual training and guidance is given to aid our Church family in living the Christian life. Living at Camp for eleven weeks as I did this summer is hard work and I surely wouldn't be willing to make the great effort and sacrifice it demands, unless I believed it was furthering God's Kingdom here upon earth. I believe we are doing this kind of a job at Camp Leach and I pray that we shall ever continue with such a goal in mind.

1. Total Expenditures

The following is an account of all monies received and disbursed for our fiscal year, ending October 15, 1945:

Income

Rebates	\$ 260.87
Canteen	544.90
Gifts	38.80
Chapel Offering	117.63
Clergy Conference	60.00
Y. P. S. L.	115.00
Senior Camp	981.50
Adult Conference	261.00
Laymen's Week-end	124.75
Junior Camp	1,855.50
Midget Camp	3,349.00
Youth Conference	93.00
Diocesan Subsidy	500.00
Capital Account	921.17
Total	\$9,223.12

Disbursements

Maintenance	\$ 158.83
Insurance	541.72
Truck	235.42
Car (Business Manager)	238.53
Petty Cash	218.90
Salaries	1,252.90
Food	2,928.44
Labor	87.40
Materials	404.42
Office	62.12
Publicity	124.80
Infirmary	54.03
Canteen	482.56
Miscellaneous	567.49
Capital Expenditures	1,260.05
Total	\$8,617.71

Balance\$ 605.41

Actually the balance at the end of this fiscal year is \$650.41, since a loan totaling \$45.00 was made to the caretaker to aid in the harvesting of his tobacco. This will be repaid early next month.

To my knowledge there are no accounts which have not been paid for the year just ended. The make-up of this balance will be discussed under Camp Operation.

Analysis of Expenditures

A—Camp Operation: We received from camp fees alone during the past summer \$6,839.75. During the same period we received in rebates for such items as telephone calls and bad checks \$53.00, making a grand total of \$6,892.75. \$29.00 of this was refunded in the interest of the Camp. Actually, \$6,377.82 was spent in the direct operation of the Camp. Thus a surplus of \$485.93 can be analyzed as profit from operation.

B — Capital Account: Toward this account we received \$921.17. We had hoped to raise \$1,200.00 but two Parishes that promised to help toward this fund did not make a contribution. We made no definite campaign this year but merely asked additional givings from parishes and missions we knew were interested. We spent for permanent improvements at Camp this summer \$1,260.05. We thus have a deficit in this account of \$338.88. Transferring as usual the item for unspecified gifts over into this account we end the year with an actual deficit of \$300.08.

C—Diocese: Last year, through the Department of Religious Education we instituted in the Diocesan budget an item of \$500.00 which was to be used as a sustaining fund to aid the camp when operations were not successful. This year we spent \$188.00 to pay back Midget Camp refunds for 1944 and \$235.28 to pay the fire insurance for 1944-45. We thus have a balance of \$76.72 remaining in the Diocesan fund.

D—Canteen: The Camp store received as income \$544.90 for the summer. It paid out \$482.56, leaving balance of \$62.34 to be placed in the general fund. About \$80.00 was charged against the Canteen this summer to pay the salaries of two young boys whom I had working with me all summer. Thus the canteen realized a net profit of about \$150.00 for the summer.

E—Offerings: In this account there is an undesignated balance of \$117.63. One of the things I hope the Committee will do today is to establish a definite procedure by which these offerings may be used on behalf of the religious life of Camp Leach.

2. Camp Operation

A—Maintenance: In order to give some idea as to the amount needed to maintain certain necessary items as electricity, fuel, telephone and ice, we give the following figures:

Electricity	\$ 43.17
Fuel	24.00
Telephone	51.01
Ice	40.65
Total	\$158.83

B—Insurance: There are four insurance policies carried by the camp, plus a bond for \$2,000.00 on the Business Manager. They are:

Windstorm \$(12,000.00)	\$ 36.00
Fire (\$23,900.00)	143.40
Truck (Fire, theft, liability)	80.00
Employers' Compensation	37.04
Bond (\$2,000.00)	10.00
Total	\$306.44

An additional premium of \$235.28 was paid last month to increase the fire policy to the present amount.

C. Salaries

Caretaker	\$ 230.00
Dietitian	220.00
Business Manager	159.40
Cooks	513.50

1946

Report - Camp Leach

Water - Front	70.00
Secretary	52.00
Canteen	77.00
Total	\$1,321.90

In preparing the budget for the coming year one great change must be made in this schedule. In order to keep the present caretaker, it was necessary to make an agreement whereby the Camp will pay him \$600.00 during the coming year. In exchange he has agreed to give up his farm and to spend full time working on the Camp property. I think that this is a needful thing but I wish this committee might pass on it today. Salaries in general are still low, but increased attendance will enable us to raise them sharply. Though we had nursing service during most of the summer, it was all voluntary and no salary had to be paid.

D—Miscellaneous

Loan (Caretaker)	\$ 45.00
Refund (Midget Camp 1944)	188.00
Bad Checks, Errors in Account	40.47
Refund (Campers)	29.00
Diocesan Note	260.02
Christmas (Caretaker)	5.00
Total	\$567.49

3. Camp Attendance

The following is the number in attendance at all Camps and Conferences this summer:

Clergy Conference	15
Y. P. S. L. Convention	35
Senior Camp	52
Adult Conference	30
Laymen's Week-end	45
Junior Camp	87
Midget Camp	160
Youth Conference	15
Total	439

Report - Camp Leach	May
---------------------	-----

The Directors are to tell this committee about each camp and conference, so nothing further will be added by me. However, I give these figures to show how much work must be done during the coming months to increase the attendance at all the camps and conferences next summer:

4—Capital Account

The following amounts were received from Parishes and Missions in the Diocese:

Receipts

Christ Church, Elizabeth City	\$100.00
St. John's, Fayetteville	10.00
St. John's, Wilmington	73.04
St. Barnabas', Murfreesboro	10.00
Good Shepherd, Wilmngton	25.00
St. Mary's, Kinston	100.00
St. Peter's, Washington	100.00
Holy Trinity, Lumberton	88.13
St. James', Wilmington	100.00
Grace, Plymouth	50.00
St. James', Belhaven	10.00
Galilee Mission	5.00
Christ Church, New Bern	100.00
St. Paul's, Greenville	100.00
St. Stephen's, Goldsboro	50.00
Total	\$921.17

Expenditures

Caretaker' House	\$ 6.75
Rewiring Outside Circuits	119.36
Plumbing	167.77
Pier, Barracks and Servants' Quarters	966.17
Total	\$1,260.05

There is still a definite need for a capital fund to be used each year for permanent improvements at Camp. I will try at the end of this report to outline a few of the necessary improvements that must be made during the coming year.

5—Diocesan Debt

At the end of the camp season, I sent to the Executive Secretary of the Diocese a check for \$260.02 as a payment on the Diocesan debt. \$229.12 of this represented the amount advanced by the Diocese during 1943 and 1944 for the interest on the principal. The Diocese did not charge us any interest on this money, therefore that part of the debt has been removed. In addition \$30.00 has been paid this year on the principal, plus \$.90 due as interest on this amount to October 1st.

The Camp now owes the Trustees of the Diocese \$3,000.00 with interest on that amount at 4%. Thus on December 31, 1945, we will have to pay \$120.00 in interest for this year. With the present balance on hand as stated, we will be able to take care of this obligation in a satisfactory manner.

6—Needs and Recommendations

Briefly, I give you a short list of the immediate needs of the Camp, listing them in the order needed.

1. Faculty house for men.
2. Concrete square and athletic equipment.
3. Station wagon or truck.
4. Moving picture projector.
5. Kitchen stove and kitchen equipment.
6. New cots.
7. Boats for recreation.

Of course, one could go on indefinitely listing things the camp needs. Nor can we afford to confuse such needs as these with our plans for further building and development of the property that we may give it greater usefulness. Such things as an all-weather building for week-end conferences and retreats, a chapel, an infirmary, and class room buildings. These items represent the long range program, to which we who are members of this committee must be ever dedicated.

To you I submit this report, trusting that the operation of the camp during the past year has been efficient and satisfactory.

Respectfully submitted,

JOHN H. BONNER, Jr.,

Business Manager.

**MINUTES OF THE MEETINGS OF THE EXECUTIVE
COUNCIL**

APPENDIX "F"

MEETINGS OF THE EXECUTIVE COUNCIL

In Christ Church, New Bern, N. C.

A meeting of the Executive Council of the Diocese was held in the Rector's office of Christ Church, New Bern, November 27, 1945, and was opened with prayer by the Bishop. The roll was called, showing members present as follows:

Rt. Rev. Thomas H. Wright, D. D., Rev. Walter R. Noe, Rev. C. E. Williams, Rev. John R. Tolar, Mr. W. G. Gaither, Rev. Mortimer Glover, Rev. Alexander Miller, Mr. C. R. Wheatley, Mrs. Sidney A. Ward, Mrs. Baxter Moore, Rev. John H. Bonner, Rev. Stephen Gardner, Mr. P. B. Bateman and Mrs. W. O. S. Sutherland.

The minutes of the last meeting were read and approved.

The Bishop appointed Chairmen of the Departments as follows:

Missions and Church Extension, Rev. Stephen Gardner.

Christian Education, Rev. C. E. Williams.

Christian Social Relations, Mrs. W. O. S. Sutherland.

Finance, Rev. John R. Tolar.

Promotion, Rev. Alexander Miller.

Youth, Rev. John H. Bonner, Jr.

The chairmen then nominated members of their department for the Bishop's approval.

Reports were made by the Rev. John R. Tolar for the Department of Finance; the Rev. Alexander Miller for the Department of Promotion, and the Rev. John H. Bonner, Jr., for the Department of Youth. As the report for the Department of Youth contained an asking for expenses for 1946, it was referred to the Department of

Finance. After discussion of the necessary expenses of the Bishop, it was decided that the most satisfactory way to take care of his needs would be to furnish him a car, at the earliest possible date.

The matter of salaries for the missionary clergy was discussed at some length, and the Bishop was authorized to secure clergymen, if possible, for vacant places at a salary not to exceed \$2,400.00 a year, and the Departments of Church Extension and Finance were requested to make a study of the whole matter of stipends for the aided Parishes and Missions at the earliest possible date.

After a full discussion of the Reconstruction and Advance Fund now being promoted by the General Church, it was decided to follow the General Church plan of having a canvass in the several parishes and missions. It was felt that the Diocese of East Carolina could take a goal of \$30,000.00 for Reconstruction and Advance Work. The Bishop and the Executive Secretary were requested to appoint Reconstruction and Advance Fund Chairmen in vacant parishes and missions, and the Bishop was requested to write letters to the clergy and Senior Wardens of the parishes and missions, giving them as much information as possible about the Reconstruction and Advance Fund and expressing the hope that they would do their very best for the success of this effort.

The Rev. John H. Bonner, Jr., for the Camp Leach Committee, was granted permission to solicit a minimum of \$3,000.00 for building purposes at Camp Leach for 1946.

A letter in regard to some changes in the parishes and missions in Hertford and Gates Counties was presented and, on motion, referred to the Department of Missions and Church Extension.

There being no further business, the meeting adjourned.

WALTER R. NOE, Secretary.

In St. Paul's Church, Wilmington, N. C.

A meeting of the Executive Council of the Diocese was held in St. Paul's Church, Wilmington, March 5, 1946, and was opened with prayer by the Bishop. The roll was called, showing the following members present:

The Rt. Rev. Thomas H. Wright, D. D., the Rev. Messrs. John H. Bonner, Jr., Stephen Gardner, Mortimer Glover, Alexander Miller, John R. Tolar and Charles E. Williams; Messrs. P. B. Bateman, William B. Campbell, W. G. Gaither and J. A. Moore; Mrs. Baxter Moore, Mrs. W. O. S. Sutherland and Mrs. Sidney A. Ward. The Rev. J. F. Ferneyhough, Chairman of Forward in Service, and the Ven. R. I. Johnson, Archdeacon for Negro Work.

Because of the absense of the Rev. Walter R. Noe, the Bishop asked the Rev. Stephen Gardner to act as Secretary.

The minutes of the last meeting were read and approved.

The following resolution was passed and a Committee, consisting of the Rev. Messrs. Alexander Miller, John R. Tolar and Mr. P. B. Bateman were asked to convey it to Mr. Noe:

"We, the members of the Executive Council of the Diocese of East Carolina, in session assembled, miss our Secretary, the Rev. Walter R. Noe, and are distressed to learn of his sickness. We pray God that he may speedily be restored to perfect health."

The Bishop read telegrams from the Rev. Jack R. Rountree and Mr. Iverson Skinner, stating their inability to be present.

Mr. Robert Strange, one of the Trustees of the Diocese, was present, on invitation of the Bishop. He made a report on the condition of the Bishop's House, recommending that a sum, not exceeding \$1,200.00 be spent for painting and necessary repairs. Mr. J. A. Moore

made a motion, which was duly seconded and carried, that the necessary repairs be made.

The Bishop spoke on the dates of the Annual Convention and stated that he was anxious to go back to the two-day session as soon as possible.

It was decided that the Annual Convention meet on the one day, May 15th, this year.

A motion was made by Mr. William B. Campbell that we have a two-day Convention next year, and that appropriate action be made at the coming Convention to prepare for it.

The Rev. Harvey Glazier, host Rector of the coming Convention, was an invited guest of the meeting.

The Rev. Alexander Miller made a report on the Reconstruction and Advance Program, stating that \$26,000.00 was in sight with many Parishes to be heard from.

Mr. W. G. Gaither made a motion that we congratulate the Department of Promotion on the progress made and to contact those Parishes and Missions which had not reported and to urge them to complete their program, and that the Council report to the General Church that our expectations were \$30,000.00. This motion was passed.

The Bishop read a letter from Miss Anne M. Barnwell, Diocesan Office Secretary, offering her resignation, which was accepted.

The Rev. John R. Tolar made a motion, which was passed, that we express our regrets, by resolution, and send a copy to Miss Barnwell.

Motion was made by the Rev. Mortimer Glover that the Finance Department take into consideration the contribution of a substantial gift to Miss Barnwell at the time of her separation and report back to the next meeting of the Executive Council. The motion was passed.

Motion was made and passed that the Council leave it in the hands of the Bishop to retain Miss Barnwell as long as necessary.

The Bishop was given authority to get a suitable person to become the new office Secretary.

On motion by the Rev. John R. Tolar the Bishop was authorized to appoint someone with authority to sign checks during the illness of the Treasurer. The Bishop appointed Mr. Robert Strange.

A report was made by the Rev. Stephen Gardner, Chairman of the Department of Missions and Church Extension, without recommendations.

In his report of the Department of Christian Education, the Rev. Charles E. Williams, Chairman, emphasized the importance of the Adult Conference, and discussed the Courses for the Senior and Junior Camps at Camp Leach.

The Department of Finance had no report.

The Department of Promotion had nothing extra to report, having already reported on the Progress of the Reconstruction and Advance Program.

The Rev. John H. Bonner, Jr., Chairman of the Department of Youth, spoke on the Youth Commission and stated he would have recommendations to offer at the next meeting.

Mrs. W. O. S. Sutherland, Chairman of the Department of Social Relations, stated that she wanted a Committee on Social Relations in every Parish. She spoke of the work among the Deaf and Blind. She urged the establishment of a Conference Center for Negroes in the Diocese like Camp Leach. She spoke on the problem of Juvenile Delinquency, and of the Isolated.

The Bishop spoke on the Missionary Policy of the Diocese, stressing the method of de-volution which he hoped the Diocese would adopt.

Mr. Gaither and Mr. Glover were appointed to thank the ladies of St. Paul's Church for the dinner which they served the Council.

STEPHEN GARDNER,
Acting Secretary.

APPENDIX "G"

REPORT OF CHAIRMAN DIOCESAN ARMY AND NAVY COMMISSION

Wilmington, N. C., February 6, 1946.

Rev. J. Bert Webster, D. D.
Army and Navy Division,
Church Missions House,
281 Fourth Avenue,
New York 10, N. Y.

My Dear Mr. Webster:

I wrote you several days ago that you would hear from us before the time for your meeting. I am now sending you both our report for the past year and our askings for next year.

We understand that our present appropriations will continue until May 1, 1946, subject, of course, to any changes that might become necessary and that our askings for the year beginning May 1, 1946 will be considered by your Committee at the meeting to be held in New York Tuesday, February 12, 1946.

Since August 1945, when the application of St. Stephen's, Goldsboro, was renewed, you have sent us \$1,850.00 quarterly. You need not send us the money for Goldsboro in the check this month. So many of the men have left Seymour Johnson Field that both the vestry and the woman worker have decided that, beginning February 1, 1946, the work should be discontinued.

For the year beginning May 1, 1946, we shall need \$1,290.00 quarterly instead of \$1,850.00 for work in the following fields:

1. St. John's, Fayetteville, Discretionary Fund \$ 120.00
2. Christ Church, New Bern, worker 300.00
3. St. Joseph's, Fayetteville, Dis. Fund 60.00
4. White Churches in the Wilmington Area

1946

Report - Diocesan Army and Navy Commission

Discretionary Fund	300.00
5. St. Mark's Church, Wilmington	60.00
6. St. Anne's, Jacksonville	450.00
	<hr/>
	\$1,290.00

1 and 3: Fort Bragg is near Fayetteville. The officers and men are served by St. John's, white, and St. Joseph's, colored. We are asking for the same discretionary funds for them.

2: Our nearest church to the large Marine Base at Cherry Point is Christ Church, New Bern. Most of the men at Cherry Point visit New Bern and our church has cared for hundreds of them since the Base was established. Our Rector at New Bern, the Rev. C. E. Williams, feels that he must have the help of a woman worker to care for the large number of men who are constantly in New Bern.

4: There are a number of churches in the Wilmington area — St. Andrew's, Wrightsville, All Saints', Carolina Beach; St. Philip's, Southport, St. Andrew's, Calabash and St. Philip's, Tar Landing, that need discretionary funds for work with Marines from Camp Lejeune, men from Camp Davis and Coastguardsmen on the nearby beaches. Many of the families of officers and men live at Carolina and Wrightsville Beaches.

5: St. Mark's, Wilmington, has done good work for the colored service men by finding homes for them and serving meals. The Rector has cared for many of them in the rectory. He is asking for a small discretionary fund.

6: The church at Jacksonville was built and a clergyman secured with money appropriated by the Army and Navy Commission. The appropriation is for the salary of the Minister-in-charge, the Rev. F. N. Cox. It is the only Episcopal church near the New River Marine Base,

the largest base in the country. When the church was built only two members of our church lived at Jacksonville, but there are now a fair number of civilian members and the services are attended by both officers and men of the Marine Base, including the commanding officer. The work is growing but needs financial aid for the present.

We appreciate help given us by the Army and Navy Commission and we hope that our present askings will be approved.

Bishop Wright is away now but I shall ask him to go over this report and sign it, if it meets with his approval.

Faithfully yours,

WALTER R. NOE,

Chairman Diocesan Army and Navy Commission.

Approved:

THOMAS H. WRIGHT, Bishop.

JOURNAL OF PROCEEDINGS, CONVENTION 1947

Beaufort, N. C., May 13-15, 1947.

On the evening before the opening of the Sixty-fourth Convention of the Diocese of East Carolina, in Beaufort, N. C., the Laymen of East Carolina held their annual meeting in the dining room of Hotel Jefferson, Morehead City, N. C., Mr. W. G. Gaither, of Elizabeth City, N. C., President, presiding. It was a dinner meeting and, including the clergy and laymen, two hundred were present.

The speakers were Mr. F. F. Edgar R. Neff, field officer of the 4th Province of the Department of Promotion of the National Council, who spoke on the "Romance of the Church;" and Bishop Wright, who spoke in the place of the Hon. Coleman Jennings of Washington, D. C., who was unable to attend on account of sickness in his family.

Mr. Junius D. Grimes moved that the program as planned be accepted. Carried.

The regular Committees were appointed by the Bishop.

The Bishop read his Annual Address. (See Appendix "A").

The Rev. William B. Daniels, Jr., read the report of the Committee on the State of the Church, as follows:

REPORT OF COMMITTEE ON STATE OF CHURCH

The Committee on the State of the Church submits the following report:

A summary of the Parochial Reports reveals the following statistical information: The whole number of baptized is 11,113 for the year 1946, an increase of 262 over 1945; total number of communicants, 8,877 an increase of 323 over last year; 338 persons were administered the sacrament of Holy Baptism in 1946 as compared with 303 persons in 1945; 336 persons were confirmed in 1946, and increase of 37 over the preceding year; loss by death, 77, a decrease of 17; loss by transfer, 232, an increase of 158; and loss by removal, 348, an increase of 116. These last two items showing a decided increase in numbers lost by transfer and removal may be explained, in part at least, by the general population trend

in this section of the state.

Parochial reports indicate that there was a loss of 93 Church School teachers but an increase of 30 Church School pupils in 1946 as compared with 1945 figures.

Concerning the finances of the Diocese, the following information is gathered from the reports:

Receipts reached an all time high in 1946 of \$273, 967.77. The previous high of \$244,615.08 was reached in 1929. Because of the depression, receipts dropped in 1933 to \$112,159.07.

As a result of the Nation-wide campaign, the givings to the General Church, the Diocese, and to other extra-parochial objectives reached the high point of \$69,228.89 in 1921. In 1928 it had dropped to approximately \$64,000.00. In 1934 it dropped to slightly more than \$30,000.00. This has steadily increased until it has

1947 Report of the Standing Committees

reached an all time high in 1946 of \$94, 223.00. This all time high was reached because of the Reconstruction and Advance Fund received during the year.

Your committee believes that the most serious problem facing the Diocese of East Carolina today is the task of strengthening and developing the work among our brethren of the Negro race. With the loss by death of the Ven. R. I. Johnson during the past year our work in the Diocese has suffered a crippling blow. Other losses of Negro clergy by the Diocese in recent months makes imperative the re-manning of the churches of the Colored Convocation immediately by competent clergy.

Respectfully submitted,
Wm. B. Daniels, Jr., Chrm.

The report of the Standing Committee was read by the Rev. John W. Hardy, Secretary, as follows:

STEPHEN GARDNER, President
JOHN W. HARDY, Secretary

Mr. Robert Strange, Treasurer of the Diocese, presented the Treasurer's report. (See Appendix "B").

The chairman of the Committee on the Dispatch of Business, Mr. Peter Brown Ruffin, gave his report.

The Rev. Jack R. Rountree read the following report of the Mission Herald.

REPORT OF THE BOARD OF PUBLICATION OF THE MISSION HERALD

Diocese of East Carolina,

At the convention of the diocese of East Carolina in 1946, a board of publication composed of five members was created and instructed to take over and publish the Mission Herald. On that committee the following were appointed: Rev. Jack R. Rountree, chairman, and the Rev. Roscoe C. Hauser, Jr., the Rev. John W. Hardy, the Rev. R. I. Johnson, and Mrs. E. M. McEachern. They

1947 Report of Financial Condition of Mission Herald

began their work under two definite convictions: first, that the Mission Herald should be placed in every home in the diocese; and Second, that it should devote itself primarily to the publishing of the news of the diocese and of the Church at large. It was believed that acquainting the people with what is going on in the Church about them would tend to develop a feeling of family relationship which would bind them together into a real Fellowship possessing a spirit of mutual interest and concern, and that a co-operative spirit would develop that would result in furthering the carrying on of the Mission of the Church.

The board felt that the membership of the Church would voluntarily support a paper that reported the happenings in their own and neighboring churches. It was also thought that the clergy and people would co-operate in helping the paper to succeed in securing and publishing the news. So in an adventure of faith the board started to work on that conviction. Mailing lists were solicited from the clergy, who were also asked to assist in gathering the news. The board decided to make the paper current by making the month of publication, the month of its appearance. The first issue went into more than three thousand homes, while the May issue reached over 4100 homes; all of the homes in the diocese of which the board of publication had information

When the clergy learned that the management would not hold them financially responsible for sending the paper into all of the homes in their parishes, mailing lists were furnished. For this co-operation we are most appreciative. Response in sending in the news has not been as freely rendered as the board had anticipated. We are very grateful to those who have made it possible to cover a large part of the news.

It was necessary for the board to determine upon definite policy as to the nature of its activity. It was decided to feature principally the news of the diocese and of the Church, and to eliminate long articles, especially all discussional and theological or sermonic treatises. Poetry and literary essays had to be excluded—as a policy—and space reserved for items of news. It was felt that such teaching as might seem advisable could easily be carried in well prepared news items. Because of the tendency of wordiness on the part of some correspondents it has been necessary to edit many of the articles submitted. Some articles have had to be rejected because they were not properly prepared for publication. The Mission Herald staff has not the time to rewrite overly long articles.

From the very beginning the staff was handicapped by the

critical illness of the Ven. R. I. Johnson, who was never able to meet with and advise them, especially about the service that we hoped to render to the negro churches. Mrs. E. M. McEachern served but a few months before she left the diocese. Mrs. Leonard Trueblood was appointed by the Woman's Auziliary to succeed Mrs. McEachern and has been a real help. Feeling the necessity for further assistance the staff elected the Rev. John C. Grainger as an associate editor, and he has been of real service in getting out the paper. Bishop Wright has been a source of help, encouragement and real inspiration.

It should be remembered that the entire staff of the Mission Herald is composed of men who are busy in carrying on the work of real active parishes and missions; and that the work of the paper is an extra task requiring a great deal of time. Furthermore, no member of the staff receives one cent of compensation; on the contrary the work has involved considerable personal expense to each one of them.

We have carried on with the assurance that the diocese stood back of us, and was ready to guarantee us from any financial embarrassment involved in meeting the expenses of publication. We do not feel that the staff should have to bear the burden of financing the paper, and would not be interested in continuing the work, without the assurance of the continued backing of the diocese. We are willing to carry on and do all within our power to make the paper a success, but we have not the time to develop a complete program for financing the paper.

We are fully aware of the fact that we have not satisfied everybody—as many people have different ideas about what a paper should be. But we have consistently carried out our policy of getting out a newspaper of the work of the diocese and feel that we have done a fairly good job, with the co-operation that we have received. But we know that a lot of news that could have made interesting reading has not appeared, simply because no one took the trouble to send it in.

The Rev. John W. Hardy, executive editor and business manager, has done a splendid piece of work in handling the financial end of the paper, and will make a complete financial report upon the completion of the general report.

Committee on Canons

The Rev. Mr. Hardy added to his report the fact that a number of the Parishes and missions had not sent him the list of their Church families and were thereby denying their parishioners the opportunity of reading the Mission Herald.

Mr. John G. Bragaw stated that those Parishes and Missions which had not sent the lists of their Church families were the losers, and further added that the Committee had done an excellent job.

Mr. F. D. Duncan moved and Mr. Junius D. Grimes seconded the motion that the thanks of the Convention be extended to the Board of Publication for their excellent work. Passed.

The question of the Roll Call having been made by the Rev. Thomas P. Noe, Mr. W. G. Gaither moved and Mr. Junius D. Grimes seconded the motion that the check on attendance made by the Secretary be considered sufficient to replace the Roll Call. Carried.

Mr. H. E. Rodgers for the Committee on Canons offered the following report:

REPORT OF THE COMMITTEE ON CANONS

Pursuant to resolution of the Camp Leach Committee passed at meeting in September 1943, the Committee on Canons recommends that Canon 9 be amended by adding after the last paragraph of Section 2 of Canon 9 the following:

The Bishop and Financial Secretary of the Diocese shall be ex-Officio members of the Committee. The members of the Committee not hereinbefore specifically indicated shall be nominated by the Bishop at the annual Diocesan Convention and be confirmed by a vote of the Convention.

The Trustees of the Diocese shall be empowered, upon written request of the Camp Leach Committee, duly approved by the Bishop or Ecclesiastical authority of the Diocese, and after 60 days notice in the Mission Herald, to sell and dispose of all or any part of the property held by it for the use and benefit of the Camp Leach Committee as aforesaid.

(e) The canon shall not take effect until the annual meeting of the Camp Leach Committee.

(f) The Camp Leach Committee shall be a sub-committee of the Department of Christian Education.

The Bishop may select and announce subjects for discussion: Provided, that if the motion to go into a Committee of the Whole has specified the subject to be discussed, that subject shall be disposed of.

XX. The rules of order or any one of them may be suspended by a majority vote of the convention whenever the Presiding Officer decides that an urgent matter should come before the Convention for prompt action.

XXI. The Presiding Officer may in his discretion, to expedite the business of the convention, transpose the regular order of business.

Funds will be accepted where the donor makes an absolute gift and will also be accepted where the gift is subject to restrictions as to the purpose for which the gift may be used in and under the direction of the Diocese of East Carolina and also when the gift provides, that the principal may be expended or restricts the spending to the income from the gift. A donor may create an endowment in memory of his family or a friend.

The operation of this foundation shall be under the control of the Executive Council of the Diocese of East Carolina and the Executive Council is authorized and empowered to solicit and receive donations from any persons subject to the foregoing provision, reserving to the Diocese the right to decline to accept any donation.

The principal of the donation or the income therefrom, as may be directed by the donor, shall be applied for any purpose directed by the donor that advances the religious life of the Diocese of East Carolina, and if the purpose for which said principal or income is not designated, then the Executive Council of the Diocese of East Carolina is to determine the purpose or purposes for which said fund shall be used.

The Executive Council shall annually make a report to the Diocesan convention showing the names of the several trusts or endowments under their control under this canon giving the names of the trusts, the amount of the funds and the manner in which they are invested and the disbursements made and the purpose for which any part of said trusts have been disbursed.

The entire report of the Committee on Canons was passed in accordance with provisions of Article XIV of the Constitution.

The Rev. Alexander Miller, rector of St. Paul's Church, Wilmington offered noon-day prayers.

The Bishop presented the Rev. R. M. Kellerman, rector of St. Paul's Church, Clinton and the Rev. Edward M. Spruill, who was to become rector of Grace Church, Plymouth on June 1st, as new clergymen in the Diocese.

The Bishop also welcomed the Rev. Edgar R. Neff.

The Rev. William B. Daniels, Jr., rector of the host Parish invited the Convention to Luncheon in the Parish House.

The request of St. Mark's Church, Roxobel to be admitted as a Parish was presented and was referred to the Committee on New Parishes, the Rev. Alexander Miller, chairman. Since there were no delegates from Roxobel, action was deferred until the next Convention.

Mr. Bruce Bateman made a verbal report for the Committee on Camp Leach evaluation and asked for more time to make a complete report.

Report of the Trustees of the Diocese was presented by title by Mr. Robert Strange (See Appendix "C").

The Bishop presented the Rev. Julius A. Pratt, rector of Grace Church, Whiteville, as a new clergyman in the Diocese.

The Rev. James F. Ferneyhough made a verbal report on the Department of Religious Education, emphasising the Clergy-Adult Conference at Camp Leach and the teachers Training Institutes for the coming season. (For written report see Appendix "D").

The Bishop presented Dr. Richard G. Stone, president of St. Mary's School, Raleigh, who made a report for that school.

**REPORT TO THE EAST CAROLINA DIOCESAN CONVENTION
BY THE PRESIDENT OF ST. MARY'S:**

Saint Mary's School and Junior College began the academic year 1946-47 under a new president, Richard G. Stone. Mrs. Ernest Cruikshank who had served with distinction for fourteen years retired at the close of the 1945-46 session.

During the school year one meeting of the Board of Trustees, and several meetings of the Executive Committee of the Board were held. The Rev. Maurice Clark, D.D., a member of the Board from the Diocese of Upper South Carolina, died during the year. Mr. N. C. Green, of Williamston, North Carolina, President E. M. Gwathmey of Converse College, Spartanburg, South Carolina, and the Rev. Messrs. Alfred P. Chambliss, of Rock Hill, S. C., and the Rev. John Grainger of Goldsboro, N. C., were elected by the respective conventions to the Board.

Saint Mary's lost by death February 22, 1947, the services of her efficient business manager, Mr. E. F. Stoughton. This position will not be filled. The board, on recommendations of the President, created a new position, Dean of Students. Business functions will be performed by the President with the assistance of the business office staff.

There were 320 full time students registered at the school this year. Of this number 232 were in residence. The school was forced to decline applications from about 100 prospective students due to lack of dormitory space. By shifts of living quarters in the house occupied by the chaplain this year it will be possible for about 242 students to be accommodated during the year 1947-48. A waiting list was established early in January, 1947, and at present many more students are applying than can be accepted.

The sharp rise in food, labor, and material cost since last summer forced the Executive Committee to increase the general rates for the 1947-48 session. This step was taken reluctantly but was necessary to avoid indebtedness. Saint Mary's has a very small endowment which invested at present rates does not exist, to any extent, in paying the costs of operation. The school feels forced to maintain its standard in equipment and maintenance even if the general charges have to be raised to do so.

Twenty-five thousand dollars, a gift of Mr. James A. Gray, of Winston-Salem, was added to the endowment fund during the year. A number of smaller gifts were made to the Centennial Fund, which is being expended for the improvement program now in progress. Out of this Centennial Fund a new heating plant and hot water system has been erected. The Kitchen has been entirely renovated and new equipment installed. Considerable campus work in the form of a paved drive and new walks has been accomplished.

Respectfully submitted, RICHARD G. STONE, President

Mr. Junius D. Grimes moved that the report be received, that the Budget be adopted, and the new basis of apportionment be also adopted. This was seconded and carried.

The Bishop expressed his gratitude to Mr. Ruffin and to Mr. Robert Strange for their collaboration in getting up the Budget and new basis of apportionment.

The Rev. Edgar R. Neff gave a spirited address on the condition of the Church and its determination to go forward.

The Convention was so stirred by this address that Mr. Robert Strange made the following motion, which was seconded and passed:

"Resolved that the Diocese of East Carolina approve the Action of the National Council in inaugurating a plan of Evangelism and approves the use of the Radio and other media in furthering these plans."

REPORTS OF THE GOOD SHEPHERD HOSPITAL, NEW BERN

The following Reports were made by Mr. Issac H. Smith, Treasurer of Good Shepherd Hospital and Mr. Ossie T. Faison, Superintendent:

The Good Shepherd Hospital in New Bern, North Carolina was conceived in the mind of its founder, Rev. R. I. Johnson, in 1922, when after a disastrous fire, St. Cyprians, miraculously spared, was used as an emergency hospital. Mr. Johnson not only gave up his church to relieve those disaster victims whose need for hospitalization became apparent but also became Vice-Chairman for the Red Cross Disaster Committee which quickly formed to meet the emergency. During the use of the church as an emergency hospital, among the several babies born was one whose name became "Cyprian." Cyprian is now a man, perhaps with a family and when he visits the city he attends the church of his faith — St. Cyprians.

1947

Good Shepherd Hospital

There was no question as to the need of a hospital for negroes in New Bern. Facts gathered by reliable surveys disclosed by the records indicated the lack of hospital beds and facilities. The national ration then was one bed to every two thousand Negroes in East Carolina one bed to every ten thousand Negroes.

The Diocese of East Carolina under Bishop Darst gave encouragement and sanction to the building of a hospital. Archdeacon Johnson and the Rev. W. R. Noe set out to find the necessary funds. After a period of several years, with the approval of the National office, trips were made to Northern centers. In short, \$25,000 was given by the convocation of Chester, in Pennsylvania, in memory of Dean Benj. N. Byrd. Substantial amounts were available from the Duke Foundation and other sources. Thus finally, construction began.

In comparatively recent years the Federal Govt with its PWA facilities built a wing which gave additional beds, ward and a much needed nurses home.

No opportunity which would have aided and helped perpetuate the Good Shepherd Hospital seemed to have escaped these great leaders. They intended it truly to be a "House of Healing and Hope." Those of us who love this great church of ours know that its extensive work is with all people near and far

Are we not proud of the fact that the churches hospital work in East Carolina came long before the state and nation were prepared to do anything tangible about the health of its people or the lack of hospital beds and centers of healing?

Now that those who started this wonderful institution are no longer with us, a great challenge and a tremendous opportunity exists for all of us to see that the institution continues in a greater and bigger way in the healing of the sick and afflicted who are ever with us.

Report of the Good Shepherd

May

After almost ten years, buildings and equipment begin to show need of renovation and replacement; such is our condition. We invite you to stop by when possible. We solicit your interest and prayers To the splendid ladies of the Woman's Auxiliary. we express appreciation for all you have done. To the Bishop who has been a constant friend of the hospital from the very beginning, we ask Divine Guidance in the acceptance of these problems along with the many other duties his great office presents.

"Look down in Thy pity Lord on suffering humanity.

Touch their wounds, their hurts assuage, alleviate their agony . . . Friends and enemies united: Kindred in the pains they share. No man stands outside the circle of Thy mercy and Thy care.

Bless the nurses and the doctors. Give them all the strength they ask. Grant them courage and endurance for their great and noble task. Instruments of Christ's compassion in a world of pain and strife . . . Healing, helping and restoring giving hope and saving life.

REPORT OF THE GOOD SHEPHERD HOSPITAL TO THE
ANNUAL CONVENTION

Daniel Webster started a lot of trouble for lawyers when he said, "Darmouth is a small college, but there are those who love her." I would like to start something when I say, "The Good Shepherd is a small Institution, but there are those, of us, who love her."

For almost nine years the Good Shepherd Hospital has been carrying on the mission for which it was created — to bring the

1947

Report of the Good Shepherd

ministry of healing in a larger measure to a portion of the 300,000 Negroes in this Diocese, in the name of our Lord and His Church. All of us who have been in close contact with Good Shepherd Hospital, know that there has been a wealth of satisfaction, and that the institution has gotten under way so well and has met in such a splendid way, such a large measure of the need for this kind of service to humanity.

During 1946, we gave only 687 free days of care. These days were made possible by the many small donations from friends, here at home, and other parts of the country have come in to help us stem the tide. Among these friends, who have stood by us are branches of the Woman's Auxiliary of the Diocese of East Carolina. Besides the above mentioned thing, we have received many other gifts, which were timely and helpful.

The hospital staff served a total of 8,135 patients days during 1946—7,154 of these were classified as full pay days; 882—part pay days; 99—free pay days.

There are times when things at Good Shepherd Hospital look dark—but with the alertness of our Board of Trustees and behind us all has been the sympathetic encouragement of our Bishop, whose prayers and good wishes have made us feel we just had to get along somehow.

Today, after nine years of struggling, with many discouraging problems, with the enemy sometimes advancing even into our own forces, we can say, "Here we are, an Institution that is upholding the best and highest that we know in the world. This is an Institution equipped to fight in this modern warfare of diseases." Let us continue to support it.

REPORT ON THE UNIVERSITY OF THE SOUTH

Mr. David T. Oates, Trustee of the University of the South made the following report:

Bishop Wright and members of this Convention:

The true test of civilization is not the census, nor the size of the cities, nor the crops—no, but the kind of man the country turns out. When Emerson wrote these lines nearly a hundred years ago, America was groping for spiritual values that would overshadow and outbid a growing faith in size, power and number—a materialism that seemed to him to be our substitute for the ideal of individual human worth. Also, at this time, nine Southern Bishops meeting at an Episcopal Convention saw the needs, as Emerson did, of establishing a University to bring out the Christian character of the young men of their day. So, it was that idea of the University of the South was born in the year 1856.

The cornerstone of the University was laid on October 10, 1860, at Sewanee, Tenn., on a plateau in the Cumberland Mountains, and since that day the University of the South has been popularly known as Swannee. There is again a need to rededicate ourselves as our fore-fathers did to the American ideal of justice, dignity and the opportunity for the individual. We must plot a clear course out of the maelstrom of conflict, ignorance and suspicion that engulfs us. We must spread and strengthen our ideas of tolerance, understanding and fair play. Our philosophy and way of living did not burst forth full grown. They became a reality slowly through the devotion, the labor and philanthropy of our fore-fathers. Our preachers and teachers, our workers and businessmen, our farmers and scholars built them piece by piece.

Report on University of the South

In the past ten years our philosophers have taken a drubbing, the like of which the world has seldom seen. Not only the American ideal, but the humanistic core of western thought have been trampled in the mire, and flung contemptuously aside by the worshippers of power. To rescue our modern America from the illness of spirit into which it has fallen, to give back to our people, particularly our youth, the ideals and opportunities lost in war, to ennoble "the kind of a man the country turns out," the University of the South needs your help, in securing adequate endowment, and the funds for completing All Saint's Chapel, building the Gailor Memorial, which is to be the University dining hall and commons, and constructing the buildings necessary for a college of five hundred, a theological school of seventy-five, and an Academy of two-hundred and fifty. These two objectives are necessary. They must be attained if Sewanee is to live and play her part in the field of education. The time is at hand for Sewanee to do those things that have been left undone over the years.

Several years ago Bishop Darst appointed me a trustee of the University of the South. I had never been to Sewanee, so last year, when I received a letter asking me to attend a meeting of the Board of Trustees, I decided to go and see for myself just what our University was. I had visited many Universities throughout the Eastern part of the United States—Amherst, Williams, Colgate, Columbia, Harvard and Yale, as well as many of our Southern Colleges, but Sewanee on the mountain impressed me with its dignity, solitude, beauty, and enchantment of the past that is only felt in a hallowed place. Here conditions are almost ideal for the

pursuit of learning, for growth of mind and spirit, for enrichment of personality, for development of nobility of character. The University of the South regards as indispensable to the realization of its ideals of cultured and useful manhood, systematic courses of instruction in the Bible.

Report of the Woman's Auxiliary

It has always been my idea that the companionship and the friendliness that a small college can give to a young man is one of the greatest assets to his education. As is particularly noticed at Sewanee by the custom of the Dean entertainng every student in his home at some time during each year.

I hope some day soon that every member of this convention will visit Sewanee, and see and feel the friendliness and kindness that is immediately shown to strangers, that is so lacking in many places today. I am sure that you who go will want to return as I do to this beautiful University with its buildings of artistic design, constructed of stone from the mountain on which they rest. The campus is one of the loveliest in America with its winding walks, green grass, and majestic oaks. Close by is the mountain's edge with enchanting views of the valley below.

On the top of the mountain, just off the campus, overlooking the valley there is a huge cross that can be seen for miles, and is lighted at night, standing as a beacon to all, and casting its gleam over the mountain side. This cross was built by the young men of the University as a memorial to their comrades of World War I. Our beloved Bishop Wright helped lay these stones, when he was a student, and I hope that our people of East Carolina will help keep this light burning as a symbol of love for their Bishop, and interest in the young men of our nation. As a tribute to Sewanee's men of World War II, the tower on All Saint's Chapel will be memorial. Surely, there could be no more fitting way of showing respect to the boys of Sewanee, who gave their lives, in order that other young men might have the education that our fore-father's intended them. So, Bishop Wright and members of this Convention, I would like to beg of this convention the raising of our allotment from \$500 a year to \$850.

Finally, as there is no true progress without a goal, the University of the South states this to be the goal and objective of its effort in any and all of its departments: the realization of the Kingdom of God, which is the Kingdom of love, as interpreted in the life and teaching of Jesus Christ.

Mrs. W. O. S. Southerland made the following report:

REPORT OF THE WOMAN'S AUXILIARY 1947

Rt. Rev. Father in God and Members of the Convention:

Once again it becomes my duty and privilege to make an Annual Report of the work of the Woman's Auxiliary in this Diocese.

In our Church's Prayer Book sometime between 1400 and 1500 we find this petition in the Litany: "From ghoulies and ghosties and things that go woof in the night, Good Lord deliver us." One has only to sit in a Diocesan Convention today and hear what the Church is doing in the Community, the Diocese, the Nation and the World to see how very much the Church has advanced since the days when this petition was said by its members.

The work of the Woman's Auxiliary has also made many strides. I would like to quote from the address made by Bishop Thomas Atkinson at the convention in St. John's Church, Wilmington, May 1874: "I wish to direct your attention to a subject which may not be ready for immediate action on your part, but which deserves the thoughtful consideration of the Diocese as a unit, as well as of ourselves as individuals, that is, the expediency of providing for the organized services of women as helpers in the work of the Church. The general sentiment of thoughtful men, both in England and in this country, is clearly reaching the conclusion that by the neglect of such services we have shown ourselves inattentive to the teaching of Scriptures and antiquity, that we have thus buried a talent committed to our charge, and that, as it has been expressed by another, the Church has thus become maimed in one of her hands. The General Convention at its last meeting considered this subject most favorably, and appointed a joint committee of the two houses to report on it to that body when it shall meet again. The subject will then, no doubt, be acted on, and it is much to be desired that this Convention should come to some determined conclusion in regard to it; and if it should agree with that general sentiment of the Church, of which I have already spoken, that it should as soon as possible take measures to give the sentiment a practical shape." The committee appointed to consider that portion of the address of Bishop Atkinson referring to woman's work, respectfully reported: "Resolved: That it be recommended to the several Rectors of Parishes to avail themselves so far as practicable of the organized work of devout women."

When you hear the report of the work done by the women of this Diocese during 1946 I feel sure that you will agree that considerable progress has been made in Women's work since the Bishop made this plea and that the Church is richer for their organization.

Perhaps the best idea of the work can be obtained by referring to each department and showing its contribution to the work of the whole.

1947

Report of the Women's Auxiliary

Two splendid auxiliary Convocational meetings were held in the Fall with the Rev. Wm. J. Gordon Jr. of Point Hope, Alaska, as our missionary speaker. From the offerings of these two Convocations we had the joy of making a gift to Mr. Gordon of nearly \$350 for his work.

The work of the Department of Christian Education has gone forward steadily. Reports from many parishes show marked improvement in quality and quantity of work. The Educational Department underlies all the work of the Woman's Auxiliary. We realize that unless our women know the need and the way to meet that need they will not care. And so, in addition to the study of the Bible, the Prayer Book, Church History and other studies of this kind, the women have studied the Mission of the Church. We are certain that if the men of the Church were as well-informed about the mission fields of the Church as the women, there would be no such thing as deficits. A great deal of material on the General Convention and the Triennial Meeting was sent out in the Auxiliary Packet. Through this packet the women have the opportunity of learning not only Auxiliary work but the work of the whole Church in the whole world. Nineteen hundred copies of the Auxiliary Manual were distributed so that each woman might have a copy.

Under the Department of Christian Social Relations, the women have made real progress in studying the causes and effects of delinquency in their communities and have kept in close touch with social agencies, women of other churches, the schools and other interested citizens in an effort to formulate some preventive measure against crime among young people. Quite a few recreational projects for teen age groups have developed during the year as a result of this interest and cooperation. Under this department, the auxiliaries have distributed 2,965 used garments to the needy. New clothing and food valued at \$2,152 were given to community institutions and relief. Eight hundred and thirty dollars in cash was contributed to the Thompson Orphanage besides used clothing, Christmas gifts and contributions to the allowance fund. Building and Loan shares are carried by four auxiliaries to be given to children when they graduate from the Orphanage. Many auxiliaries contributed to the Presiding Bishop's Fund for World Relief and to the Reconstruction and Advance Fund. The total value of Christmas boxes filled by auxiliaries for homes and abroad amounted to \$1,816. Jails and county homes and hospitals

Report of the Woman's Auxiliary

May

were visited. Every auxiliary reports Red Cross work, assistance with such drives as Infantile Paralysis, Cancer, Tuberculosis, Red Cross and crippled children.

Under the Supply Department, the auxiliaries filled allotments sent out by the National Department amounting to \$828. From this department, money and gifts totalling \$1,087 were sent to Thompson Orphanage. Within the Diocese the Good Shepherd Hospital, Galilee Mission and the Inland Waterway Missions received supplies, old and new clothing and money valued at \$985. Various missions outside the diocese received a total of \$332.

The outstanding work of the Promotion Department last year was assisting the Board of the Mission Herald in the reorganization of that paper. This included numerous meetings, getting from each Parish a family list, and gathering news each month that would be of interest to the Woman's Auxiliary.

Through the Church Periodical Club, the women of the Diocese have sent out 22 magazines by subscription, 54 magazines remailed, 9,846 magazines distributed to hospitals and other institutions, 465 books added to libraries, numerous leaflets, newspaper supplements, greeting cards, pictures, games and scrapbooks.

Through our Personnel Chairman young people in the Diocese have had Church Work presented to them from both a professional and volunteer standpoint.

Last year our United Thank Offering came from every parish and mission in the Diocese where there is an auxiliary, and from several places where there are only three or four women and no organization. The United Thank Offering of the women of this Diocese for the year 1946 was \$6,776.19.

I am especially happy to report an increase in membership in the auxiliary—quite a large increase. This is due in great part to the fact that some of the auxiliaries have adopted the Unified Plan and it always seems to create enthusiasm and interest.

During 1946 the Woman's Auxiliary contributed (in actual cash) twenty-eight thousand dollars. This included the United Thank Offering. We have paid two hundred dollars toward the salary of the student worker at the college in Greenville—\$150 for her discretionary fund also. Fifty dollars to the United Youth Program—\$25 for training negro youth in the diocese \$100 each to China & Brazil, \$400 to Liberia, \$200 to Alaska. We have contributed to the American Church Institute for Negroes, Work Among the Blind and Deaf, Rec. and Advance Fund—\$50 for im-

proving a building at Camp Leach, \$50 for the Negro Church at Farmville—10 each for Christmas trees at Tar Landing, Calabash and Galilee Mission—Braille Fund, \$68 to the Lepers, \$50 to a Chinese Bible Woman, gave nearly \$900 to our Bishop's Fund, \$547 for a boys school in the Philippines and many other gifts too numerous to mention.

The Auxiliary stresses worship first of all—we stress study, service and sacrificial giving.

It is my earnest prayer that the women of this Diocese will realize the University of the Church, that they will try to see the viewpoint of peoples of other countries and think of Christian Education around the world rather than just in America—that they will gain a vision of the Ecumenical Church—that they will be convinced that mission work must be related to every aspect of life—that they will have a new fellowship and a new sensitiveness to the needs of the whole world—that they will learn to struggle to have a more sacrificial and Christian spirit and to develop a spirit of out-going love. That they will realize that the Church is one Church, God given, not man-made and that as God gave us the ideal so will He give us the power.

Respectfully submitted,
Mary Alice Southerland,
President Woman's Auxiliary
Diocese of East Carolina

REPORT FOR THE DEPARTMENT OF YOUTH

The Rev. John H. Bonner, Jr., made the following report for the Department of Youth:

To the Members of the Convention:

The following, I submit as the report of the Department of Youth for the year 1946. Periodic reports of this Department have been made at each meeting of the Executive Council as is customary during the year.

This Department has as its responsibility the promotion of work among Young People in every Parish and Mission in the Diocese. At the same time, this Department serves as a clearing house for all ideas and programs passed down by the National Division of Youth and the Provincial Youth Commission. Miss Mary Ann Campbell, of St. Peter's Church, Washington, who is chairman of the Youth Commission in this Diocese, is a member of both the National and Provincial Youth Commissions. This is the first time this Diocese has ever had a young person as a member of both the National and Provincial groups.

Department of Youth

May

This Department sets forth as its own program five major emphases in which every young person in the Diocese is given an opportunity to participate. These majors are: (1) The Feast of Lights (An Epiphany Pageant held in the Parish on the Sunday nearest the Feast of the Epiphany); (2) The Mid-Winter All Youth Rally (held last year in St. Mary's Church, Kinston with over fifty young people present; (3) The Nationwide Corporate Communion (held during the month of April with participation on the Parochial basis); (4) The All Youth Conference (held at Camp Leach during August when two representatives of each Parish and Mission are appointed by each clergyman to attend this special conference for the development of leadership); (5) Youth Sunday (held on the 3rd Sunday in October with a special service in each Parish in the morning and District meetings in the Diocese in the afternoon). The major work of the Department during 1946 centered around these events. We are encouraged with the fine response that has been encountered throughout the Diocese. Already this year a tremendous increase has been noted in the number now participating in this program.

This part of our work though is only a small portion of what we are trying to do for our young people. The Diocesan Organization for young people in the Diocese is the Young People's Service League. The Youth Department seeks in every way to aid in increasing the work of the Leagues. Two new leagues were started by the Department last year and several were reorganized. At the present time there are over twenty organized young people's groups in the Diocese. As Chairman of this Department it has been my privilege to visit in a large number of Parishes and Missions during the past year working with and talking to the young people. To further keep in touch with our young people, there is a representative on the Department from each of the eight Diocesan Districts which were set up to give us a key young person in each part of the Diocese.

Financially the Department is supported from the Diocesan Budget. The following financial statement is given for 1946.

Receipts:

Balance 1945	\$239.31
Diocese	300.00
Rebates	20.26
Total	\$559.57

1947	Department of Youth
Disbursements:	
All Youth Conference	\$150.00
National Convention	220.00
Commission Meetings	43.29
Travel (Chairman)	44.82
Telephone	16.78
Youth Materials	25.30
Total	\$500.19

The present balance as of January 1, 1947 is \$59.38. In addition we received from the Diocesan Woman's Auxiliary \$150.00 on October 30, 1946. This money is being held to defray the expenses of one of the young people who will attend the National Youth Convention in San Francisco in 1949.

This Department asks of the Diocese for 1947 \$450.00. This is asked to maintain the following Budget.

Department Meetings	\$ 50.00
Travel (Chairman)	75.00
Printing, Telephone, etc.	75.00
All Youth Conference	150.00
Provincial Conference (Kanuga)	75.00
Reserve Fund (Convention Delegate 1949)	100.00

The difference in this budget and the amount asked of the Diocese is the surplus in existence on December 31, 1946.

The Department appreciates the continued support of this Convention. I earnestly believe that we are doing a good job now with the young people of the Diocese. With your prayers and continued support, I am sure that we shall continually achieve great reward from working with these young servants of our Master's Vineyard. Our Young People have as their motto these words. "To Know the Christ and Seek to make Him known." Responding to this call as we pray that they shall in youth, will mean for us all an enduring world in the future.

Respectfully Submitted,

John H. Bonner Jr.
Chm. Dept. of Youth

Nominating Committee

May

Mr. W. M. Atkinson made his report as Chairman of the Nominating Committee which was adopted by the Convention.

The Rev. Richard C. Sturgis gave the following report of his work as Archdeacon of the Wilmington District:

I am often asked, "What is an archdeacon?" Well, in short, it is the Bishop's missionary in a certain area of the Diocese. Our Bishop appointed me to be the archdeacon of the Wilmington Convocation. I have been called everything from an "archdemon" to an Archbishop so in the course of time I have been accustomed to any name or title.

I had the supervision of the following churches on assuming my duties last October, and they are as follows: Wrightsville Sound, Southport, Tar Landing, Burgaw, Atkinson, Carolina Beach, Whiteville, Warsaw, Faison, Gaus Landing and Calabash, making a total of thirteen. At the present time this lineup has been changed, Faison has been taken over by the new Rector of the Church in Clinton, Warsaw at the present time is not active and the Rev. Mr. Pratt on assuming the rectorship of the church in Whiteville now has supervision of Gaus Landing and Calabash. The original total of thirteen has been reduced to nine.

With the aid of fifteen fine laymen in Wilmington, whom Bishop Wright had organized before I assumed my duties we are now having regular services in all of the churches except Burgaw and Atkinson. They have monthly services but it is hoped this situation can be remedied in the near future.

I would like to set forth six objectives we are working towards in each of these churches and to list some of the things that have been accomplished with brief comments.

(1) The institution of regular services: Northwest is a good example where this has proven most beneficial. For a period of 29 years Northwest had been accustomed to only one service per month, since October of last year they have been having regular Sunday services at a stated hour, attendance has improved, finances

1947

Report by Archdeacon

have become less of a problem and much work has been done on the physical structure of the church as these pictures will testify.

(2) Each church on a firm financial basis: Contribute towards the Archdeacons salary and meet their apportionment. Each mission has paid a portion of his apportionment and all are in a position at this time to meet the entire assessment. These eight churches are shouldering 64% of my salary and it is my hope by this fall they can shoulder an additional amount that should be beyond 80%. This job was created in a sense by your Bishop and Diocesan Treasurer as an act of faith and the above figures can justify their faith in these scattered churches. At the present time the Diocese is paying \$90.00 per month of a total salary of \$250.00.

(3) Repair Physical Property of the Churches: Atkinson is a good example of what can happen when services are held only occasionally over a period of ten years. This picture shows a roof in bad repair and a steeple that is about ready to topple over. This steeple has been repaired, a new composition roof has been put on and plans are now underway to paint it and install a satisfactory heating system. This congregation has 16 communicants and bids well to raise about \$900.00 this year for general improvements and current expenses. St. Andrews has a beautifully landscaped yard and a marl driveway. Plans are underway for other needed improvements. St. Philips, Southport, has funds on hand to build a parish house when conditions permit.

(4) Some organization in each mission. A Bishop's committee has been appointed or elected in each church. Plans are underway for a Woman's Auxiliary but it is still in the making.

(5) To make pastoral calls and know the communicants. In some of these towns visits from Episcopal clergymen have been very few.

(6) To organize confirmation classes, baptize etc. In the course of the year where practicable to conduct a mission. Two have been held for a week's duration and two more are now in the process of being set up in the near future.

Report by Archdeacon

May

May I express to our Bishop and his predecessor, Bp. Darst my undying gratitude for their fine spirit of counsel and advice which has been of untold value to me in this new field of endeavor. To the Reverend T. P. Noe for his helpfulness in steering me around the new field and our Diocesan Treasurer, Mr. Robert Strange for his kind expressions of confidence, patience and helpfulness at all times. To the Diocesan office, Miss Ann Barnwell, Miss Harriett Burgess and Miss Peggy Moore for their kindness and aid in simplyfying my work. To the fifteen layreaders in Wilmington for their spirit of loyalty and devotion to our church and their splendid cooperation and willingness and without it the job could not be accomplished. Last, but not least to Miss Jettie Odell and Miss Jocelyn Gordon who are devoting their time, talents and consecration to our work in the inland waterway missions. Their helpful attitude and assistance has been a source of inspirtion to me on all occassions.

Contacts around the Diocese leave me with many thoughts but one is always paramount in my mind. Our rural missions and parishes have given our city parishes many fine leaders. To relax our efforts in this direction would be a sad and costly mistake. We must become a rural church if we are to grow consistently in the years to come. Wherever I go I find a ready response to the churches appeal and with the proper work there is promise of a rich harvest in the years ahead. There is a fine spirit of optimism in this Diocese and we are blessed with fine Episcopal leadership. Working together and with far sighted vision there are new frontiers in this Diocese of East Carolina. Let us rise to meet the task.

Report on Camp Leach

REPORT ON CAMP LEACH

The Rev. John H. Bonner, Jr. Business Manager of Camp Leach, made the following report on Camp Leach:

Herein is my report on the operations of the Diocesan Camp at Camp Leach, covering the period October 15, 1945 to September 25, 1946. As in previous reports, I will make the following subdivisions:

- I—Total Expenditures
- II—Camp Operation
- III—Camp Attendance
- IV—Camp Leach Debt
- V—Capital Account
- VI—Needs and Recommendations

This indeed has been a very difficult year and it is with a great deal of regret that I report to you on the succeeding pages the very unpleasant news that we have sustained for the first time in several years a financial loss. Not only did we use our 1944-45 balance of \$605.41 but we had to borrow an additional \$1,000.00 from the Diocese of which only \$301.75 is left, and that portion very definitely ear-marked. I shall try to show in a more detailed way, the manner in which this loss occurred. I did though, want you to know from the beginning that we can't be too optimistic about the year's work.

On the other hand, I believe with all my heart, that the camp is recognized today by more people in the Diocese than at any time in its history. Every camp and conference this summer was I am sure a spiritual success. From the time the Adults came in on June 9th., until the Clergy left this morning, we have had many great experiences, that have indeed strengthened our spiritual convictions. The Directors and staff did a magnificent job and if there is any praise for the work done here this summer, it should be given to them. They did a noble job, one that will live long in the memories of those of us who had the privilege of being at Camp Leach in 1946.

Now on to the business at hand:

Report on Camp Leach

1947

Report on Camp Leach

There are several small accounts which have not as yet been paid since bills for them have not been rendered. The expenses of the Clergy conference just completed will be reported in next year's account.

The actual balance in the bank as of this date is \$312.75. The difference is due to the fact that three checks, drawn in 1944 have never been presented at the bank for payment.

ANALYSIS OF EXPENDITURES:**A—**

CAMP OPERATION: Of the amount reported as income \$8099.48 was the designated amount for the operation of the camp. This included \$7529.00 from camp fees, \$500.00 from the Diocese to be used to subsidize the Adult Conference, and \$70.48 as rebates for bad checks, telephone calls, and the balance in the Petty Cash account. Of the total amount reported for expenses incurred, \$8847.17 was spent in the direct operation of the camp for this fiscal year. In this category the Camp loss this year \$749.69.

B—

CAPITAL ACCOUNT: As in the last two years we again show a loss in this account. Unfortunately, we cannot say this year though, that it has been made up through operations. At the beginning of this fiscal year \$312.15 of last year's surplus credited to the Capital account. We received from the Parishes and Missions this year \$1490.00. We have spent in permanent improvements to the camp property this year \$2395.83. Thus in this account we report a loss which amounts to \$583.68.

C—

DIOCESE: We credited from last year's surplus \$76.72 to the Diocesan account since the monies received were technically earmarked to take care of two substantial debts. The amount mentioned above was the surplus after those debts had been paid. In February of this year we borrowed an additional \$1000.00 from the Diocese. This summer we also received \$500.00 which is the item in the Diocesan Budget for Camp Leach. The latter amount has been used in the operation of the Camp. The loan was used to take care of the losses incurred in the Operation and Capital accounts.

Report on Camp Leach

May

D—

CANTEEN: From last year's surplus \$62.34 was credited to this account. During the year \$920.83 was taken in at the canteen. When we consider the fact that spending there is limited, this is a very substantial figure. We paid out from the canteen for purchases \$756.47. There is a balance then of \$226.70 in this account which must be placed in the operational fund.

E—

OFFERINGS: By action of this committee, offerings received at Camp from all services must be set aside for definite religious purposes. The amount carried over in this account from 1944 & 1945 was \$154.25. The amount received this year is \$111.95. Thus the present amount set aside for religious purposes is \$266.20. Unless this committee designates a purpose for its use, this amount will continue on into the next year.

F—

PROVINCIAL ASSESSMENTS: By a resolution adopted at the last meeting of this Committee, a tax of 25 cents per camper was to be added to the registration fee of each camper as our part in the support of the Provincial Department of Christian Education. The amount collected for that purpose this year is \$73.50. This amount has not been paid as yet but will be sent shortly to the Treasurer of this Province.

This then is a summary of our yearly financial condition:

	Debits:	Credits:
1944-45 Surplus		\$ 650.46
Camp Operation	\$747.69	
Capital Account	593.68	
Canteen		226.70
Offerings		266.20
Provincial Assessment		73.50
Diocesan Balance (1945)		76.72
Diocesan Loan (February 1946)		1000.00
Totals	\$1341.37	\$1643.12

Thus the balance as reported is \$301.75. But a close examination of this table will show us that it is balance in name only, for all of it is designated, as to its definite use.

*The Surplus given above is not added with the credit account, as it has been divided in the amounts given there.

1947

Report on Camp Leach

II—CAMP OPERATION

A—

SALARIES: This item was considerably increased this year because of the increase given the caretaker. Our estimated budget for this item was \$1800.00. We actually spent \$1888.60. It was divided as follows:

Caretaker	\$ 500.00
Business Manager	163.10
Cooks	589.50
Secretary	76.00
Dietician	200.00
Dining Hall (Supt.)	35.00
Nurse	35.00
Canteen	157.00
Lifeguards	133.00
Total	\$1888.60

There are still considerable inadequacies in this item, I hope that in the next year, we can increase some of these salaries to commensurate for the work done by several members of the regular staff.

B—

INSURANCE: This item remains the same with one exception. We reduced the amount of insurance carried on the truck, since we did not use it as a common carrier. We also must increase our fire and windstorm insurance during the next year, to take care of the new infirmary. This increase will not be very great.

C—

TRANSPORTATION: I wish to call particular attention to this item. It soared nearly \$400.00 above the estimated figure carried in the budget. This was due to the fact that almost that exact amount had to be used to put a new motor in our truck. As much as I hated to make this move and put that much money on worn out property, it had to be done. This is the item that causes me much concern for the coming year. We must purchase a new truck and a new station wagon and it will call for a capital investment of at least \$2500.00. We cannot continue with the present truck. At the same time it isn't fair for the camp to wear out the personal cars of those in attendance here.

MISCELLANEOUS:

III—CAMP ATTENDANCE:

The following are the number in attendance at the Camps and Conferences this Summer.

Adult Conference	33
YPSL Convention	45
Senior Camp	53
Junior Camp	96
Midget (1)	88
Midget (2)	51
All Youth Conference	30
Laymen's Week-end	47
Clergy Conference	21
<hr/>	
Total:	464

The Directors are to report on Each Camp and Conference to this committee. I would like to say though that in my experience at Camp Leach, I have never witnessed finer camps and conferences than we had this summer. The attendance shows a definite increase over last year and the prospects for the future are most encouraging.

Report on Camp Leach

IV—CAMP LEACH DEBT:

The only payment made on this debt during the year was the interest. This amounted to \$120.00 and was paid last January. At that time the debt stood at \$3000.00.

In February of this year an additional \$1000.00 had to be borrowed to take care of running expenses. Since we have already noted the losses incurred this year, there is no further need for me to explain why this has not been repaid. At the present time the debt is \$4000.00 owed directly to the Diocese. Interest amounting to \$160.00 will be payable on December 31st, 1946. Unless we receive further gifts from the Parishes and Missions more money will have to be borrowed. This presents a real problem which I feel must be dealt with at once by this committee.

This Capital Fund is still falling short of the needs and expectations. We have asked the last convention of the Diocese to request that each Parish and Mission in the Diocese raise an amount equal to 5% of what they give to the Diocese for Camp Leach. Under ordinary circumstances this should give us \$2500.00 each year to spend on capital improvements. This ordinarily should be a sufficient amount but with the increased debt, and the needs already apparent for next year, we must have at least twice this amount to see us through. This Committee must decide upon further action now.

1947

Report on Camp Leach

VI—NEEDS AND RECOMMENDATIONS.

As I see it now, these are the needs for the coming year.

- 1—A substantial reduction of the present debt.
- 2—Purchase of a new truck and station wagon.
- 3—Moving Picture Projector, Camera and Equipment.
- 4—New Cots for the Barracks.
- 5—Additional Plumbing which includes a larger tank.
- 6—New roofs for Hostess House and Old Infirmary.

These are necessary items in next years program. There are other things that we need at camp but I believe that the items above represent the very minimum of what we must have before camp opens next year. This Committee must give its time and effort to these problems if we are to be successful. We are definitely known throughout the Diocese now. The right word at the right time, will be of great help to the Business Staff in providing the best for our Church in East Carolina.

It has been a privilege and pleaseure to serve as Business Manager for the past year. I hope to be able to give another year of two to this work. But I do think it wise for you all to start thinking in terms of new blood for this enterprize. It is getting to be too much of a job for a man with an active Parish. We will need very shortly a full time Manager to carry on this very important work.

JOHN H. BONNER Jr.

Church Pension Fund

May

In the absence of Mr. McC. B. Wilson, the secretary presented the following letter and report of the Church Pension Fund by title:

My dear Mr. Wilson:

It is the custom of the Church Pension Fund to write a letter each year to the proper official in each Diocese and Missionary District calling attention to the facts that may be of interest to the Convention or Convocation.

Beginning on January 1, 1947, pension assessments are payable at the rate of 10% of the compensation received by the clergyman, the previous basis having been 7½%. This step is unavoidable because of the continued low earnings on high-grade investments. Yields are at an all time low, and the outlook for improvement in this respect is not promising. It would be unthinkable to lower the scale of pension benefits in the future, and only the higher assessments can compensate for the depressed interest return.

The record of assessment payments by congregations of the Church has in the past been very close to 100%. There is no parish in the Church which does not currently pay assessments. The total paid in 1946 was \$1,300,000.

There is enclosed the schedule in your Diocese. Since the Fund started in 1917 it has paid out a total of \$27,800,000.00 in pension benefits. The present pension roll is \$1,400,000 a year, and the figure is increasing steadily. The current value of the pension promises held forth to the clergy as a result of their service in the Church up to the present time is somewhat over \$37,000,000. The Fund has balancing resources in hand.

The wholly owned subsidiaries of the Fund, namely The Church Hymnal Corporation, the Church Life Insurance Corporation and the Church Properties Fire Insurance Corporation, are fulfilling their function. Their respective services are offered to the Church at a lower cost than that at which such services are ordinarily available, and at the same time they represent sound investments of the Fund.

We take this opportunity of expressing the deep appreciation of the Trustees of the Fund for the Cooperation of the diocesan authorities and the parishes in this effort of the Church to make provision for the retired clergy and the widows and minor orphan children of clergy. If additional information is needed for your Convention, I hope you will let me know.

Very sincerely yours,

ROBERT WORTHINGTON

Notes on the Convention

May

The Secretary read the following telegram from Bishop Darst:

"Please convey my affectionate greetings to the Bishop, Clergy, and Laity of East Carolina in Convention assembled. May the Holy Spirit guide and inspire your minds and hearts as you plan for the extension of the Kingdom in and through our beloved Diocese. For the splendid leadership of our Bishop and the loyal cooperation of our people, I give thanks."

THOMAS C. DARST

The Bishop appointed Dr. J. Frank Duke of Washington and the Rev. George F. Hill of Elizabeth City to send a reply to the Bishop.

The following telegram was sent:

Rt. Rev. Thomas C. Darst, D.D.,
2521 Fairmont Blvd.,
Cleveland, Ohio.

"Telegram received. Convention delighted to hear from you. By rising vote we wish you God's richest blessings. Only regret your absence. Love and best wishes."

GEORGE F. HILL
J. FRANK DUKE

Mr. J. A. Moore, of Edenton made a motion that the Convention hear a report on the Commission on Evangelism. Passed.

The Convention adjourned at 5:00 P.M. to meet in the Church at 8 P.M. for Evening Prayer and an address by the Rev. George A. Wieland, D.D., of the National Council.

Thursday, May 15th, the Feast of the Ascension, there was a Choral Celebration of the Holy Communion in the Church at 8:00 A.M., Bishop Wright being the celebrant, assisted by the rector of the Parish and the Rev. Mortimer Glover.

The Convention convened at 10 o'clock following this service.

The Rev. James F. Ferneyhough, chairman of the Board of Managers of Camp Leach made the following report of the Board.

1947

Report on Camp Leach

ANNUAL CONVENTION OF THE DIOCESE OF
EAST CAROLINA

Bishop Wright and members of the sixty-fourth Annual Convention of the Diocese of East Carolina.

The Board of Managers of Camp Leach wishes to make a report of the activities of the Board in behalf of the Camp for the past year.

I was appointed Chairman of the Board by the Bishop and elected to that office by the Board last fall. The principal purpose of this Board during the year has been to consider the future of Camp Leach as a Diocesan center and to set up the Camps and Conferences for the summer of 1947. With the very valuable aid and interest of our Bishop together with the indispensable assistance of the several directors of the Camps, a fine faculty has been procured for each of the Conferences and Camps.

Through the very efficient effort of our Business Manager, the Rev. John H. Bonner, Jr., of Lumberton, the Camp has been put in condition for use this summer and various material necessities have either been provided or have been arranged so as to be of use when the Camp opens.

Upon the instructions of the Board, your Chairman has undertaken to raise funds for the purpose of buying new cots for the Camp. In behalf of the Cot Fund he has written to every Church School Superintendent in the Diocese, sending a copy of the letter to the Rector of the Parish. Your Chairman is glad to state that according to the report of the Business Manager, Mr. Bonner, the response to these letters have been good and the funds are in hand with which to pay for the cots which have already been purchased.

Your Chairman was also directed by the Board to write to each Parish in the Diocese acquainting them with the needs of Camp Leach for material improvement in the physical property and asking for contributions to the Capital Fund. This is the fund from which purchases of articles that are in the nature of permanent improvements are made from time to time during the year

Report on Camp Leach

as needed. It is rather unfortunate that up to the present time the response to this appeal has not been adequate. It was found necessary to purchase a truck or station wagon for the use of the Camp during the summer Conferences. It was hoped that the funds for purchasing this equipment would be forth coming making it unnecessary to go to the expense of borrowing money or financing the purchase of the vehicle. The funds were not forth coming and accordingly, it has been necessary to finance the purchase of the vehicle.

At a meeting of the Executive Committee and also of the Department of Finance, it was decided to place Camp Leach under the jurisdiction of the Department of Christian Education. This step was taken in order to simplify the administration of the Camp and to bring it within the category in which it belongs, namely, within the field of Christian Education.

Upon the advice of the Bishop and the decision of the Executive Council of the Diocese, a committee was appointed with Mr. P. B. Bateman as Chairman to investigate the needs of Camp Leach and to discover ways and means of making the Camp what it should be, namely, a valuable and adequate Diocesan center. Furthermore this committee, principally through its Chairman, Mr. Bateman, has brought about vastly improved conditions in the highway leading from the paved highway into the Camp.

Camp Leach will open with the Laymen's Weekend which begins on June 14th and will close with the All Youth Conference, August 17-22. One of the most important features of the entire program for the summer is the Clergy-Adult Conference conceived and arranged by our Bishop. It should be stated that Bishop Wright has taken great pains to make this one of the most important Conferences in the entire province. An unusually talented faculty has been acquired by Canon T. O. Wedel, Ph.D., Warden of the College of Preachers, Washington, D. C., and the Rev. Albert T. Mollegen, D.D. of the Virginia Theological Seminary. Our Bishop is to be congratulated upon his untiring efforts and his signal success in arranging this Conference.

1947

Report on Camp Leach

In closing, your Chairman wishes to express appreciation to all members of the Board of Managers for their fine energy and support in dealing with the affairs of the Camp during the past year and to our Business Manager, Mr. Bonner, for his splendid interest and efficiency in handling the many details essential to the operation of the Camp. And above all he wishes to repeat that the entire Diocese should be grateful to our Bishop for his untiring efforts in behalf of this Camp. It is doubtful that any Bishop in the entire Church has been beset with as many problems in one year as Bishop Wright has faced in this Diocese during the past year. How he has had time to adjust himself to all of these problems is a mystery to all who have watched him. But he has addressed himself with great success to these problems is a fact that is evident to all who have been cognizant of his work. And Camp Leach has profited greatly by his kindly and considerate attention.

It is the belief of your Chairman that this Camp should be made into a great and worthy Conference center for the Diocese. There has been some mention about relocating the Camp. If this is necessary then let us do it with skill and energy. But whatever decision we make with reference to the location of the Camp, let us be certain that we make this Camp what it can be made if we really set ourselves to the opportunity, and that is, one of the best Diocesan centers in the entire province.

RESPECTFULLY SUBMITTED

Notes on the Convention

May

The Rev. Mortimer Glover gave a report of the Committee appointed to present the advisability of holding the next Convention at the same time and place with the annual meeting of the Woman's Auxiliary. His report, which he admitted was his individual report was in favor of the proposition. The committee consisted of the Rev. Mortimer Glover, chairman, the Rev. Alexander Miller, Mr. Robert Strange, Mrs. W. D. McMillan, Mrs. Harry G. Walker, and Mrs. Louis Poisson. The men were appointed by the Bishop at a meeting of the Executive Council held in Wilmington February 20th 1947. The women were appointed at the annual meeting of the Woman's Auxiliary held in St. John's Church, Wilmington, January 22nd 1947.

Mr. Robert Strange, a member of the Committee, spoke against having the meetings at the same time.

After much discussion pro and con Mr. Algernon Butler moved that "It is the sense of this Convention that our Convention does not meet at the same time as the Woman's Auxiliary next year; and that consideration of the subject be postponed." This was seconded and passed.

The Rev. Mortimer Glover, speaking for the Committee to receive invitations to entertain the next Convention, reported that he had received such an invitation from St. Stephen's Church, Goldsboro, to meet in that Parish the 2nd Wednesday in May, 1948.

A motion to accept this invitation was made, seconded, and passed.

Speaking for Mr. W. D. Whisnant, Superintendent of Thompson Orphanage, Charlotte. Mrs. Whisnant charmed the Convention with her human interest stories concerning the Orphanage, and presented the Superintendent's report by title as follows:

1947

Report on Thompson Orphanage

REPORT OF THE SUPERINTENDENT OF THOMPSON
ORPHANAGE TO THE BOARD OF TRUSTEES

February 13, 1947

I am glad to bring you a report which, during a year of many obstacles, reflects progress and achievement. Our institution has been able to render help and service to the needy children under the auspices of the Episcopal Church of the state of North Carolina to the limit of our facilities and abilities. Our institution continues to rank with the best child caring institutions in the South due to the loyalty and interest of our churchmen and other friends. This support has been reflected in the type of boys and girls that we are caring for.

It is the policy of the Orphanage to offer our care to those children who need a home and training but are unable to secure help elsewhere. Although we have many requests for boarding home care which would pay a lucrative profit we feel the purpose of our institution is better met in answering the appeals of indigent children. The following outline shows in detail the distribution of the children cared for in 1946:

Entire State, capacity	90	Diocese of N. C., quota	56
Total cared for	94	Total cared for	59
Discharged	15	Discharged	8
Admitted	18	Admitted	12
Now here	79	Now here	51
Diocese of E. Caro., quota	26	Diocese of W. N. C., quota	8
Total cared for	22	Total cared for	13
Discharged	4	Discharged	3
Admitted	2	Admitted	4
Now here	18	Now here	10

During the school year 1945-46 we had seventy-nine Children enrolled in the Charlotte Public Schools. I am sorry to relate that our perfect score of the past three years was broken. We had two high school and one grammar school failure. Although we had three failures, the general average showed an improvement over the preceeding years. A number of our children were elected as class officers and one of our junior high school boys was chosen as best citizen of his class. We feel that our regular study halls

under the supervision of our cottage matrons are an important factor in the high scholastic record of our children. Of our two graduates, one has entered college and one is working as a secretary.

Dr. Hipp, Dr. Adams, and Dr. Houser work very closely with Miss Dorothy Killian, our nurse, in maintaining the good health of our children. Serious illness and accidents are cared for at the Memorial Hospital through the generosity of the St. Peter's Hospital Foundation.

Through the efforts of the members of the Executive Committee in 1942 a program of permanent improvements to the Orphanage plant was begun. During the past few years this continuing interest has resulted in outstanding developments such as three large, completely equipped "A" grade barns, a registered Jersey herd of seventeen milk cows, sixteen heifers, and one bull, a tractor, an insilage cutter, a tiller plow, a disc harrow, a hammer mill, a ton and a half truck, a wagon, a cyclone fence, a steel bridge, a completely equipped dining room and kitchen, a cold storage and freezing unit, and a hundred and sixty-nine acre farm.

Some progress has been made in the development of our new farm, Cedarbrook. Forty-eight hundred feet of terraces have been completed, reclaiming sixteen acres of eroded land. A dam has been constructed forming a two acre lake which has been stocked with fish. The lake is a source of pleasure as it affords us opportunities for swimming, boating, and fishing. The additional acreage enables us to grow feed for our chickens, hogs, and beef cattle.

Through the interest of our Orphanage boys in caring for the dairy herd we are provided an ample supply of milk and a surplus to place on the market. In 1946 we produced 11,846.3 gallons of milk—of this amount we sold \$2,179.21. The total amount of food produced on the farm here was \$10,174.63.

In our efforts to train the Thompson Orphanage children to become self-reliant, dependable men and women we depend wholly upon the loyalty and support of the members of the Episcopal Church in North Carolina, and through the interest you have shown in the past we feel confident that we can rely on you.

Respectfully Submitted,

M. D. Whisnant, Supt.

Notes on the Convention

May

The Rev. Bertram Cooper, Episcopal Chaplain at the University of North Carolina, made his report.

The following telegram was received by the Bishop from the Secretary of the Diocese of Western North Carolina, the Rev. James P. Burke:

"Diocese of Western North Carolina sends greetings to Diocese of East Carolina."

This telegram was read and accepted and the secretary asked to send an answer, which he did, as follows:

"Diocese of East Carolina reciprocates greetings from Diocese of Western North Carolina."

The Bishop established an Architectural Committee and appointed the Rev. Alexander Miller, Mr. James B. Lynch, and the Rev. Robert M. Kellerman as members of this Committee.

The Board of Examining Chaplains stated that they had no report to make.

The Rev. Stephen Gardner, acting as chairman of the Committee on Relations to and Communications from the General Convention, read the following report from the Secretary of the House of Deputies, and later notified the said secretary that he had so presented it:

Amendments to the Constitution Proposed at the General Convention of 1946, and to be Finally acted upon at the Convention of 1949

That amendments to the Constitution, as set forth below, were proposed to the General Convention, and be resolve thereof, were directed to be sent to the Ecclesiastical Authority of every Diocese and Missionary District, and to the Secretary of the Convention of every Diocese, and of the Convocation of every Missionary District, and to the Secretary of the Convention of every Diocese, and of the Convocation of every Missionary District, to be made known to the Diocesan Convention or the Missionary District Convocation at its next meeting:

Notes on the Convention

May

(1) Amend Article I of the Constitution as follows:

Amend the last sentence of paragraph 4 Section 4 by striking out the word "other" and substituting in place thereof "all of the negative," and at the end of said sentence add a new sentence which shall read as follows: "Where the vote of a Diocese in either order is equally divided, one-half of such vote shall be recorded as cast in the affirmative and one-half in the negative."

(2) Amend Article II of the Constitution as follows:

(a) Add the following new Section:

"Sec. 7. It shall be lawful for the House of Bishops to elect a Suffragan Bishop who, under the direction of the Presiding Bishop, shall be in charge of the work of those chaplains in the Armed Forces of the United States who are ordained ministers of this Church. The Suffragan Bishop so elected shall be consecrated and hold office under such conditions and limitations other than those provided in this article as may be provided by Canons of the General Convention. He shall be eligible as Bishop Coadjutor or Suffragan Bishop of a Diocese or he may be elected by the House of Bishops as a Missionary Bishop."

(b) Re-number the present Section 7 as Section 8.

The following was likewise adopted by both Houses:

Resolved, The House of Bishops concurring, that all alterations in the Constitution proposed at this General Convention be sent by the Secretary of the House of Deputies to the Ecclesiastical Authority of every Diocese or Missionary District, and to the Secretary of the Convention of every Diocese, and of the Convocation of every Missionary District, to be made known to the Diocesan Convention or the Missionary District Convocation at its next meeting.

Department of Evangelism

**THE REV. JACK R. ROUNTREE MADE THE FOLLOWING
REPORT — DEPARTMENT OF EVANGELISM**

Your department of Evangelism is of the conviction that the paramount need of the world today is for a clear-cut and fearless presentation of the claims of the Gospel of God to the consideration of all peoples that they may be led into such appreciation of the love of God as revealed in Christ Jesus that they may be influenced to try His way. Every other way has failed for a better world. In fact it would seem that all plans for world peace are failing because of the neglect to accord to God His rightful place in the life of the world. Instead of moving towards peace, we seem to be drawing farther and farther away from any feeling of goodwill for others.

It seems to us that the only hope does lie in the awakening of the Church to its sense of responsibility, and high privilege, to be the voice through which God may speak to man. The early Church went everywhere preaching the Gospel, convicting men of sin and persuading them to turn to God. It was their joy to tell the story of Jesus with such courage and audacity that men did cry out, "What must we do to be saved?". And the reply was ever "Repent and turn to God that your sins might be blotted out so that the Spirit of God might bring you a new fulness of life. And as they repented and were baptized, God added to the Church daily those that were being saved.

One noticeable fact about that early work of the Church was that preaching was not limited to the Apostles. but that every convert became an evangelist witnessing to what God through Christ had done with his own life. Changed men were able to speak of what they had themselves experienced, and were listened to, and their testimony carried conviction and won others.

Department of Evangelism

This is no time for an easy Gospel. Men still need to be convinced of sin, and of righteousness, and of judgment. No easy going social gospel, nor superficial program of education, is sufficient for today. Men must be led to face God. Men need to be gripped by God. And the Church must dare to stand with plumbline in hand and challenge man to measure himself by the Person of Jesus Christ.

It seems to us that this is an urgent necessity and can no longer be ignored. If the Church is the living body of Christ, of which every christian is a living member, then the Church must be the living embodiment of the spirit of Christ seeking to save the lost, and bring them to the Father. It is not the work of the clergy alone—it is the duty of every member to be an evangelist; proclaiming by word and life the call of Christ to take up the Cross, daily, and follow Him.

For this reason the department of evangelism wishes to suggest the following as a tentative program:

First—The Continuation of the clergy fellowship conferences and that Evangelism be the theme of the study and discussions this year.

Second—The development of a diocesan-wide campaign of evangelism, to be inaugurated in the fall, and that provision be made for the enlistment of every member of the Church in carrying it out. Our goal might be "One Win One" as we stress the importance of every christian being responsible for winning some other person for Christ.

It is not possible within the time limit allotted me to present an adequately prepared program at this time. So I suggest that the Department of Evangelism be asked to prepare a full and complete program and present it at some session of the clergy-adult conference for consideration and adoption.

Respectfully Submitted,

JACK R. ROUNTREE

Chairman Department of Evangelism

Notes on the Convention

The Convention proceeded to the nominations and elections of Delegates and Alternates to the Provincial Synod.

The Rev. Roscoe C. Hauser, Jr. offered the following resolution which was adopted:

Resolved that this Convention express its thanks to the Rector, and through him, to the congregation and friends, and to the Press, for their wonderful cooperation in making this Convention such a success.

A motion was made and carried that the Sexton of the Church be given \$5.00 for his service to the Convention.

The secretary was asked to send the following telegram to the Presiding Bishop of the Church:

"The Diocese of East Carolina approves the action of the National Council in inaugurating a Plan of Evangelism and is making plans to do its part."

This telegram was sent, and later the following reply was received from the Presiding Bishop:

Dear Mr. Gardner,

Thank you so much for your enheartening telegram on behalf of the Diocese of East Carolina in regard to the action of the National Council in inaugurating the Plan of Evangelism.

This gives us a real lift and I wish you to know how much it means to have the support of your important Diocese in this matter.

With warm regards,

Gratefully yours.

HENRY K. SHERRILL
Presiding Bishop

There being no further business, the Convention adjourned.

Secretary.

APPENDIX "A"

BISHOP'S ADDRESS

THE BISHOP'S ADDRESS — 1947

Brethern of the Clergy and Laity
of the Diocese of East Carolina:

"Grace be unto you and peace from God our Father and the Lord Jesus Christ."

It is with a profound sense of thankfulness that I welcome you to the Sixty-fourth Annual Convention of the Diocese of East Carolina and the second over which I have had the privilege of presiding.

The past year has been one of great joy and happiness to me and my family, and for this, first of all, I wish to express my sincere gratitude to you. I remember when I delivered my address last year I saw many new faces before me, and I felt in a sense that I was in the midst of strangers. This year, however, from looking over the list of delegates coming to this Convention, I know that this is not the case. Almost everyone here today as a delegate I believe that I know personally and can call a true and a trusted friend. Each day I thank God that in His Gracious Goodness He has seem fit to call me to this work to serve in this, my beloved section of His Vineyard. God grant that I may live up in some measure to the high calling and the noble tradition which has been handed down to me.

I cannot refrain from expressing my regret that our beloved Bishop Darst is not in attendance at this Convention today. His absence is due to a scheduled engagement Confirming in the Diocese of Ohio, an engagement which was only possible for him to keep during this month of May. I would like to say, however, that the Bishop has definitely consented to be present with us at the Convention next year and to take some important part in our Convention program. During this past year it has been a great source of comfort to me to have his loving counsel, his wisdom and uplifting inspiration. I thank God always for his life, his presence with us and his Christ-like influence.

1947

Bishop's Report

Since the last meeting of this Convention, four Clergymen canonically resident in our Diocese have passed into God's eternal Kingdom. Although the Rev. William H. Milton, D.D. had been retired for some years it is most fitting that this Convention take particular note of his death on June 26, 1946. Rector of St. James' Church, Wilmington, from 1909 to 1936, Dr. Milton had been many times a member of the Standing Committee and the Executive Council of East Carolina. He represented us as a deputy to many General Conventions and received the high and distinct honor of being elected to our National Council. He was the first Executive Secretary of the Field Department of the National Council. He will always be remembered whenever those of East Carolina come together.

On August 5, 1946, the Rev. I. Johnson's unexpected death came as an irreparable loss to our work in this Diocese and to Negro work everywhere in the church. My association with Archdeacon Johnson will always live with me, and I found no finer satisfaction in my work and ministry anywhere than his high-minded, cooperative spirit that rose above all barriers of color and distinction wherever two or three were gathered together in Christ's name. Archdeacon of the Negro work of our diocese, he served as Rector of St. Cyprian's Church, New Bern, and Superintendent of the Good Shepherd Hospital until the time of his death.

On February 16th of this year the Rev. John R. Tolar left us for God's Greater Work. He left a vacancy in many areas of our diocesan life and activity. For many years Chairman of the Department of Finance, he guided this diocese through calm waters and rough seas, and his keen business acumen served us faithfully and well. A great and kind Christian pastor and friend, he has left behind many who loved him dearly and mourn his earthly loss. For some years the Rev. Mr. Tolar was Priest-in-Charge of St. Phillip's, Fayetteville; St. Stephen's, Red Springs; and Christ Church, Hope Mills.

On March 24, 1946, the Rev. J. Stewart Braitwaite died after a long illness. He served faithfully his Lord for many years, serving in the Diocese of Florida, New Jersey and Georgia before coming as Rector of St. Joseph's Church, Fayetteville in 1935.

Bishop's Address

Although not canonically resident in this diocese, The Rev. Edgar Jones, who died April 9, 1946, rendered an outstanding ministry to St. Paul's Church, Beaufort, for many years after his retirement and residence in this diocese. I cannot let this address be made without some mention of this great Christian Preacher and Pastor who lived, served and died in our midst.

May they go from strength to strength in God's life of perfect

It is impossible in this address to give adequate recognition to all events of 1946, but I do want to call attention at least to renovations and improvements in the physical conditions of the following churches which have been brought to my attention. During the year 1946 St. Stephen's Church, Goldsboro, completely renovated the inside of the church, and the whole diocese is proud of this beautiful structure. Improvements were made during the past year and commendation should be given to St. Cyprian's Church, New Bern; St. John's Church, Wilmington; Emmanuel Church, Farmville; Galilee Mission, Lake Phelps; St. Thomas' Church, Atkinson; St. David's Church, Creswell; St. Mark's Church, Wilmington; and St. Matthew's, Yeatesville. Great progress has been made by Trinity Church, Lumberton, toward the erection of a new Parish House, and although work has not actually begun plans have been made, architect's drawings have been completed, and most of the funds necessary have been raised. This Convention should extend its hearty congratulations to the rectors and vestries of these churches.

LAY READERS

I wish in this address to pay special tribute to the splendid group of Lay Readers of East Carolina who have rendered such loyal service at a time when many of our churches were vacant and it was impossible to supply them with ordained men. Working this past year under the direction of the Rev. Richard L. Sturgis, Archdeacon of the Wilmington District, and with the coordinating efforts of Mr. E. Clark Adams, of St. James Church, Wilmington, a group of loyal laymen has served twelve churches around the vicinity of Wilmington. To our Lay Readers I feel more indebted than I can adequately express in this address today, and I wish at this time to commend them most sincerely and heartily.

Bishop's AddressMay

NEW CLERGYMEN

Since the last Convention of this Diocese, two new Clergymen have been officially transferred and have come into our Diocesan family. The Rev. Robert M. Kellerman, Rector of St. Paul's Church, Clinton and Priest-in-Charge of St. Gabriel's, Faison, and the Rev. Julius A. Pratt, Rector of Grace Church, Whiteville, and Priest-in-Charge of St. Andrew's, Calobash, and Gaus' Landing Mission. In addition to these two outstanding men I would like to announce that the Rev. Edward M. Spruill will become Rector of Grace Church, Plymouth, and St. Luke's Church, Roper, effective June 1st, and during the summer St. Anne's Church, Jacksonville, and St. James Church, Ayden, will be filled by a Seminary graduate who has decided to begin his ministry with us in East Carolina. This latter, I might say, is subject to the approval of our Standing Committee and Examining Chaplains.

During the past year and a half, with the inclusion of the names of the Rev. Roscoe C. Hauser and the Rev. Richard L. Sturgis, this will make six new Clergymen who have come into the diocese of East Carolina, and it gives me great pleasure to report officially at this time that this will fill all of the vacancies in the white churches in our diocese. I know that you feel as gratified as I do that this announcement can be made at this time.

NEGRO WORK

Following the announcement concerning our white work, I am sorry to report that although I believe that I have put greater effort in the task of securing new Negro Clergymen that we still have many vacancies in our Negro work. The whole Church is greatly handicapped at the present time by the serious scarcity of Negro Clergymen, which condition is acute throughout the country. As you will recall in my Convention Address of last year, Archdeacon Johnson and I frankly faced this situation and proposed new and unusual measures to meet this, in the establishment of a Lay Evangelist Training School in New Bern. All of my plans, as you will recall, centered around this great Negro Leader, and I regret to report that without him it was impossible to proceed as I had anticipated.

The physical equipment of many of our Negro churches is in bad condition, and although I have had some renovations done this past year, much thought and effort must be given to this during the coming year. Another difficulty has been the salaries of our Negro Clergymen. I am happy to report, however, that through the splendid cooperation of our National Council this salary level has now been raised, and I consider it entirely ade-

quate. I believe that within the next few months it will be possible to fill many vacancies in our Negro work, and in this area I feel highly optimistic for the first time since I have been attempting to fill our Negro vacancies.

The Good Shepherd Hospital in New Bern is continuing its useful ministrations to the sick and injured people of a constantly expanding area. Since the last Convention of this Diocese a new Superintendent has been secured in the person of a Negro layman, Mr. Ozzie Faison. I would like to commend the Chairman of the Board of the Good Shepherd Hospital, Mr. John Dunn, Jr. of New Bern, for his outstanding services during the past year. I wish to state frankly that the operation of the hospital from a financial standpoint gives us great concern at the present time, and I feel that it must be put upon a sounder basis. This is one of our great opportunities for service in East Carolina, and because of its need for financial stabilization immediately, I wish to ask your particular attention to the report of the hospital when it shall come up on the Convention floor during these days together.

CHRISTIAN EDUCATION

I know of no single phase of our church's life and activity more important than Christian Education and the work being done by our Church School Teachers and Pupils. During this Convention statistics will be presented on all phases of our diocesan activity, and you will note gains in every area except that of the Church School Teachers. During the past year we show a loss of ninety-three officers and teachers in our Church Schools, but a gain of thirty scholars. This area should never show a loss, but always a gain. The future of our church rests upon what is being done with our children and young people. In my address last year I mentioned the increasing use in the church of Visual Education. Throughout the country this is recognized as an almost necessary modern approach to the teaching of our children. I feel that every parish that can possibly do so should have equipment for Visual Education, and I earnestly urge our churches throughout the diocese to consider this matter and to give it some thought and study. During the past few months we have purchased the most modern equipment for Visual Education, to be owned by the diocese. It is to be used at Camp Leach in the summer, and we will be more than delighted to have it used during the winter in smaller places which cannot afford the purchase of visual education equipment.

Bishop's Address

May

I feel that one of the real needs of our diocese is a Director of Christian Education, and I would like to say at this time that in 1948 I wish to ask the diocese for permission to employ a woman as full time "Director of Christian Education" for the Diocese of East Carolina.

A great opportunity for the promotion of Christian Education is through Camp Leach, our Diocesan Summer Conference Center. Camp Leach is rendering a great and invaluable service to the diocese at the present time, and it is my hope to make our Summer Conference Center outstanding in the whole country. I would like to particularly call your attention to the Clergy-Adult Conference which will be held this June when a faculty will be present unexcelled in the whole Church. In keeping with my earnest desire to move forward in this area with a Conference Center, a special Evaluation Committee of Camp Leach was appointed last January by the Executive Board. Because of the great need for renewed emphasis in this area and the many financial needs of Camp Leach at this time I beg your earnest attention to the reports of Camp Leach when they shall be presented on the Convention floor.

WORLD RELIEF

Our Presiding Bishop's call to World Relief I ask your particular consideration of at this convention. I feel that our diocese will give wholeheartedly to this great humanitarian cause as generously as we gave last year for the Reconstruction and Advance Fund. Again I would like to commend St. James, Wilmington, for their unselfish generosity. During the year 1946, with our contribution to the Reconstruction and Advance Fund, East Carolina reached an all time high in its giving to the General Church, the diocese and others. Previous to this year the high peak for the diocese in its givings had been a little over sixty-nine thousand dollars in 1921; in 1946 our all time high was a little over ninety-four thousand dollars, including our gifts to Reconstruction and Advance. In heeding the call of our Presiding Bishop to World Relief let us ever be mindful of the injunction of our Blessed Lord "Inasmuch as ye have done it unto one of the least of these my Brethren, ye have done it unto Me."

1947

Bishop's Address

NATIONAL COUNCIL REPRESENTATIVE

A distinct honor came to East Carolina with the election of Mr. Champion McDowell Davis of St. John's Church, Wilmington, to the National Council. Mr. Davis is rendering a fine and outstanding service to the General Church at this time, and it is a source of great pride to East Carolina to know that the diocese is making a national contribution through this consecrated and

EVANGELISM

Those who have read the Church papers recently know that the Presiding Bishop and National Council are preparing to launch forth with a new emphasis upon evangelism throughout the church. They are seeking to do this because of its crying need everywhere. I feel that East Carolina should take full cognizance of this and should carefully analyze our own efforts, seeking what may be done in the months that lie ahead. I wish to call your particular attention in this regard to the area of Confirmations, hoping that we may strengthen our work here. During the year 1946 the number Confirmed in East Carolina was approximately four percent of our total diocesan communicant list. To make up this four percent the number Confirmed in our parishes and missions varied all the way from a high peak of approximately sixteen percent Confirmed in St. Paul's Church, Beaufort, down to approximately one percent. Some of the percentages are deplorably low. In talking and writing to Bishops and Rectors throughout the country I understand that they consider a normal expectation of Confirmations in parishes and missions to range between six percent and twelve percent of the communicant list of a church, and that they feel always that half of this number should be adult Confirmations. In keeping with our Presiding Bishop's call for Evangelism and the increase of communicants therefore I wish to ask your earnest and prayerful consideration of these figures." Looking toward the acceptance of goals for the coming year it is to be noted that the Methodist Church set a goal of one million new members during the year 1946 and that they actually obtained 1,050,889. This does not mean proselytizing on the part of the

Episcopal Church, as it is a well known fact that in all of our cities, towns, and communities there are many unchurched people, having no active affiliation. It is to this group that I believe Christ is calling us today in no uncertain terms.. This is a serious matter, my brethren, and let me say that I do not feel it to be a matter entirely for the Clergymen, but it should be on the hearts and minds of laymen and laywomen throughout the diocese as well, and it should be discussed in our Vestry meetings and in all of our Church gatherings.

ENDOWMENT FUND

As I near the close of this address there is one more vital matter which I wish consideration of in this Convention. Throughout the diocese at the present time there is a widespread feeling that the establishment of an Endowment Fund should be immediately created in the diocese. This has come to me from many sources during the year. In keeping with this therefore I hope our Chancellor will present during this Convention for the formulation of an Endowment Fund for East Carolina. I feel that the establishment of this fund is one of the most vital and important things that can be done by this Convention, and I ask for your earnest consideration, not only should this matter be presented on the floor by our Chancellor, but to the establishment of the whole plan throughout the diocese during the coming year.

As I close, my second address to you as Bishop of East Carolina, I am sure that I feel, as you do, the tremendous responsibility that rests today upon those of us in the world who profess and call ourselves Christian. The whole world is looking to America today and the hope of the world lies in the principles of Christ that have made America strong. Even deeper than this, however, is the faith by which we live and die—the faith in Jesus, the Divine Son of God—the faith that God has handed down to us, not to keep closeted within a little group, but to spread forth into the world, and in that task to give all that we have of body, soul and mind. To this evangelism I call this diocese in the days that lie ahead. I pledge to you my efforts as best I may; I call all of you, Clergy and Laity, to move forward in God's name, winning souls to Him who made us a promise, "If I be lifted up, I will draw all men unto Me."

God grant that East Carolina may lift Him up; God grant that East Carolina may draw many unto Him. Let us go forward seeking ever higher ground, as, "Workers together with Him" in the high calling of Jesus Christ the son of God. Amen.

Diocese of East Carolina
Wilmington, North Carolina.

Gentlemen:

We have examined the books and records of the Diocese of East Carolina, as maintained by the Treasurer, Mr. Robert Strange, for the year ended December 31, 1946. We have also examined the report as prepared by the Treasurer and hereby certify the correctness of the totals thereof subject to the comments of this report.

Gentlemen:

We have examined the accounts and records of various Trust Funds, as maintained by your Treasurer, for the fiscal year ended March 31, 1947, and submit herewith the results of such examination on the following Exhibits:

All Funds

Exhibit "B", Sheets 1 to 25

Our examination embraced the verification of all receipts, as shown by the books and records, and tracing same to the depository. All disbursements were made from the depository and supported by cancelled vouchers. Distribution of funds to beneficiaries of the particular fund were accepted as correct. Funds on deposit with the Wilmington Savings and Trust Company, Wilmington, North Carolina were reconciled with the records of the depository as of March 31, 1947. Securities, held for safe keeping in a safe deposit box at the Bank of Wilmington, Wilmington, North Carolina were inspected by us on May 6, 1947. Real Estate owned by the Trustees was accepted as correct and deeds were not inspected. Your attention is called to the comments, pertaining to real estate, in the audit report for the year ended March 31, 1946.

We have shown certain transfers within funds, particularly, with the Joint Bond Account, as memoranda under receipts and disbursements of the respective funds as actual receipts and disbursements in the Joint Bond Account.

During the year under review in New Bern, N. C. was sold to transaction were not available, at the time of our examination, the monies collected have been handled as a down payment on real

APPENDIX "D"

**BISHOP WRIGHT AND MEMBERS OF THE SIXTY-
FOURTH ANNUAL CONVENTION OF THE DIOCESE
OF EAST CAROLINA**

BISHOP WRIGHT AND MEMBERS OF THE SIXTY-FOURTH ANNUAL CONVENTION OF THE DIOCESE OF EAST CAROLINA

The Department of Christian Education of the East Carolina wishes to make a brief report of the activities of this Department for the past year.

In making this report I feel that I am breaking virgin soil. An examination of the Diocesan Journal for several years past fails to reveal a single report by this very important agency of the Diocese, Department of Christian Education. I take added pleasure, therefore, in presenting to this Convention the report of what should be one of the most active Departments of any Diocese. And I would premise my report with the observation that as strong as our Church is in so many respects, for some reason it seems to have fallen far behind our sister denominations in the very vital and important field of Christian, or Religious Education. Our Sunday Schools in the Church generally from nearly all reports are in most instances poorly attended. In many respects great difficulty is experienced in obtaining teachers. And the tragic truth of the entire situation is that our Church at large does not have a curriculum adequate to the needs of present day Christian Education, especially under the peculiar conditions attending nearly every Parish in the Church. These remarks and this report are now presented partly in hope that interest will be stirred in this Convention to begin a process which at least in this Diocese will undertake to correct a condition which badly needs attention.

Your Chairman was elected at the last annual Convention and in consultation with the Bishop, appointed the following members of the Executive Council to the Department: Rev. John H. Bonner, Jr. of Lumberton, Rev. E. F. Mosely of Kinston, Mrs. W. O. S. Sutherland of Wilmington, and Mr. P. B. Bateman of Plymouth. Since, according to our canon only members of the Executive Committee can be official members of the Department of the Christian Education, additional members to the Department have to be designated as Associate members. The Associate members so far appointed are Miss Hennie Long of Greenville and Miss Elizabeth Vann Moore of Edenton. These, together with the Bishop of our Diocese, make up the membership of the Department of Christian Education. It is intended, however, to have more representation within the Diocese, especially from a geographical standpoint and additional associate members will be appointed. Furthermore, it is planned to appoint additional officers within the Department in order to make the general setup of the Department correspond with that of the Provincial Department. Under this plan special Diocesan Chairmen have been or

will be appointed as follows: Chairman for Negro Education, Chairman for Christmas Box, Chairman for Church School Lenten Offering, Chairman for Birthday Thank Offering, and Chairman of the Guild of the Christ Child.

The Chairman takes pleasure in announcing the appointment of Miss Elizabeth Vann Moore of Edenton as Diocesan Chairman of the Guild of the Christ Child. This is a very important Department in the general work of Christian Education both in the Diocese and in the Parish. It is hoped that each Parish which has not already done so will appoint a Chairman for this work. The work corresponds generally to what is known in other denominations as the "Cradle Roll." The purpose is to minister to the children of the Parish from birth until they are ready to enter the Nursery Department of the Church School. Where it is done effectively this work can be of inestimable value to the Church School for it encourages a live interest on the part of the parents of pre Church School age children and is a valuable "feeder" for the School.

Under the active interest of our Bishop and responding to a suggestion which he made at the inception of the office as Bishop of this Diocese, this Department of Christian Education last fall inaugurated the first annual Church School training institute in the history of the Diocese. The first meeting was held at St. Paul's Church, Edenton for the convocation of Edenton, and second at St. James' Church, Wilmington for the convocation of Wilmington. The response in both instances was most encouraging. Nearly all of the Clergy of each convocation attended and cooperated in obtaining the attendance of their teachers. It is regrettable that an exact registration figure was not obtainable for both meetings, but there were more than one hundred teachers and Clergy attending the two meetings.

In as much as it is hoped that this initial institute is the fore runner of an annual institute of greater and greater importance to the Diocese, it is fitting and proper that we should list as a matter of Diocesan history the names of those who registered at the two meetings, together with the Church Schools thus reported. In the meeting of the Edenton convocation, the representation was as follows:

ELIZABETH CITY, Christ Church — Rev. George F. Hill, Mrs. Tom Weews, Mrs. W. M. Bruce, Mrs. A. W. Gard, Jr. WASHINGTON, — the Rev. Stephen Gardner, Mr. John G. Bragaw, Miss Frances Douglas, Mrs. Jessie Lathem, Mrs. A. T. Stewart, Mrs. Mary H. Respass, Mrs. Shaw Bonner, Mrs. C. A. Cutler; EDENTON, St. Paul's — the Rev. S. N. Griffith; GREENVILLE, —

The institute was presented by the Chairman and was conducted by Miss Frances Young of the Division of Christian Education of our National Council.

Unfortunately there were others who attended both meetings who failed to register their names and consequently they cannot be recorded in this report as they are unknown. The Bishop attended both meetings and Mrs. W. O. S. Sutherland, President of the

Report—Dept. of Christian Education

May

Woman's Auxiliary in the Diocese, also attended the meeting in Wilmington.

We are happy to report that the second annual institute is now being planned for this fall. This year we are fortunate again in obtaining the services of one of the staff of Christian Education Department of the National Council, she is Miss Charlotte Tompkins and one of the principal emphases she will make this year in conducting the institute is the use of Visual Education in Church Schools. Miss Tompkins is nationally known for her ability in the field of Christian Education and the Department is looking forward with a great deal of pleasure to her visit to this Diocese to conduct the institute next fall. Last fall we profited greatly by the splendid presentation which was made by Miss Frances Young of the very vital subjects discussed in the institute. Her particular topics included "Planning the Year's Program in the Church School", "The Techniques of Teaching — How to Make Lessons Interesting", "Church School Material And How to Use Them", "Visual Education in the Church Schools", and "Materials for Use During Lent."

An event of great importance in the general work of Christian Education in the Diocese took place last year when Miss Eleanor Synder came to St. James' Church, Wilmington, as full time Secretary of Christian Education. Miss Synder has done excellent work both in her own Parish and in other Parishes in the Diocese. Recently she assisted in promoting at the Good Shepherd, Wilmington, what promises to be a project of great assistance to the rural districts of our Diocese. A group of young women of that Church have under taken to set up a Church School correspondence course for children in the rural districts who do not have the advantages of regular sessions of the Church School on Sundays. This Department wishes to give this project every encouragement and anticipates that the work will do great good for many children who would otherwise receive little nurture in the field of Christian Education.

During the course of the year your Chairman of this Department attended two conferences of importance. First was the conference of the Diocesan Chairman of Christian Education which was held in Atlanta last fall. The specific matter presented at that time was the latest techniques in Visual Education. The second meeting was the conference of the Provincial Department of Christian Education meeting jointly with the Association of Diocesan Chairmen. This conference was held in New Orleans in February. The Rt. Rev. John Long Jackson, D.D., Bishop of

1947

Report—Dept. of Christian Education

Louisiana, made a generous and delightful host. and the conference will long live in pleasant memory on behalf of all who were fortunate to attend. The main theme of that conference was the importance of Summer Camps and Conferences in the field of Christian Education.

In closing the Chairman wishes on behalf of the entire Department to express appreciation to our busy and beloved Bishop for the intense interest and encouragement which he is exhibiting and giving to the Department in its work in this Diocese.

Respectfully Submitted,

James F. Ferneyhough, Chairman

**MEETING OF MEMBERS OF THE
EXECUTIVE COUNCIL**

MINUTES OF MEETING OF THE EXECUTIVE COUNCIL

In Christ Church, New Bern

A meeting of the Executive Council of the Diocese was held in the Rector's office, Christ Church, New Bern, October 18th, 1946, the Bishop opening the meeting with prayer.

Roll call showed the following members present:

The Rt. Rev. Thomas H. Wright, D.D., the Rev. Jack R. Rountree, the Rev. John H. Bonner, Jr., the Rev. Stephen Gardner, Mrs. W. O. S. Sutherland, Mrs. Baxter Moore, Mr. C. R. Wheatly, Mr. A. K. Barrus, Mr. Robert Strange, Mr. P. B. Bateman, the Rev. James F. Ferneyhough and Mr. J. K. Hofler.

The Rev. John W. Hardy, representing the Mission Herald, was present on the invitation of the Bishop.

A telegram was read from Mrs. Ward telling of her inability to be present.

Word was also received from Mr. Peter B. Ruffin that he would be unable to attend.

The Rev. James F. Ferneyhough, speaking for the Department of Christian Education told of the two Teachers Institutes which were held in the Diocese, and were conducted by Miss Frances Young of the National Council. He reported that 100 were present at these Institutes. He also stated that quarterly news letters on Christian Education would be sent to all the clergy and Church School Superintendents in the Diocese. The Bishop added that he hoped to have a full time Secretary of Religious Education in the Diocese before long.

The Rev. John H. Bonner, Jr., speaking for the Department of Youth, stated that there were three young people of the Diocese present at the Youth Convention held in Philadelphia at the time of the General Convention. He also stated that Miss Mary Anne Campbell of Washington, North Carolina was elected a member of the National Youth Commission; that Youth Sunday would be observed on October 20th; that there would be three District meetings of the young people, in Lumberton, in New Bern, and in Eden-ton; and that there would be an All Youth Meeting in St. Paul's Church, Greenville on January 31st and February 1st.

Mr. P. B. Bateman, chairman of the Department of Missions and Church Extension, stated that most of his work along that line had been concentrated on keeping his Church in Plymouth supplied each Sunday by different clergymen and layreaders; that in spite of the work he and the Bishop were doing to get a Rector for Grace Church, Plymouth, they had not yet been successful.

Speaking on behalf of the Department of Promotion, the chairman, the Rev. Stephen Gardner, stated that the Every Member Canvass material had been sent to all the Parishes and Missions, and that they were all informed as to the amount of money they were expected to pledge to the Diocese.

Minutes of the Executive Council

May

Mrs. W. O. S. Sutherland, chairman of the Department of Christian Social Relations, told of the work that Department was doing, and called upon the Rev. He stated that the Rev. Worth Wicker was acting as Priest-in-charge of the Ahoskie group of Churches; that four larger Churches were still vacant, Plymouth, Jacksonville, Clinton, and Whiteville.

The Rev. Jack R. Rountree and the Rev. John W. Hardy gave a report on the Mission Herald. They told how much they would need to continue sending the paper to every Church family in the Diocese. Mr. A. K. Barrus moved, and Mr. P. B. Bateman seconded a motion that was carried, that a Budget be prepared and presented to the Finance Department.

THE MINUTES OF THE MEETING OF THE EXECUTIVE COUNCIL

St. James' Parish House, Wilmington
February 20, 1947

A Meeting of the Executive Council of the Diocese of East Carolina was held in the Parish House of St. James' Church, Wilmington, on February 20, 1947. The Bishop opened the meeting with a prayer after which the Secretary called the roll.

Bishop Darst was present for a short time. He said how happy he had been the night before to assist the minister, Mr. Bonner, of Trinity Church, Lumberton, with the Lenten Service. "Just 32 years ago," said Bishop Darst, "I saw the fulfillment of a dream—the consecration of Trinity, Lumberton."

The minutes of the last meeting were read and approved.

There was a discussion of lengthening the time of the next Convention, to be held in Beaufort, North Carolina, in May. Mr. Ruffin moved that the Convention be lengthened to begin on Tuesday night, May 13th, for dinner, and adjourn on Thursday May 15th, at noon. Motion seconded and passed.

Mr. Wheatly moved that Bishop Wright go ahead with the Program. Seconded and passed.

REPORT OF TREASURER—Mr. Strange

Mr. Strange reported that the books reflect a healthy condition in the Diocese. The past year was a grand one, thanks to the people of the Diocese. He reported, also, that the Apportionments are being accepted at 6% over last year's figure. He stressed the im-

portance of having a definite basis on which to determine these Apportionments. Mr. Strange also discussed the question of the house at 1311 Chestnut Street now occupied by Mrs. W. R. Noe. This matter will be discussed at the Finance Meeting next week.

Mr. Ferneyhough asked if it would be out of order for the latest changes to be included in the Diocesan Canons. Mr. Glover moved that the Committee of Canons bring up-to-date the Canons of the Church and that the Secretary of the Convention make any changes in the Canons from year to year and print just the changes. Bishop Wright moved that the Secretary of the Board ask the Committee to bring the Canons up-to-date, but to wait until after the Convention to do this. Motion made and passed.

REPORT, CHAIRMAN of FINANCE DEPARTMENT—Mr. Ruffin

Mr. Ruffin, Chairman of the Finance Department, referred to Mr. Strange's report that the Diocese of East Carolina is operating in the black. He also referred to the financial condition of the Good Shepherd Hospital, and said that this would be brought to the attention of the Finance Department next week. An audit is being made of the Hospital's accounts, after which the Finance Department should call on the Executive Council for definite action in this case.

REPORT, DEPT. of CHRISTIAN EDUCATION—Mr. Ferneyhough

Mr. Ferneyhough stated that the main goal of his Department was a teacher's Institute to be held in the Fall. Mr. Glover extended an invitation for the Institute to be held at St. James.

REPORT, DEPARTMENT of YOUTH—Mr. Bonner

Mr. Bonner reported that the Young People's work is coming back to assume its proper place in the Diocese. He said that they were going ahead to increase the activities of the Youth in the Diocese.

REPORT, DEPARTMENT of MISSIONS—Mr. Bateman

Mr. Bateman reported that he had been trying to fulfill the duties of a Rector at Plymouth for the past twelve months, so he had little time for much else. However, he hopes to have something definite to report at the next meeting.

REPORT, DEPARTMENT of PROMOTION—Mr. Gardner

Mr. Gardner made a special plea to the Rectors to get in their Parochial Reports. He requested that they be in by February 15th at the latest, but on that date, less than ½ were in.

He also mentioned the Mite Box of the Church School and ex-

pressed the hope that, in time to come, these would be devoted to one particular thing, citing as an example, the United Thank Offering of the Women. Mr. Ferneyhough agreed with Mr. Gardner in this respect.

REPORT, DEPT. of CHRISTIAN SOCIAL RELATIONS

Mrs. W. O. S. Sutherland

Mrs. Sutherland gave a report of the meeting in Atlanta on the "Presiding Bishop's Fund for World Relief." This Drive is to begin on February 23rd and last through Whitsunday. It was estimated that the Diocesan share would be approximately one-half of its Quota (\$10,400.00) to the National Church, or approximately \$5,200.00. Bishop Wright asked Rev. John W. Hardy, of Williamston, who also represented this Diocese at the meeting in Atlanta, to serve as Chairman of the Fund, with the approval of the Executive Council. A special film, "Not By Bread Alone." is available for the Parishes to assist them in this Drive. Mr. Ferneyhough moved that the matter of presenting this to the Parishes be left in the hands of a committee composed of Bishop Wright, Mrs. W. O. S. Sutherland, and Mr. Hardy. Motion passed.

NEW MEN IN DIOCESE AND PRESENT VACANCIES

Bishop Wright reported that, last year, four new Clergymen had been secured:

- (1) Rev. Roscoe Hauser, Greenville.
- (2) Rev. R. L. Sturgis, Mission Field.
- (3) Rev. R. M. Kellerman, Clinton and Faison.
- (4) Rev. J. A. Pratt, who arrives on March 15th to assume his duties at Grace Church Whiteville, and our two Missions at Calabash and Gaus' Landing.

Only two vacancies are left among our white work:

- (1) Ayden and Jacksonville
- (2) Plymouth and Roper

At present, five vacancies exist in our negro work. However, Bishop Wright expressed the hope to have acceptances for these by the time of the Convention in May.

REQUESTS FROM MR. GAITHER

Rev. B. W. Gaither requested \$600.00 with which to start a new Mission in Hyde County and an additional \$500.00 to complete the Church at Swan Quarter, which has been in the process of completion for 20 or 30 years. Mr. Miller moved that the request from Mr. Gaither for \$600.00 for the new Mission in Hyde County Missions and Church Extension be referred to the Department of

for further study. Seconded and passed. The \$500 for Swan Quarter was left to the Bishop to handle as he feels that this is a definite need and that Swan Quarter should be finished .

Mr. Gaither also requested a Parish House (shack affair) for Galilee Mission. This request, too, was referred to the Department of Missions and Church Extension.

REQUEST, PAMLICO COUNTY

Bishop Wright met with a delegation of men in Aurora, who requested the opening of an Episcopal Church in Pamlico County, near the water. This, likewise, was referred to the Department of Missions and Church Extension, Mr. P. B. Bateman, Chairman.

REQUEST, MRS. GRIFFITH FOR ADDITIONAL STIPEND FOR COLORED KINDERGARTEN

Bishop Wright explained the fact that we operate a colored parochial kindergarten in Edenton. For running this kindergarten, Mrs. S. N. Griffith receives the stipend of \$15.00 per month. She has requested an increase in salary. Mr. Bonner moved that the matter be referred to the Department of Christian Education for further study. However, Mr. Ferneyhough moved that this be left to the discretion of the Bishop since it takes such a long time for such investigations and because of the high cost of living today. The motion was moved to leave this in the hands of the Bishop and for him to increase the stipend if he deems it necessary. Passed.

ARCHITECTURAL COMMISSION

Bishop Wright expressed the feeling that whenever any change in the architecture of a Church is made, a Commission should be called upon for advice. He was given the authority to appoint such a Commission, to which he named the following:

- (1) Rev. Alexander Miller, Chairman
- (2) Mr. James Lynch Wilmington
- (3) For the Woman's Auxiliary to investigate and find out a good woman interested in Church architecture.

NEW MARRIAGE CANON

Bishop Wright explained that some instructions on the new Marriage Law are now in the hands of the printer and will be gotten out as quickly as possible.

There was a discussion of the possibility of a joint meeting of the men and women of the Diocese. The following members of the Committee of the Woman's Auxiliary, appointed after the last Convention to discuss and study the possibilities of such, were present:

Mrs. W. D. McMillan, Wilmington

1947

Minutes of the Executive Council

Mrs. Harry Walker, Washington

Mrs. Louis Poisson, Wilmington

It was decided that a Committee of three men be appointed by the Bishop to keep in touch with the three women of the Auxiliary. The Committee would report at the Convention that we had discussed this question at this time, and they would find out the reactions from the Convention. The Committee appointed was:

Rev. Mortimer Glover, Chairman

Rev. Alexander Miller

Mr. Robert Strange

A letter received from Miss Anne Barnwell expressing her appreciation to the Executive Council for their gift of \$500.00 to her upon her retirement, was read.

A request from St. Clement's Mission, in Beaufort, that they be removed from the status of an "Unorganized Mission" and be made a "Parochial" Mission "of St. Paul's Church, Beaufort, was read. This action has already been approved by St. Paul's Church. Mr. Gardner moved that this brought to the attention of the Chancellor of the Diocese, Mr. Grimes.

Bishop Wright gave a brief discussion on the Good Shepherd Hospital. He commended the new Administrator, O. T. Faison, for his fine work. He mentioned the fact that the Good Shepherd Hospital is operating at a loss, which naturally throws it in the hands of the Finance Department. He has asked Mr. I. H. Smith, Treasurer of the Good Shepherd Hospital and Mr. O. T. Faison, Administrator, to appear before the meeting of the Finance Department next week.

Mr. Ferneyhough stated that he had been requested by the Camp Leach Committee to propose that this Committee function as part of the Department of Religious Education. Mr. Ferneyhough moved that Mr. Gardner refer this authority to the Chancellor of the Diocese and bring it back to the members of the Executive Council. Moved and seconded.

Mrs. Poisson inquired as to the type of insurance which should be carried on the Good Shepherd Hospital. Mr. Gardner replied that it has been incorporated (and same thing applies to Camp Leach), but he was requested to get Mr. Grimes to confirm this.

It was decided that the next meeting of the Executive Council be held on the 13th of May, the afternoon of the Laymen's dinner, at 4 o'clock, in Beaufort. Motion passed that this be carried out in view of the fact that the 15th is Ascension Day.

Mr. Gardner was requested to send suitable resolution to Mrs. John R. Tolar

APPENDIX "G"

REPORTS FROM THE CLERGY

The Rt. Rev. Thomas Darst, D.D., Wilmington, N. C.

Summary of my activities in the Diocese of East Carolina for 1946: Funerals 8, Baptisms 3, Wedings 7, Holy Communions 14, Confirmations 5, Sermons and addresses 35.

Outside of Diocese: Weddings 1, Holy Communion 1, Sermons and addresses 24, Confirmations 222.

Rev. Howard Alligood, Fayetteville, N. C.

I regret not being able to look forward to attending the Convention, for I certainly miss the fellowship of the Brethern since I had to give up attending the meetings of the Church.

I should especially enjoy being in Beaufort, at it is one of my favorite water-fronts.

Official acts for 1946: Baptisms 2, Funerals 4, Marriages 2.

Rev. J. M. Robeson, D.D., Orlando, Florida

There is a big place in my heart for East Carolina. God bless you in your great work there.

Rev. J. B. Brown, Washington, N. C.

My report has been made to the Secretary of the Diocese for St. Stephen's, Haddocks Cross Roads, for 1946. I visited the sick 45 times, and had the service of "Visitation of the Sick" for them. Celebrated Holy Communion 12 times. Preached 12 times at St. Stephen's. Marriages 6. Burials 8. Held services at the State Prison Institution. I have preached 8 special sermons.

Wallace I. Wolverton, Chaplain (Lt. Col.) USA, Scott Field, Ill.

My duties have taken more and more of an administrative form, and the exercise of my priesthood has been considerably circumscribed by the nature of my work. However, in a broader conception of the Sacred Ministry I believe I am doing the Lord's work in the place He seems to have called me to labor.

Rev. John Hartley, D.D., Kinston, N. C.

I make the same report as for the past several years, no official acts.

Rev. Wm. H. R. Jackson, N. C. Prison Dept., Raleigh, N. C.

My official acts for the year 1946: Services 160. Celebrations of Holy Communion 8. Funerals 2. Marriages 1. Baptisms 6.

C. McB. Davis spoke on the advisability of changing the Diocesan boundaries in the State after which Junius D. Grimes, Chancellor of the Diocese, presented the following resolution which was adopted:

RESOLVED:

THAT WHEREAS, there has for some time been discussion among the members of the Episcopal Church in the three Dioceses of North Carolina as to whether a change in the territorial limits of the three Dioceses would promote the best interest of the church and whether it would advance the work of the church to have two Dioceses instead of three Dioceses and whether if three Dioceses are retained, it would be better to change the dividing line between the Diocese of East Carolina and the Diocese of North Carolina and change the dividing line between the Diocese of North Carolina and the Diocese of Western North Carolina with the view of making the three Dioceses more nearly equal;

NOW THEREFORE, BE IT RESOLVED, that a committee of six male members from this Diocese, composed of three clergymen and three laymen, be appointed by the Bishop of this Diocese during this convention to meet with like committees from the other two Dioceses in this State at a convenient place in the Diocese of North Carolina at a time within the next ensuing four months, the time and place of said meeting to be fixed by the secretary of the Diocese of North Carolina and each member of the respective committee shall be given not less than two weeks written notice of the time and place of meeting. Said committees shall jointly discuss carefully all phases of this matter and acting as one committee shall make recommendations to the three Dioceses within thirty day after the adjournment of said conference for such action as they think will best promote the interest of the Church in this State. Said recommendations to be sent promptly to the Bishop of each of the three Dioceses to be considered by the Dioceses respectively at their next Annual Convention.

After its adoption the following telegrams were ordered to be sent:

Diocese of East Carolina in Convention this morning adopted unanimously, without change, resolution which Mr. Grimes sent to Mr. Van Winkle. This permits cooperation between Committees from the three Dioceses to extent that Conference can be arranged. Hope your Diocese will pass similar resolution passed by Diocese of North Carolina yesterday.

C. McD. DAVIS.

The Bishop read his Annual Address. (See Appendix "A".)

The following Committee was appointed to bring to the attention of the Convention recommendations made by the Bishop in his address: Fred L. Outland, Walter Hatch, Jr., and Rev. Mortimer Glover.

Upon nomination by the Bishop, Junius D. Grimes was re-elected Chancellor of the Diocese for the year 1948-49.

C. McD. Davis gave his report as member of the National Council.

Junius D. Grimes, Chancellor of the Diocese, read his report which was as follows:

REPORT OF THE CHANCELLOR

The undersigned as Chancellor of the Diocese of East Carolina respectfully submits this as his report to the Sixty-fifth Annual Convention of the Diocese:

(1) There have been very few questions to arise relative to the marriage of divorced persons in this Diocese during the past year. The Canons passed covering this matter at the last General Convention appear to meet with general favor.

(2) I have had occasion to draw several conveyances for the sale of property by the Trustees of the Diocese.

(3) I served as one of the members of a committee of three on the relation between the Diocese and the Good Shepherd Hospital of New Bern and the committee made recommendations which I believe will clarify all questions that might arise under the existing relationship.

(4) I have made recommendations to the Committee on Canons for the adoption of certain amendments. These recommendations are not radical in their nature, but simply clarify certain paragraphs

in the Constitution and Canons, the meaning of which is not now entirely clear. This matter will be presented in detail in the report of the Committee on Canons.

(5) I had the pleasure of going up to the Episcopal Seminary at Alexandria during the month of April. The information given myself and others by the authorities up there was startling in its nature and calculated to arouse the average layman from a condition of complacency as to the future of the Church. The condition of this Institution, I understand, will be presented in detail to the Convention by a member of its faculty.

(6) The last Convention directed that the Constitution and Canons and Rules of Order be brought down to date and printed in permanent form under the supervision of the Chancellor and the Secretary. After considering the matter, it was thought best not to have the new editions printed until after the pending Convention in order that they might embody all changes made by this Convention. The Bishop approved this action in view of the fact that the new edition is expected to last for seven or eight years.

Respectfully,

JUNIUS D. GRIMES, Chancellor.

May 12, 1948.

The Rev. Chas. E. Williams, a member of the Committee on The State of the Church, made a short verbal report, stating that because of the inability of the Secretary to get the Parochial Reports from the Clergy and Vestries on time, no study on the State of the Church in the Diocese could be made.

He reminded the Clergy and lay members of the Convention of the Canon which governs the making of these reports, stating specifically that it is the joint duty of the Clergy and Vestries to see that these reports are made and that they are sent to the Bishop or to the Secretary of the Diocese on or before the 1st day of February each year.

The Report of the Standing Committee was read by John G. Bragaw, secretary of the Committee, as follows:

REPORT OF THE STANDING COMMITTEE OF THE DIOCESE OF EAST CAROLINA FOR THE CONVENTION YEAR 1947-1948

**RESOLUTION: TO THE ESTABLISHMENT OF A COMMISSION TO
PROJECT A PROGRAM FOR MISSIONS FOR THE
DIOCESE OF EAST CAROLINA**

WHEREAS: The Diocese of East Carolina is essentially a rural Diocese, and

WHEREAS: The financial condition of the Diocese is endangered always by the high percentage of Missions which must be supported in the Diocese by a very small number of Parishes, many of which would have to revert to mission status should we be faced with another depression, and

WHEREAS: There is no program in the Diocese for the development of new work in our Mission fields, nor are there any monies specifically designated year after year for such work.

BE IT RESOLVED, THEREFORE, THAT THIS CONVENTION TAKE THE FOLLOWING ACTION:

1. That a Commission on Mission Planning and Strategy be appointed by the Bishop to serve for a period of one year, this Commission to be composed of nine members. The Bishop of the Diocese shall be a member of this Committee but only one member of the Executive Council and one member of the Department of Finance may serve thereon.

2. It shall be the duty of this Commission:

A. To make a thorough survey of each mission field and mission Church in the Diocese, this survey to include a history of the Church for the past forty years.

B. To make a survey of all towns and rural communities in the Diocese where there is at present time no Episcopal Church.

C. To present to the 1949 Convention a ten-year program of development for Mission work in this Diocese. In that report they will set forth:

i. The proper arrangement and groups of the Mission Churches in the Diocese so that the full services of the clergy may be obtained.

ii. Specific recommendations as to those few towns and rural communities in the Diocese where immediate grants should be made for the rapid development of a field or Church.

Resolutions

iii. A system of incentives to encourage all Missions to strive year after year for self-support.

iv. An equitable plan for providing the travel expense for Missionary Clergy in a large field.

3. That this Commission is to be appointed at the Convention and is to begin work immediately so that its duties will be completed by one year from this date.

4. That this Commission must report to the Bishop and Executive Council on or before April 1, 1949. This report is then to be printed and sent to the members of the 1949 Convention at least two weeks before that Convention is to be convened.

5. That the Bishop shall be requested to reserve at least two hours on the 1949 Convention program for a full discussion of this Committee's findings and recommendations.

6. That this resolution is in no way to effect the normal functioning of the Executive Council, the Department of Mission and Church Extensions, or the Department of Finance.

Mr. Peter B. Ruffin made a motion that this resolution be referred to the Executive Council of the Diocese with a recommendation that the Executive Council give it careful study. This was adopted.

Mr. Junius D. Grimes, Chancellor of the Diocese, presented the following resolution, which was unanimously adopted:

RESOLVED:

THAT WHEREAS, the maintenance of the Episcopal Seminary at Alexandria, Virginia, at its present high standard of religious education and Christian character is necessary to train ministers qualified to carry on the work of the Church in the Diocese of East Carolina and elsewhere in the nation; and

WHEREAS, there are now in the Diocese of East Carolina eighteen of the graduates of this institution; and

WHEREAS, this Diocese is vitally interested in the welfare of this Seminary; and

WHEREAS, this institution is now in great financial distress and cannot continue to function at its present standard of religious learning and leadership without help from this Diocese and other Dioceses of our Church; and

WHEREAS, the Diocese of East Carolina is anxious to do its full share in contributing to the physical equipment of this institution:

NOW THEREFORE, we the Diocese of East Carolina, in convention assembled, do hereby request the Bishop of the Diocese at this convention to appoint a committee of one as Diocesan Chairman to take charge of a campaign to raise the sum of \$15,000.00, including the contributions already made by members of this Diocese for that purpose, for the construction, and repairs to the buildings and other

physical property of the said Episcopal Seminary. The Diocesan Chairman so appointed by the Bishop shall have authority to appoint a sub-chairman in each Parish and Mission to take charge of the campaign in his Parish or Mission, and the Diocesan Chairman shall make his report at the next annual convention of this Diocese, showing the results of the efforts of himself and his sub-chairmen.

**CANON PROPOSED TO BE SUBMITTED TO THE CONVENTION
OF THE DIOCESE OF EAST CAROLINA FOR ITS ADOPTION IN
LIEU OF CANON 24 AS NOW EXISTS "OF THE
CHURCH PENSION FUND"**

The Committee on Canons submits the following:

That Canon 24 as it now exists is repealed and in lieu thereof there is substituted the following:

Sec. 1. In conformity with the legislation adopted by the General Convention of 1913, pursuant to which The Church Pension Fund was duly incorporated, and in conformity with the Canon of the General Convention, "Of The Church Pension Fund", as heretofore amended and as it may hereafter be amended, the Diocese of East Carolina hereby accepts and acknowledges The Church Pension Fund, a corporation created by Chapter 97 of the Laws of 1914 of the State of New York as subsequently amended, as the authorized and approved pension system for the clergy of the Protestant Episcopal Church in the United States of America and for their dependents, and declares its intention of supporting said Fund in accordance with its Rules.

Sec. 2. The Bishop of this Diocese shall appoint annually during the opening of the Convention a committee of the Church Pension Fund to consist of three presbyters and two laymen, for a term of one year and until their successors shall have been appointed or qualified, and the Bishop may from time to time fill by appointment any vacancies in said Committee caused by resignation, death or inability to act.

Sec. 3. The duties of said Committee shall be as follows:

(a) To be informed of, and to inform the Clergy and laity of this Diocese of the pension system created by the General Convention and committed by it to the Trustees of The Church Pension Fund, in order that the ordained clergy of the Church may be assured of pension protection for themselves in the event of old age or total and permanent disability and for their widows and minor orphan children in the event of death.

(b) To receive reports from The Church Pension Fund from time to time, on the status of the pension assessments payable to said Fund, under its Rules and as required by Canon Law, by this Diocese and by the parishes, missions and other ecclesiastical

organizations within this Diocese.

(c) To make an annual report to the Convention of this Diocese on such matters relating to The Church Pension Fund as may be of interest to the said Convention.

(d) To cooperate with the Church Pension Fund in doing all things necessary or advisable in the premises to the end that the clergy of this Diocese may be assured of the fullest pension protection by said Fund under its established Rules.

Sec. 4. It shall be the duty of this Diocese and of the parishes, missions and other ecclesiastical organizations therein, each through its treasurer or other proper official, to inform The Church Pension Fund of salaries and other compensation paid to clergy by said Diocese, parishes, missions and other ecclesiastical organizations for services rendered, currently or in the past, prior to their becoming beneficiaries of said Fund, and changes in such salaries and other compensation as they occur; and to pay promptly to The Church Pension Fund the pension assessments required thereon under the Canon of the General Convention and in accordance with the Rules of said Fund.

Sec. 5. It shall be the duty of every clergyman canonically resident in or serving in this Diocese to inform The Church Pension Fund promptly of such facts, as dates of birth, of ordination or reception, or marriage, births of children, deaths, and changes in cures or salaries, as may be necessary for its proper administration and to cooperate with said Fund in such other ways as may be necessary in order that said Fund may discharge its obligations in accordance with the intention of the General Convention in respect thereto.

We ask that unanimous consent be given to the passage of the amendments and additions to the canons as above set out on this the day on which they are proposed, and that a similar consent be given to the passage of such canons and amendments without previous reference to a committee, all as provided for in Article XIV of the Constitution.

Respectfully submitted,

**TO THE RT. REV. THOMAS H. WRIGHT, BISHOP OF THE DIOCESE
OF EAST CAROLINA, AND THE MEMBERS OF THE SIXTY-FIFTH
ANNUAL CONVENTION OF SAID DIOCESE**

The Committee on Canons of your Diocese begs to submit the following report and recommendations for certain changes in the provisions of the constitution and canons and additions to them:

(1) That Article 3 of the constitution be amended by striking out the words "on the fourth Wednesday in January" in line four of said section and at the end of said line after the word "such" add the words "time and", so as to make said section read in full as follows:

"Section 1. There shall be an annual convention to meet within

the Diocese at such time and place as may be determined by the preceding convention, or in the event of no such determination, at such time and place as may be agreed upon by the Bishop and standing committee or appointed by the standing committee in case of the disability of the Bishop or a vacancy in his office."

(2) Amend Section 1 of Article IV of the constitution by adding at the end of said section the following: "And if there be none such present, the convention shall elect its presiding officer."

(3) That Section 2 of Article IX of the constitution be amended by striking out the word "convention" in line 2 of Section 2 and substituting the word "constitution". (This is obviously a typographical error.)

(4) That subsection 3 of Section 1 of Canon 9 be amended by striking out the words added at the end of paragraph 3 by the amendment at the convention of 1945 and in lieu thereof insert the following:

"The six clergymen and the six laymen composing a part of the executive council shall be divided into three groups, each group consisting of two laymen and two clergymen. Group number one shall be elected for one year. Group number two for two years and group number three for three years, and at the end of the term of each group, their successors shall be elected for three years, the purpose being that at all times there shall be on the executive council four clergymen and four laymen who have had one or more years experience as a member thereof. No clergyman or layman who has served on the executive council shall be eligible for re-election until one year after the expiration of his existing term."

(5) Strike out Section 1 of Canon 23 relating to the Bishop's salary and insert in lieu thereof the following:

"The salary of the Bishop of the Diocese for the twelve months next ensuing after January 1, 1949, is hereby fixed at \$6,500.00, to be paid in twelve equal monthly installments. Thereafter, the salary of the Bishop shall be not less than \$6,000.00 nor more than \$8,000.00. The department of finance shall each year at its meeting next preceding the annual Diocesan convention consider the proper amount of salary within the above limitations to be paid to the Bishop for the next twelve months beginning on the first day of January following the adjournment of the annual Diocesan convention, said salary to be paid in twelve equal monthly installments and said department of finance shall report its recommendations to the said convention for its consideration and decision and the amount of said salary for said period shall be fixed by said convention. The salary as above determined includes all income received from the Bishop Watson Fund for the support of the Episcopate."

(6) Amend Canon 10 by striking out at the beginning of said canon the words "at each annual convention there may and" and by adding to the said canon at the end thereof the following: "At each annual convention there shall be elected six clergy delegates and six lay delegates and six clergy alternates and six lay alternates to attend the provincial synod as a representative from this Diocese. These

delegates and alternates shall have the same qualifications as the deputies to the general convention and shall be elected in the same manner."

(7) There shall be provided by the secretary of the convention three official copies of the constitution, canons and rules of order as they now exist. Each certified by said secretary that it is a correct copy. One shall be delivered to the Bishop of the Diocese, one kept by the secretary of the Diocese and one delivered to the chancellor of the Diocese and as changes are made from time to time certified copies of said changes shall be furnished by the secretary to each of said officials to the end that there shall always be preserved for the use of the officials of the Diocese three sets of these documents. This shall be canon 30.

(8) Amend the rules of order by adding the following:

"Where a question arises which is not controlled by any of the existing rules or order, the Diocesan convention shall follow the rules of the general church pertaining to said question and if it has no rules applicable thereto, then the Diocesan convention shall be governed by the current edition of Robert's Rules of Order. This shall be known as Rule No. XXII."

We recommended that the foregoing amendments to the constitution be approved by a majority of the present convention and then submitted to the next convention and if then approved by a majority of each of the two orders present, they shall become parts of this constitution provided the number of parishes voting shall be not less than fifteen, all as provided for in Article XV of the constitution.

We ask that unanimous consent be given to the passage of the amendments and additions to the canons as above set out on this, the day on which they are proposed, and that a similar consent be given to the passage of such canons and amendments without previous reference to a committee, all as provided for in Article XIV of the constitution.

Respectfully submitted,

GEO. F. HILL, E. W. HALLECK,

JUNIUS D. GRIMES, H. E. RODGERS.

Mr. Peter B. Ruffin, chairman of the Department of Finance, moved that the Budget, as presented by his department, be adopted. It was unanimously adopted. (See Appendix "E".)

Mr. Ossie T. Faison, superintendent of the Good Shepherd Hospital, New Bern, made the following report:

REPORT OF THE GOOD SHEPHERD HOSPITAL TO THE ANNUAL CONVENTION MAY 12, 1948

Rt. Rev. Bishop Wright, members of the Convention, and friends. Today, it gives me great pleasure to give you some of the high-

1948

Resolutions

lights of the work at Good Shepherd Hospital during the calendar year of 1947.

"Bricks, stones, and mortar do not make a Hospital.

But rather, a hospital is a humanitarian institution; where the spirit of team work, sympathetic understanding, and community service is reflected in its personality."

All of the above mentioned items fully describes The Good Shepherd Hospital. Therefore, it is our task and opportunity to build on this foundation that has been constructed so well during the past ten years.

The year of 1947 marked another milestone for Good Shepherd Hospital. During the year, more than ever before, the community and friends from far away joined together in the support of the Hospital's program. Much of our work has been made possible by that most important group which we call "Friends of the Good Shepherd Hospital." It is these people, in the various parts of the country and the Diocese, who make small contributions from time to time, who make it possible for us to carry on. Contributions in the form of linen and general hospital supplies have come in considerable abundance from the Women's Auxiliary of the Diocese of East Carolina. More and more people from the parishes and missions in the Diocese visited the hospital and gave us great encouragement by their interest.

In the year of 1947, there were 825 patients admitted and a total of 122 new borns delivered in the hospital. This represented a total of 7,441 days of care. There were a total of 296 major operations performed.

Good Shepherd Hospital has many deferred maintenance problems. However, during the year, with the help of the Diocese of East Carolina, we were successful in getting the exterior and portions of the interior painted.

We are grateful that the encouragement of the Diocese has made it possible to have the very joyful experience of doing this work in the name of our Lord and His Church. I hope each of you will take home a pamphlet in the form of a "Report to the Community," a memorial to the late Rev. R. I. Johnson. Within it, we are also celebrating the 10th anniversary of the hospital he founded. After you return to your respective communities, and you wish to have more of these booklets, we shall be glad to send them to you.

In closing, I wish to say, in behalf of the hospital, trustees, and staff—we thank you with all our hearts for the work you are doing. Because—no community may rise beyond the health of its citizens.

The Rev. Mortimer Glover, chairman of the Committee on the Bishop's Address, presented the following resolution which was unanimously adopted:

RESOLVED, that this Convention requests the Department of Finance to consider suggesting to each aided Parish and Mission in the Diocese the adoption of a policy of gradually decreasing Diocesan support and increasing local self-support that they may eventually become self-supporting Parishes.

Resolutions	May

A motion to reconsider the original motion made by the Rev. John H. Bonner, Jr., was made and carried, which gave Mr. Bonner the opportunity to present the following substitute motion, which was carried:

Be it resolved that: This Convention request the National Council to make a survey of the Diocese of East Carolina for the purpose of establishing a definite ten-year plan for the work among the Missions of the Diocese.

Dr. Lulu Disosway, former Missionary to China, now Missionary to Alaska, gave a very vivid description of her work in Alaska.

The Convention adjourned at 5 o'clock.

At 8 o'clock the Annual Convention Service was held in St. Stephen's Church with addresses by the Rt. Rev. Thomas N. Carruthers, D.D., Bishop of the Diocese of South Carolina and the Rt. Rev. Thomas C. Darst, D.D., retired Bishop of the Diocese of East Carolina.

Thursday morning, May 13th, the rector of St. Stephen's, the Rev. John C. Grainger, officiated at the celebration of the Holy Communion, the Rev. John W. Hardy, assisting.

The Business of the Convention was resumed at 10 o'clock.

The Rev. Alexander Miller, chairman of the Committee on New Parishes, presented the petition of St. Mark's Mission, Roxobel, to become a Parish, with recommendations that the Convention grant the petition. The motion was made, seconded, and carried. And St. Mark's, Roxobel, became a Parish as of May 13th, 1948.

The Chairman of the Board of Examining Chaplains announced that he had no report to make.

**REPORT OF COMMITTEE OF THREE APPOINTED TO
INVESTIGATE BUSINESS RELATIONS BETWEEN THE DIOCESE
OF EAST CAROLINA AND THE GOOD SHEPHERD HOSPITAL
IN NEW BERN, NORTH CAROLINA**

**TO THE RT. REV. THOMAS H. WRIGHT, D. D., BISHOP OF
THE DIOCESE OF EAST CAROLINA:**

We, the undersigned committee, beg to report that we met at Washington, North Carolina, on Thursday, April 29, 1948, for a consideration of this matter. After carefully reviewing such reports and accounts as could be found and considering the portion of the Revolving Fund of the Good Shepherd Hospital used by the Diocese of East Carolina for the carrying on of its other activities on the one hand, and on the other hand considering the amount of the funds advanced from time to time by the Diocese for the operation of the hospital, including approximately \$3,500.00 advanced by the Diocese to the hospital in the year 1947, we are unanimously of the opinion that the payment of the sum of \$2,000.00 by the Diocese of East Carolina to the Good Shepherd Hospital is a fair, just and equitable adjustment of all existing business relations between the parties, and

we recommend that payment of that amount by the Diocese in full settlement of all existing liabilities.

Respectfully submitted, this May 1, 1948.

ONE HUNDRED THIRTY-SECOND ANNUAL CONVENTION
MAY 11, 1948

THAT WHEREAS, there has for some time been discussion among

1948

the members of the Episcopal Church in the three Dioceses of North Carolina as to whether a change in the territorial limits of the three Dioceses would promote the best interest of the church and whether it would advance the work of the church to have two Dioceses instead of three Dioceses and whether if three Dioceses are retained it would be better to change the dividing line between the Diocese of East Carolina and the Diocese of North Carolina and the Diocese of Western North Carolina with the view of making the three Dioceses more nearly equal;

NOW THEREFORE, BE IT RESOLVED that a committee of six male members from this Diocese composed of three clergymen and three laymen be appointed by the Bishop of this Diocese during this convention to meet with like committees from the other two Dioceses in this state at a convenient place in the Diocese of North Carolina at a time within the next ensuing four months, the time and place of said meeting to be fixed by the secretary of the Diocese of North Carolina and each member of the respective committees shall be given not less than two weeks written notice of the time and place of meeting. Said committee shall jointly discuss carefully all phases of this matter and shall severally make recommendations to their respective Dioceses for such action as they think will best promote the interest of the church in this state. Said recommendations to be sent promptly to the Bishop or other ecclesiastical authority of the three Dioceses, to be considered by the Dioceses respectively at their next annual conventions.

RESOLVED FURTHER that copies of this resolution be immediately sent to the secretaries of the other two Dioceses.

Appendix "A"

THE BISHOP'S ADDRESS

Brethren of the Clergy and Laity
of the Diocese of East Carolina:

"Grace be unto you and peace from God our Father and the Lord Jesus Christ."

It is with a profound sense of thankfulness to God that I welcome you to the Sixty-fifth Annual Convention of the Diocese of East Carolina and the third over which I have had the privilege of presiding.

This is the first Convention since I have been Bishop that my beloved predecessor in this Diocese, Bishop Darst, has attended. I will not embarrass him today by repeating the things I have said many times during the past two years, except to say that his presence today is a Benediction to this whole Convention. Bishop Darst will speak to the Convention tonight at our Annual Convention Service.

The past year has been one of great joy and happiness to all members of the Wright family, and I wish to express my appreciation to so many of you who have had a part in this. Each day, I thank God, that, in his gracious goodness, he has seen fit to call me to serve in this, my beloved section of His Vineyard. God grant that I may live up, in some measure, to the high calling and noble tradition which has been handed down to me.

Since the last meeting of this Convention, one member of our Clergy family has gone to God's Eternal Kingdom in Heaven. The Reverend Howard A. Alligood, who has been retired for the past few years, died on January 6, 1948. The Rev. Mr. Alligood served his Master long and faithfully. His beautiful funeral service at Tolar-Hart Mission was the greatest tribute that he could have had. For an entire night and a day, those who loved him sat silently in the Church beside his body. The burial service was a note of great joy and triumph. May he go from strength to strength in God's life of perfect service.

On February 19th, George Blow Elliott, Chancellor of the Diocese of East Carolina for many years, passed into God's loving arms. As a member of the National Council, as Chan-

cellor of his Diocese, as a Deputy, many times, to the General Convention, and as Senior Warden of his Parish, this consecrated and gifted Christian man served his Church well. Death removed a valiant servant from his earthly endeavors, but long will his work and life be felt in East Carolina and the things for which he stood will live on to the greater Glory of God.

It is impossible, in this Address, to give adequate recognition to all of the events of 1947, but I do want to call attention, at least, to new construction, renovations, and improvements in the physical condition of the following Churches that have been brought to my attention: Two Churches, Trinity Church, Lumberton, and St. George's Church, Pikeville, have built beautiful, new Parish Houses, each of which is a credit to its whole community. All of us should feel proud and happy that these two Churches have so added to the effectiveness of their witness for Christ in their community. For this, I would like, particularly, to commend the Rev. John H. Bonner, of Lumberton, and Colonel Edgar H. Bain, of Pikeville. Three other Churches have greatly improved their usefulness with extensive additions, construction, and work. Grace Church, Whiteville, has almost double the size of the Parish House with a much-needed addition and has added other improvements to the Church, including the purchase of a new organ. Holy Cross, Aurora, has installed a new heating plant and organ and has made numerous other improvements. St. Andrew's, Wrightsville, has installed a new organ, artistically landscaped and beautified the lawn of their lovely property, put in a new butane gas system for their Church and Parish House, painted and completely renovated the Church and Parish House, and made many other improvements. In addition to the above-mentioned organs, new organs have been installed in Emmanuel Church, Farmville; St. George's Church, Lake Landing, and St. Philip's Church, Southport, making a total of six new organs recently purchased and installed in the Diocese. In Christ Church, Elizabeth City, eighteen beautiful, new stained-glass windows have been installed, making this old and historic Church one of the most beautiful in the State. In addition to the above, much-needed renovation, repairs, and improvements have taken place in the following Churches: St. Thomas', Atkinson; All Souls, North West; St. Joseph's, Fayetteville; St.

1948

Bishop's Annual Address

Mark's, Roxobel; St. Philip's, Tar Landing, and St. Clement's Church, Beaufort. This Convention should extend its hearty congratulations to the Rectors of these Churches and to those who have had a part in these most necessary additions and improvements.

Archdeacon of Wilmington Missions

From the foregoing, it can be seen that the Churches served by the Rev. Richard L. Sturgis, Archdeacon of the Wilmington District, have made many physical improvements during the past year. In addition, the Churches, under his jurisdiction, have grown numerically in Communicants and in strength of leadership and development. I think it quite possible that during the next year, one of his Missions may be able to stand upon its own feet and become a self-supporting Parish. This is the type of growth and development that the Department of Finance is constantly trying to encourage in the Diocese and to which I shall later refer under the head of "Diocesan Financial Assistance".

The work of the Rev. Mr. Sturgis would not have been possible, however, without the assistance and the splendid cooperation of the Diocesan Lay Readers, of whom he has charge, assisted by Mr. E. Clark Adams, of St. James' Church, Wilmington. To these Lay Readers, I feel deeply indebted, and I wish, at this time, to commend them, most sincerely and heartily, to this Convention.

New Clergymen

Since the last Convention of this Diocese, three new Clergymen have been officially transferred and have come into our Diocesan family, the Rev. Edward M. Spruill, transferred from the Diocese of North Carolina and became Rector of Grace Church, Plymouth; the Rev. Bruce P. Williamson transferred from the Diocese of South Florida and became Rector of St. Joseph's Church, Fayetteville, and the Rev. William L. Martin transferred from the Diocese of Kentucky and became Rector of St. Paul's Church, Beaufort. In addition to these Clergymen, Mr. Robert F. Kirchgessner, Candidate for Holy Orders, is serving St. Anne's Church, Jacksonville, St. James', Ayden, and St. Barnabas', Snow Hill. As soon as the time element will permit and he passes the Examining Chaplains of East Caro-

lina, Mr. Kirchgessner will be ordained and will continue serving these Churches as Priest-in-Charge.

During the past two years, and with the addition of the names of two Priests, who have accepted appointments in the Diocese effective June 1st, a total of ten new Clergymen will have come into East Carolina. I am happy to announce that a real and useful contribution is being made by them to the life and work of our beloved Diocese.

Negro Work

As you will recall, in my Convention Address of last year, I was unable to report much progress in the acute and critical situation concerned with the shortage of our Negro Clergy, a condition not only in East Carolina but throughout the entire Church. Although the picture is not yet a bright one, I am happy to say that I am able to report considerable progress over last year. The physical condition of a number of our Negro Churches has been greatly improved and the Lay leadership of many of them has been strengthened and encouraged. I would like to commend, at this time, the White Priests serving near our vacant Negro Parishes and Missions for their unselfish service and assistance to their Negro Brethren in a time of Clergy shortage. I am glad to report that during the past year one new Negro Priest came into the Diocese of East Carolina and that two other outstanding Negro Clergymen have accepted calls to the Diocese, effective June 1st. This make a total of four Negro Priests in East Carolina, and as far as I am able to determine, is the largest number of Negro Priests in any Diocese in the South, with the exception of the Dioceses in Virginia.

The Good Shepherd Hospital, in New Bern, continues its useful ministrations to the sick and injured people of a constantly expanding area. Under the capable administration of the Superintendent, Mr. Ozzie T. Faison, the work of the Hospital is continually growing and becoming better known among our Negro Brethren. I would like to commend the Chairman of the Board of the Good Shepherd Hospital, Mr. John G. Dunn, Jr., of New Bern, for his unselfish and faithful service during the past year, the other members of the Board, and its Treasurer, Mr. Isaac H. Smith, a Vestryman of St. Cyprian's Church. Although the financial condition of the

1948

Bishop's Annual Address

Hospital has been considerably better this year, it still gives me great concern, and I feel that we must endeavor to put it upon a sounder financial basis. This is one of the great opportunities for service in East Carolina, and in the spirit of our Lord's Story of the Good Samaritan, let us seek to increase our usefulness and effective Christian witness in this area.

Christian Education in the Diocese

No phase of the life and activity of our Diocese is more important than the work done in our Church Schools and in the area of Adult Education. I believe that if our people understood better "the faith by which they live", the other problems of the Church would dissolve. The future of all of our Churches in East Carolina is largely determined by what is being taught our children and young people today. Last year, I mentioned the increasing use, in all denominations, of "Visual Education", and in this regard, a modern equipment for the showing of religious motion pictures is now owned by the Diocese and is at the disposal of Churches for several weeks at a time. This equipment may be secured by writing to Mr. Mac Lamb, of St. Mary's Church, Kinston. My purpose in purchasing this equipment was largely to encourage our Churches, through its use for several weeks, to purchase equipment of their own.

One of the great opportunities for the promotion of religious education in East Carolina is through Camp Leach, our Summer Diocesan Camp and Conference Center. Camp Leach is rendering a great and invaluable service to the Diocese, and at this time, I would like to commend, again, the Rev. John Bonner for his untiring efforts to make Camp Leach outstanding in the whole Church. I would like, particularly, to call your attention again this Summer to the Adult-Clergy Conference to be held in June under the direction of the Rev. James F. Ferneyhough, chairman of the Department of Christian Education. Again this June, an outstanding faculty will be present, and it is my earnest hope that this Conference will be unusually well-attended.

Fund for World Relief

East Carolina was proud to receive commendation from all over the Church last year for its contribution to the Presiding

Bishop's Annual Address

May

Bishop's Fund for World Relief. According to the percentages and quotas of the General Church, East Carolina stood first in the entire Country, giving 225% of the Expectation of the National Council. This unselfish generosity on the part of our Diocese is true to the history and spirit of East Carolina.

National Council Representative

In my Convention Address of last year, I announced to the Diocese the distinct honor that had come to East Carolina with the election of Mr. Champion McDowell Davis, of Wilmington, to membership on the National Council. During the past year, Mr. Davis has given unselfish and outstanding service to the General Church, taking the leadership, many times, in matters of vital concern and policy in the Church's work and for its future. It is a source of great pride to East Carolina to know that the Diocese is making such a National contribution through one of its Communicants.

The Virginia Seminary

No Institution outside of the borders of East Carolina is closer to the hearts of our Clergy and people than the Virginia Theological Seminary, located near Alexandria, Virginia. Most of the Clergy of our Diocesan family have been educated there, and at the present time, three of our young men are preparing for the Ministry at the Virginia Seminary. Due to the need for new buildings, much-needed renovation, additions, and increased annual income, the Seminary is turning to its Alumni and friends at this time. I commend the needs of the Virginia Seminary particularly to your attention at this Convention, and I hope that considerable thought and some definite action may be taken to assure East Carolina doing its part for an Institution that has served the Diocese so long and so faithfully. A representative of the Virginia Seminary Campaign Fund has been especially invited to attend this Convention and to present the cause to those assembled.

Confirmations

I am happy to report that a splendid increase in Confirmations has resulted since the last Convention. In my Convention Address of last year, I reported 336 Confirmations for the year, 1946. During the year, 1947, the total of Confirmations was 425,

1948

Bishop's Annual Address

or an increase of about 28%. This represents more than the percentage increase that I requested and set our goal for in the Convention of last year. For this, I am truly thankful and deeply grateful. May I again commend this to my Brethren, both of the Clergy and Laity, in the spirit of and in keeping with our Presiding Bishop's Program of Evangelism for the whole Church. To set high goals for Confirmations does not mean, to me, proselytizing on the part of the Episcopal Church in our towns, as it is a well-known fact that in all of our communities and towns, there are Unchurched people having no active affiliation. It is to this group that I believe Christ is calling us today in no uncertain terms.

As I close this, my third Convention Address to you as Bishop of East Carolina, may God bless our work for the extension of His Kingdom in this part of His Vineyard, and may those of us who profess and call ourselves Christians assume the great responsibility that rests upon us today. We have heard, many times, the phrase, "Christianity or Chaos". We know today, definitely, that it is true. Communism is a religion—a secular religion without God—the great modern rival of Christianity. The only way that it can be defeated in the long run is by making Christianity a more vital and a more effective force and answer to this troubled world. God grant that we may do our part, as Christians and as Episcopalians, to serve Him Who loved us and Who died for us. His message is the answer for this troubled world. "I, if I be lifted up," said Jesus, "will draw all men unto me." AMEN.

THE MINUTES OF THE MEETING OF THE EXECUTIVE COUNCIL

St. James' Parish House, Wilmington

October 7, 1947

The Fall Meeting of the Executive Council was held in St. James' Parish House, Wilmington, on Tuesday, October 7, beginning at 10:30 A. M.

The meeting was opened with a short devotional by Bishop Wright. Roll call by Mr. Gardner showed the following members present: Bishop T. H. Wright, Mr. Robert Strange, Rev. John H. Bonner, Jr., Rev. Stephen Gardner, Mr. P. B. Bateman, Mrs. W. O. S. Sutherland, Rev. James F. Ferneyhough, Rev. Jack R. Rountree, Mr. Peter B. Ruffin, Mr. A. K. Barrus, Rev. E. F. Moseley, Rev. John W. Hardy, Mr. W. G. Gaither, and Mrs. Baxter Moore.

The minutes of the last meeting were read and approved.

The following were reappointed as heads of their respective departments:

Christian Education	Rev. James F. Ferneyhough
Youth	Rev. John H. Bonner, Jr.
Missions	Mr. P. B. Bateman
Promotion	Rev. Stephen Gardner
Finance	Mr. Peter Browne Ruffin
Evangelism	Rev. Jack R. Rountree.

(Each of the above gave a report on his department.)

Christian Social Relations—Rev. E. F. Moseley was appointed to succeed Mrs. W. O. S. Sutherland.

Mr. Robert Strange, Treasurer of the Diocese, reported that we were keeping within our budget and that apportionments were coming in.

Mr. Strange also reported that the Trustees of the Diocese had offered the house (1311 Chestnut Street) in which the late W. R. Noe lived, to Mrs. W. R. Noe for the amount that it was carried on the books of the Diocese, \$6,000.00. Mr. Gardner moved that Council give approval to this sale of Diocesan property. Hardy seconded. Motion passed.

A discussion of the Good Shepherd Hospital was held. It was suggested that an Executive Committee of the Good Shepherd Hospital, made up of three members of the Board, meet with a Committee of three persons appointed by the Executive Council and that these six men come to some decision as to the amount the Diocese owes the Good Shepherd Hospital. The Committee appointed by the Executive Council is composed of the following: Mr. Junius D. Grimes, chairman; Mr. Robert Strange, Mr. Will G. Gaither.

Minutes of Executive Council

May

The Committee of the Good Shepherd Hospital Board is composed of the following: Mr. John G. Dunn, Jr., Mr. I. H. Smith, treasurer; Mr. O. T. Faison, administrator.

It was decided that these six men be empowered to come to the best decision they can, and the Diocese will pay the Good Shepherd Hospital what this group decides is owed. It was further moved by Mr. Hardy that this committee be given the power to sell any property owned by the Church at Bath which is not connected with the Church or Rectory and that this money be used to help pay off this debt. Seconded by Mr. Rountree. It was moved by Mr. Barrus that the committee be further empowered to work out a plan to subsidize the Hospital into an All-Protestant Hospital.

It was moved by the Rev. Jack R. Rountree that Mr. Peter Browne Ruffin be elected vice-chairman of the Executive Council. Seconded by Mr. Gardner. Motion passed.

Mr. Hardy reported a total of \$7,772.70 (222%) collected to date for the "Presiding Bishop's Fund for World Relief".

A motion was made that the sum of \$3,000.00 be included in the 1949 Diocesan Budget for Camp Leach with the understanding that it will be an operating fund for Camp Leach. Moved by Mr. Ferneyhough. Seconded by Mr. Rountree.

Mr. Bonner moved that the Evaluation Committee which Bishop Wright appointed last year be instructed to continue its work and, if possible, to bring in an architect's drawing of Camp Leach.

A motion was made by Mr. Strange to underwrite the cost of the Mission Herald for ten issues. Mr. Gaither moved that this suggestion be adopted. Seconded by Mr. Bonner. Motion passed.

Rev. Richard L. Sturgis and Rev. Julius A. Pratt were present for the discussion of work being done by Miss Jocelyn Gordon and Miss Jettie Odell in our Inland Waterway Missions and expressed their views of the situation. A discussion was held of the feasibility of transferring both workers to Wilmington to live or in transferring one to Wilmington and one to St. George's, Pikesville, in another part of the State. Mr. Ferneyhough moved that we go on record that this matter be left to the Bishop, Mr. Pratt, and Mr. Sturgis to decide and that they be given the power to act and do what is best. Bishop Wright asked that the above motion be amended by the Executive Council approving, in general, of the plan that Miss Jocelyn Gordon move to Goldsboro and that we take to the Finance Department the plan of an adequate salary for her to live in Goldsboro; that Miss Jettie Odell move to Wilmington and that we take to the Finance Department the plan of an adequate salary for her to live in Wilmington. Also, that a new automobile be purchased for Miss Odell, the Diocese helping with the down-payment but rest of payments being borne by Miss Odell. Motion passed as amended.

Bishop Wright reported that the only vacancies in the Diocese were in the colored churches.

The request from the Chancellor of Sewanee that Sewanee be placed in the Parish and Mission Budgets was discussed; also, the Virginia Theological Seminary and St. Mary's School. It was moved by Mr. Strange that it be strongly urged to put Sewanee and the

Theological Seminary in the Parish and Mission Budgets and that a drive be made for Saint Mary's. It was decided that this be left to the Finance Department for further discussion and appointment of chairman for St. Mary's.

EXECUTIVE COUNCIL MEETING, FEBRUARY 19, 1948

The Executive Council of the Diocese met in the Diocesan Office, Wilmington, February 19, 1948, at 11:00 A. M., with the following members present: Bishop Wright, the Rev. Messrs. John W. Hardy, John H. Bonner, Jr., James F. Ferneyhough, and Stephen Gardner, Messrs. Robert Strange, P. Bruce Bateman, Peter B. Ruffin, and William G. Gaither, Mrs. W. O. S. Sutherland and Mrs. Baxter Moore.

The Bishop opened the meeting with prayer, adding a special prayer for George B. Elliott, a former member of the Council and for many years Chancellor of the Diocese, who died early that morning in his home in Wilmington.

The secretary was asked to send a telegram to Mr. A. K. Barrus who was sick at Duke Hospital.

On invitation of the Bishop, the Rev. John Grainger, host of the next Diocesan Convention, was present to discuss plans for the Convention. The Council approved the plans and also the date of the Convention, May 12th and 13th, and also the Laymen's Dinner on the evening of May 11th, the Diocese paying a portion of the cost of the dinner.

Mr. Robert Strange, Treasurer of the Diocese, stated that the Diocese was staying within the Budget and that he had money on hand.

Approval was given to the action of the Bishop in buying Government owned buildings at the Good Shepherd Hospital in New Bern, for the sum of \$1,000.00, the money to be paid from the Hospital Funds over a period of five years.

The Rev. James F. Ferneyhough, chairman of the Department of Christian Education, spoke on the Adult Conference at Camp Leach at the coming session. The Council approved of a Diocesan-wide service at St. Mary's Church, Kinston, for the Presentation of the Church School Lenten Mite Box Offering.

The Council recommended that the Finance Department give Miss Lona Belle Weatherly \$600.00 on a new automobile.

Mr. Peter Brown Ruffin, chairman of the Finance Department, announced that his Department would meet the next week in the same office.

Mr. Bruce Bateman, chairman of the Department of Missions, stated that he had no new matter to report.

The Council recommended that the Policy of the Diocese in the future would be that all Parishes in a vacant field have a joint meeting before calling a Rector. The Bishop spoke on a 10-year de-volution plan.

The Rev. John H. Bonner, Jr., chairman of the Department of Youth, stated that 137 young people attended the Youth Rally in New Bern, and that the Camp Leach Committee had made all arrange-

ments for the Camps and Conferences at Camp Leach for the Summer of 1948.

The Rev. Stephen Gardner, chairman of the Department of Promotion, stated that all Parishes had received complete plans for the Nation-wide Broadcast of the Presiding Bishop's Message on Sunday, February 29, in the interest of the raising of the Presiding Bishop's Fund for World Relief. He also stated that all Parishes and Missions had received the blanks for the Parochial Reports of 1947.

The Bishop reported that he had not been successful in getting a suitable Colored Priest for St. Cyprian's Church in New Bern, but was spending a great deal of time and effort in getting one, not only for that Parish, but for other vacancies in the Diocese. He stated that the Rev. William L. Martin would become Rector of St. Paul's Church, Beaufort, on March 1, 1948.

The Secretary was asked to contact Mr. John G. Bragaw and to request him to assume responsibility in getting into workable shape all insurance policies carried by the Diocesan Insurance Committee.

The Trustees of the Diocese were given authority to sell the Church Building and lot in Warsaw, since it was no longer being used by the Church.

The Rev. John H. Bonner, Jr., invited members of the Council to the dedication of the new Parish House in Lumberton on April 3rd.

The Council adjourned after the Benediction by the Bishop.

STEPHEN GARDNER, Secretary.

Gentlemen:

We have examined the books and records of the Diocese of East Carolina, as maintained by the Treasurer, Mr. Robert Strange, for the year ended December 31, 1947.

Our examination embraced the verification of all Receipts as recorded in the office Receipt books and tracing same to the Depository. All Disbursements were made by approved vouchers drawn on the Depository, The Wilmington Savings and Trust Company, Wilmington, N. C. Test checks were made of evidence in support of vouchers paid. As a result of our examination we have prepared a statement of Receipts and Disbursements for the period under review. The totals of this statement agree with the totals of the statement prepared by your Treasurer, however, we have not verified the distribution of the Receipts nor the Disbursements.

The securities were inspected by us on April 17, 1948, same being located in a safety deposit box at the Security National Bank, Wilmington, N. C. All securities were on hand with the exception of the Goldsboro Union Station Bonds, which, according to a letter signed by Mr. J. V. Grainger, are held in trust by the Trustees, Diocese of East Carolina. Your attention is called to our comment of April 17, 1947, concerning the Notes Receivable of the Bath Restoration Fund. As authorized by the Minutes of the Executive Council, dated October 7, 1947, real estate at 1311 Chestnut Street, Wilmington, N. C., was sold for \$6,000.00. Proceeds from this sale are held by the Trustees, Diocese of East Carolina. Other Assets are shown as reflected by the records. Funds on deposit with the Wilmington Savings and Trust Company, Wilmington, N. C., were reconciled with the records of and confirmed by the Depository.

In our opinion, based upon such examination and subject to the foregoing comments, the accompanying statement correctly sets forth the financial condition of the Diocese at December 31, 1947, and the Receipts and Disbursements for the year then ended.

Respectfully submitted,

J. B. McCABE & COMPANY,

REPORT OF TRUSTEES, DIOCESE OF EAST CAROLINA

Wilmington, North Carolina

December 31, 1947

May 10, 1948

To Board of Trustees, Diocese of East Carolina,
Wilmington, N. C.
Gentlemen:

We have examined the accounts and records of various Trust Funds, as maintained by your Treasurer, Mr. Robert Strange, for the period from April 1, 1947, through December 31, 1947, and submit herewith the results of such examination on the following exhibits:

Recapitulation of fund balances, Income, Exhibit "A"; Principal, Exhibit "A". Receipts and Disbursements, all funds, Exhibit "B".

Our examination embraced tracing of receipts, as shown by the books and records, to the depository. All disbursements were made from the depository, the Wilmington Savings and Trust Company, Wilmington, N. C., and supported by cancelled vouchers. Distribution of funds to beneficiaries of the particular fund were accepted as correct. Funds on deposit with the depository were reconciled with the records of the depository as of December 31, 1947. Securities, held for safe keeping in a safe deposit box at the Bank of Wilmington, Wilmington, N. C., were inspected by us on May 8, 1948. Real estate, owned by the Trustees, was accepted as correct and deeds were not inspected. Your attention is called to the comments pertaining to real estate in the audit report for the year ended March 31, 1946, and to the land sale to Emeline Northcutt during the year ended March 31, 1947. During the period under review \$25.00 was collected from Emeline Northcutt and this collection was again handled as a down payment on real estate sales—see the Rev. Edward M. Forbes estate.

We have shown certain transfers within funds, particularly, with the Miscellaneous and Joint Bond Accounts, as memoranda under receipts and disbursements of the respective funds and as actual receipts and disbursements in the above named accounts.

CERTIFICATE

In our opinion, based upon such examination, and subject to the foregoing comments, the accompany Exhibits fairly present the condition of the funds held by the Board of Trustees at December 31, 1947.

Respectfully submitted,
J. B. McCABE & COMPANY,
Certified Public Accountants.

REPORT OF THE WOMAN'S AUXILIARY TO THE DIOCESE OF EAST CAROLINA

Right Reverend Father in God, and Members of the Convention:

I bring to you the report of the East Carolina Branch of the Woman's Auxiliary to the National Council with a deep feeling of gratitude and praise—gratitude that I have been privileged to come in touch with these workers, and praise for the devotion of these women to the Master's service.

Reports, like examinations, are not always fair. They give you the highlights of the work that has been done. They leave out the small advances made by the faithful worker who lets nothing bar her way—and they leave out, also, the record of opportunities that have not been grasped because of lack of faith in the Church's Mission.

The Officers and the Department Chairmen have been very active, and have done the real detail work of the Auxiliary, keeping before the women the needs of their departments and the information necessary to quicken their interests. I extend grateful thanks to these Diocesan Officers for their faithfulness and untiring efforts. The sense of comradeship among them and the willingness to share their talents each with the other has meant a great deal to the progress of the work. To them, and to the women of East Carolina, goes all the credit for progress made in the work of the Auxiliary. We are very grateful to Bishop Wright and to the Clergy of the Diocese for the help and consideration given the Auxiliary.

The Auxiliary is composed of Parish Branches seeking ways to make the Parish work more effective and it is also a corporate body with interest not only in the Parish and Diocese but in the length and breadth of the whole world.

This year has been a year of growth for the Auxiliary in the Diocese of East Carolina. Spiritual growth was indicated by the number of Corporate Communion and by the observances of Churchwide Day of Prayer, World Day of Prayer and World Community Day. Educational growth was indicated by the number of Branches having definite educational programs, by the use of Church literature and by a greater number of women attending our Diocesan Adult Conference at Camp Leach. We had growth in numbers—both in the number of members and in the number of Branches. There has been a healthy growth in giving. Figures are not always an indication of the most fundamental growth in any group, but the steady growth in the amount contributed by the women is indicative of growth that is fundamental and vital.

During the past year \$34,704.28 has been given by the women of the Diocese in all areas of service, including the United Thank Offering. This represents actual cash gifts and is an increase of \$6,704.28 over last year.

Many of the Auxiliaries have increased their membership and, except for several large Parishes who have lately adopted the Unified Plan, these increases have been in the small Auxiliaries. It is a healthful sign when an Auxiliary of twelve members increases its membership to twenty in one year and one with eight members has interested twelve non-church women in joining and working with them. On the reports this year several of the small Auxiliaries made the notation "The Auxiliary is the only organization in the Parish." These women serve in every capacity from janitor to Altar Guild and they keep the spark of the Church alive when there is no Rector.

Through the Department of Christian Education the women have studied India, The Christian and Race, The Christian Faith, the Christian Home, The Christian Church, The World Mission of the Christian Church, Christianity Takes a Stand, Bishop Dun's Meditations, Forward Movement Literature, Church Papers, Alaska, Leper Work, conditions in Europe, Church Architecture and Furnishings, The Church Calendar, The Presiding Bishop's Book for Lent, and, of course, the Bible and Prayer Book. Twenty-six Branches reported studying the Prayer Book during Lent. They have also studied many of the mission fields of the Church.

Nineteen branches of the Auxiliary were represented at the Adult Conference at Camp Leach last June, and six at the Kanuga Conference.

Under the Christian Social Relations Department almost every Auxiliary in the Diocese has had programs on Juvenile Delinquency and in many cases these programs have materialized into a real plan of action, with committees to devise ways and means of formulating a sound and constructive program. Homes of underprivileged children have been visited and conditions improved as a result. Some of the Auxiliaries take an active interest in Girl Scouts and there has been a real effort made by our Branches in a number of communities to prevent the youthful first offender from appearing in Juvenile Court. Under this Department the Branches report full cooperation in helping to raise the money requested of our Diocese for the Presiding Bishop's Fund for World Relief. Under this Department the women studied Christian Family Life, the new marriage canon, citizenship, race relations and international relations. Flowers and magazines were distributed to the sick and aged in every Parish by members of the Auxiliary. Visits were made to jails, county homes and hospitals from time to time. Three thousand, one hundred and eighty-nine garments were given to underprivileged families. Almost nine hundred dollars was given to community institutions. Almost six hundred dollars was given to the Thompson Orphanage, besides used clothing, Christmas gifts and contributions to the Children's Allowance Fund. Several Auxiliaries carry building and loan shares to be given graduates when they leave the Orphanage. The value of Christmas boxes reported for home and abroad amount to more than a thousand dollars. Contributions were made to the Good Shepherd Hospital and to Galilee Mission.

Through the Supply Department boxes were sent to Galilee Mis-

sion, the Inland Waterway Missions and other missions in the Diocese. The contribution to foreign aid was much larger than the preceding year.

The work of the Church Periodical Club has increased. Many magazines are sent by subscription and many remailed. Bibles, Prayer Books and Hymnals have been sent where needed. Books, leaflets, greeting cards, music and records have been sent. Pictures, calendars, games and scrapbooks have been sent to children in hospitals. Money was given for books for St. Hilda's School in China, where we have our own missionary, Miss Venetia Cox. Books were sent as gifts to missionaries and money for the Mary E. Thomas Memorial Fund, which furnishes books for mission libraries where needed.

Through the Department of Missions we sent a Christmas gift of ten dollars to each of our seven Diocesan missionaries representing us at home and abroad, and a gift of fifty dollars to our own Dr. Lulu Disosway for the hospital in Alaska after the flood there. Two hundred dollars was sent to Rev. William Gordon for his work at Point Hope, Alaska.

The Auxiliary has a Memorial Fund which was started some few years ago and about which we would like to tell you. When a woman member of the Parish dies the Auxiliary in that Parish is asked to send a gift of money to the chairman of this fund in memory of the life of that woman instead of sending flowers at the time of the funeral. The chairman then writes a note to the next of kin telling that this has been done. This fund is growing very slowly but when it is large enough it will be used for the education of some young woman for missionary work. What more beautiful memorial could there be for those we love than sending out others to spread the gospel. Anyone may contribute to this fund at any time in memory of faithful loved ones who have passed on to the life of larger service.

The United Thank Offering, in the Diocese, amounted to \$7,713.09 last year. The women gave \$615 to Leper Work, to the Bishop's Fund, and more than \$500 was sent from the Auxiliary to the Presiding Bishop's Fund for World Relief.

The Convocational Meetings were held in October and the Annual Meeting in January and were well attended. Evangelism was the theme of these meetings. Evangelism is the theme of the Church. As we strive to emphasize this theme of Evangelism I am sure that I speak for every member of the Auxiliary in East Carolina when I say that we know that only as we strengthen the vitality of our own discipleship can we hope to contribute to God's great purpose of redemption of the world. The tasks of the Woman's Auxiliary are set very clearly before us. May we bring all our gifts—all that we have gained in the past, all of our renewed consecration, our best thought and intelligence and our highest courage to going forward in the great purpose for which we are organized.

Respectfully submitted,

MARY OWEN SUTHERLAND, President

Woman's Auxiliary, Diocese of East Carolina.

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH—1949

The Rev. Charles E. Williams, chairman of the Committee on The State of The Church read the following report:

Last year your committee was unable to make any report to this convention due to the fact that quite a number of the clergy failed to send to the Bishop their annual parish report—as required by canon—in time for the information to be compiled by this committee. Again this year we cannot give an accurate report for the same cause. Your committee recommends that definite action be taken by this convention to enforce the canonical provision that a full and complete parochial report be sent to the proper authorities in a reasonable time before each convention.

This committee has examined the available statistics of the diocese for the year 1948 and takes pleasure in submitting this report.

A panorama of the work and achievements in our diocese for the year 1948 shows much for which we can thank Almighty God and take courage for our work in the future but the picture is not a perfect one and our failures should spur us on to greater endeavor and cooperation for the year that lies ahead.

1949

Report of Committee On State of Church

On the basis of information in our hands we find that in the diocese during the previous year there were 397 baptisms compared with 422 for the previous year; there were 411 persons confirmed, making a total number of confirmed persons 9,161,—but the parochial reports show only a total number of 8,769 communicants which shows a loss of 396 confirmed persons. This is a terrible loss and there must be a discrepancy in parish bookkeeping. In 73 parishes and missions the list of confirmed persons and communicants are the same number, but in 18 parishes that list of a total of 3,276 confirmed persons claim only 2,880 communicants. There were 81 marriages performed last year in the diocese compared to 124 the previous year.

Our Sunday Schools have made fine and definite progress in the past year with an enrollment of 4,118 pupils and with 476 officers and teachers compared with 3,608 pupils and 464 officers and teachers the year before. This committee would like to congratulate all the faithful lay men and women who have given of their time and efforts to make this growth possible. They are indeed a noble army and are doing splendid work for the Kingdom of God and His Church.

Financially the diocese seems to be in a very healthy condition. The apportionments for the previous year were \$48,696.80 against \$48,501.56 for the year 1947. The quota for the National Church of \$10,400.00 has been paid. An amount of \$8,510.88 was contributed by the communicants of this diocese for the Presiding Bishop's Fund for World Relief. Our diocesan treasurer of the Laymen's Thank Offering reports that \$1,734.31 was presented by the men of the diocese. This is a splendid offering but this committee feels that this offering can be increased by a little more cooperation on the part of individual parishes and missions. This money is used entirely for work within the borders of our own diocese and there are definite needs that our Bishop cannot answer unless he has the funds.

We are happy to say that Good Shepherd Hospital in New Bern is making a fine contribution now to our Colored work under the splendid leadership of Mr. O. T. Faison. At Good Shepherd there is to be found an ever expanding horizon of a healing ministry among the sick and diseased of the Colored population of that area.

One of our acute problems in the diocese today is the shortage of Colored clergy to man our negro churches. Two fields are desperately in need of clergymen—St. Joseph's Church, Fayetteville; and Belhaven Mission Field. Then, too, there are many of the Colored churches in our diocese badly in need of repairs. Every effort should be made to strengthen our Colored work and to keep their churches in such repair that their attractiveness will be conducive of the worship of Almighty God.

As this committee surveys the progress of our diocese, and the work that has been done in the past year, our report would not be complete without mentioning the names of several of our laymen who have made outstanding contributions to our work, and we wish at this time to pay them tribute for their sacrificial service. Mr. Junius D. Grimes of Washington has made an outstanding contribution as chairman of

Report of Standing Committee for Convention
May

the Diocesan Realignment Committee and has worked hard upon this for the whole year. Mr. Will G. Gaither of Elizabeth City has made a real contribution as chairman of the Virginia Theological Seminary Campaign Fund. He has given of his time and energy unstintedly. Mr. Peter Browne Ruffin of Wilmington has made an outstanding contribution as Vice-Chairman of the Executive Council and Chairman of the Finance Department. Through his efforts many financial problems of the diocese have been readjusted and solved. Mr. Frank F. Fagan of NewBern has made a splendid contribution to the diocese during the past year as Diocesan Treasurer of the Laymen's Thank Offering. Mr. Fagan has been active in the Laymen's Thank Offering from the very beginning of this offering and his work has required much of his time and effort.

This committee has no specific recommendations to the Convention at this time and submits this general survey with gratitude to Almighty God for His blessings in the past and invoking His blessings for the work and future of our beloved diocese.

Respectfully submitted,
CHARLES E. WILLIAMS, Chairman.

William G. Gaither, chairman of a Committee to raise \$15,000.00 for the Building Fund of Virginia Theological Seminary, gave his report on the progress he had made.

The raising of the \$15,000.00, not having been completed, a motion was made by Robert Strange, seconded by Junius D. Grimes, that the Campaign be continued by the same Committee until the full amount be raised. This motion was carried.

The Bishop appointed the regular and special Committees. These will be found on page 6 of this Journal.

Before adjourning for luncheon at 1:15 p.m., the Rev. James F. Ferneyhough, host Rector, invited the members of the Convention to a reception at the Rectory after the evening service.

The Convention adjourned for Luncheon at 1:15 p.m.

The Convention re-convened at 2:15 p.m. Junius D. Grimes, Chairman of the Diocesan Committee on Diocesan Boundary Lines made the report of that Committee. (See Appendix "C".)

The following resolutions concerning this report made by C. McD. Davis, seconded by the Rev. E. F. Moseley, were unanimously adopted:

RESOLVED, that the Convention approve unanimously this report.

RESOLVED FURTHER, that the "Committee from Diocese of East Carolina" be actively continued in the hope that progress may be made with the two other Dioceses toward the objective recommended by the "Committee from Diocese of East Carolina."

RESOLVED FURTHER, that because of state-wide importance of the statistical and other data embodied in the report and which was gathered with care by the "Committee from Diocese of East Carolina", it is the unanimous view of the Convention that such statistical and other data should become a permanent record.

RESOLVED FURTHER, that the complete "Report of Committee from Diocese of East Carolina on Re-Alignment of Diocesan Boundaries" be published in the 1949 Journal of the Diocese of East Carolina. Also that same be published in "THE MISSION HERALD", and that offer be made to the proper authority of the Diocese of North Carolina and of the Diocese of Western North Carolina, respectively, to publish in the 1949 Journal of East Carolina the report from the respective Committees in those Dioceses dealing with same subject, and with request that the 1949 Journals in the two other Dioceses likewise publish in full the report of the "Committee from Diocese of East Carolina" so that in such manner the recommendation of each Committee may become available throughout the three Dioceses.

RESOLVED FURTHER, that if this latter recommendation be not adopted by the Diocese of North Carolina and/or the Diocese of Western North Carolina, that the report of "Committee from Diocese of East Carolina" be published in the NORTH CAROLINA CHURCHMAN (if

considered too lengthy to be carried as a news item then in form of an advertisement) in order thus to give wide publicity to the contents of the report of the "Committee from Diocese of East Carolina".

A report on the Good Shepherd Hospital in New Bern was given by John G. Dunn, Jr., President of the Executive Board of the Hospital.

On motion of McC. B. Wilson, seconded by Fred Jones, the following resolution was unanimously adopted: That the Good Shepherd Hospital be retained by our Church; and that no action be taken by the Hospital Board to transfer the Hospital to the Roman Catholic Church without referring the matter to the Convention of the Diocese.

Peter B. Ruffin, chairman of the Department of Finance, presented the following Anticipate Diocesan Income and Budget for 1950 which was unanimously adopted:

It was developed in discussion of the Report of the Department of Finance that the Executive Council has authority to revise the Diocesan Pledge to the National Council as revenues expected seem to justify.

Robert Strange presented the Treasurer's report. (See Appendix "F").

The Rev. Jack R. Rountree gave his report on the Mission Herald, as follows:

REPORT OF THE COMMITTEE ON THE MISSION HERALD

Reverend Father In God and
Brethren of the Convention:—

The present board of publications, created by the act of the diocesan convention of 1936, has now completed three years of service. It is with deepest regret that I have to report the disintegration of the board. The Reverend Roscoe C. Hauser, Jr., is leaving the diocese this month to enter upon work in Gainesville, Florida; the Reverend John C. Grainger will retire from the board at the conclusion of this year's publication—the July issue—and will leave the diocese in October for work in Ruxton, Maryland. This is a severe blow to the staff of the paper.

The Rev. Mr. Hauser has been a most valuable associate, since the creation of the new board of publication, and was a sharer in the determination of the policy with which the publication was undertaken. He created the "Personnel Briefs" and has carried that department from the very beginning; he has been the author of the "Box" on the front page in which the paper has appealed for donations to the support of the paper. He has written many of the news articles, and re-written

Report of Committee On The Mission Herald

May

many of the submitted articles that had to be recast. His work has attracted the interest of people throughout the diocese and many places throughout the country. There is no one who can possibly take his place.

The Rev. John C. Grainger was added to the staff upon his return from service with the army of occupation in Germany. He has had full charge of the Youth work and edited the special pages devoted to youth items, and has also written a monthly column of youth personals. He has also written many of the news articles and done a lot of the re-write work. There is no one who can take his place.

The Rev. John W. Hardy was given the difficult task of handling all the financial matters and the circulation of the paper. This has been a stupendous task, which he has performed with a faithfulness and patience that are most commendable.

Mrs. McEachern was assigned the work of editing all items concerning the work of the Woman's Auxiliary. Her removal from the diocese resulted in the appointment of Mrs. Sam Marsh, of Washington, to the editorship of the women's page, and she has done an excellent work.

All the rest of the work of publication has fallen to the chairman of the board and editor. And the editor wishes to pay his tribute to the fine work that his associates have done—without which there could have been no paper.

On behalf of the entire staff I want to say that the paper has been, since its beginning, the work of the combined staff, who have worked together in perfect accord, and with nothing but the interest of the paper in mind. No one of the entire staff has received one penny for the work that he has done; and each one has had to spend quite a lot of money each year in order to carry on the work of the Mission Herald. The men on the board have also been engaged in very active ministry in their own fields of growing churches.

We undertook the publishing of the Mission Herald with certain definite objectives: To put a copy of the paper into every home in the diocese; to cover as fully as possible the items of news about the churches in the diocese; to finance the paper through voluntary contributions, or donations. This we have done so far as has been possible under all the circumstances.

We feel that we have given the diocese a good paper. We know that with better cooperation we could have gotten out a much newsier paper. But we are appreciative of the cooperation that we have received.

So coming to the end of our tenure, we wish to thank those who have helped us, and to wish our successors the very best of goodwill.

Respectfully submitted,
JACK R. ROUNTREE, editor and chairman of the board of publication of the Diocese of East Carolina.

We shall of course complete the year—publishing the paper through the July issue.

The Rev. Mr. John W. Hardy will report on the financial condition of the Mission Herald.

The Rev. John H. Bonner, Jr., chairman of the Board of Managers of Camp Leach made a verbal report on the Camp, stating that Lewis Swindell, principal of John H. Small School in Washington, North Carolina, was the new Business Manager of Camp Leach and that a new pier and two new buildings were in the process of construction at the Camp, which would be ready for the 1949 session. Junius D. Grimes presented the following resolutions:

Resolved: That, whereas the Bishop of the Diocese has reported to the Convention that in his judgment the Parish of St. Anne's at Jacksonville, N. C., does not give promise of sufficient strength as will enable it to maintain its organization as a Parish, and the said Parish having requested that it be reduced from its status as a Parish to the status of a Mission, it is so ordered and the Church of St. Anne's is now declared to be a Mission.

It is further ordered that the property belonging to the late Parish of St. Anne's shall be conveyed to the Trustees of the Diocese in trust for the interests of the Church in said late Parish and shall upon the bona-fide re-organization of said Parish be re-conveyed to the same.

Resolved: That, whereas the Missionary Station at Roper, N. C., named St. Ann's, has requested that its status be changed from that of a Missionary Station to that of an organized Mission, it is now, with the approval of the Bishop, declared that the said Church of St. Ann's be henceforth an Organized Mission, and the Bishop is requested to appoint the proper officers for it as provided for in Canon 12.

These resolutions were duly carried.

The Rev. James F. Ferneyhough made a verbal report on the University of the South. He asked permission to make a report on the Department of Religious Education, and that the report be included in the minutes of this Convention. Permission was granted. For report (see Appendix "T").

The Rev. Julius A. Pratt offered the following resolution, which was unanimously adopted:

That this Convention express its gratitude to the Rev. John H. Bonner for his devoted and competent work as Business Manager of Camp Leach during the five years last past and that the said recognition be conspicuously recorded in the Mission Herald and in the Diocesan Journal.

Wallace C. Murchison presented the following report:

Report of the committee appointed to consider the gift of the Bogue Island property, consisting of Mr. Wallace C. Murchison, Chairman, the Rev. E. F. Moseley, and Mr. C. R. Davant.

At a meeting of the Committee with the Chancellor, Mr. Junius D. Grimes, the deed signed by Mrs. Alice Hoffman and members of the Roosevelt family was examined. It conveys to Bishop Wright, Mr. H. C. Rorison, and Mr. Robert Strange, Trustees of the Diocese of East Carolina, a tract of land on Bogue Island, Carteret County, N. C. The tract has 1,500 foot frontages on the Atlantic Ocean and Bogue Sound and contains approximately 62 acres. Excepted from the deed is the right of way of the state highway from Atlantic Beach to Salter Path and the riparian rights including the right to use all land necessary to operate seines in the ocean.

The deed states that the property is to be used for a camp site and conference center for young people and adults and for other religious purposes, and the gift is subject to three conditions. (1) The Diocese has 5 years in which to put the property in condition for some of the uses above mentioned. If the property is not used by the Diocese within 5 years, the donors may take the property back. (2) The conditions on use of the property continue for an additional 50 years. At the end of 55 years title vests absolutely in the Diocese. (3) The donors reserve the right to fish with seines on the ocean front beach.

The Committee feels that this gift is a most generous and valuable one, the conditions as to use of the property can be met without difficulty, and the site holds great promise as a camp and conference center for the Diocese of East Carolina. Therefore, the Committee moves the adoption of the following resolution:

"Resolved that the Convention of the Diocese of East Carolina accepts with grateful appreciation the generous gift of Mrs. Alice Hoffman, Mr. and Mrs. William McMillan, Mr. and Mrs. Theodore Roosevelt III, Mr. Cornelius Roosevelt, and Mrs. Quentin Roosevelt, of the camp site and conference center on Bogue Island, Carteret County, N. C., that the property shall be designated the Quentin Roosevelt Memorial Site, and that a Committee be appointed by the Bishop to draw up a suitable resolution of thanks to be sent, in the name of this Convention, to each of the donors.

The Bishop appointed the same Committee, namely, Wallace C. Murchison, the Rev. E. F. Moseley, and C. R. Davant to write these resolutions. (See Appendix "J").

The Bishop appointed the Rev. Alexander Miller and O. E. Rhem to prepare a suitable memorial page in the Diocesan Journal for the late beloved Bishop Thomas C. Darst.

Frank Wooten, chairman of the Committee on the Meeting Place of the 1950 Diocesan Convention, stated that the Committee had accepted the invitation of Christ Church, Elizabeth City.

W. A. Worth, of Christ Church, Elizabeth City, extended the invitation to the Convention in person.

McC. B. Wilson asked to speak further on the arrearages in the Church Pension Fund. This permission was granted.

Peter B. Ruffin offered the following resolution, which was unanimously adopted:

RESOLVED: That the report of the Pension Fund Committee be referred to the Department of Finance for evaluation and review, and that the Department of Finance and the Executive Council take such action pursuant to this report as may be found advisable and appropriate between the 1949 Convention and the 1950 Convention.

BE IT FURTHER RESOLVED: That the Pension Fund Committee continue to study the pension problems of the Diocese and report further to the 1950 Convention as to the broad pension program of the Diocese.

The usual \$5.00 to the sexton of the Church for his services to the Convention was allowed.

The Rev. Roscoe C. Hauser, Jr., offered the following resolution which was unanimously adopted:

Resolved that this Convention express its thanks to the Rector, and through him, to the Congregation and friends, and to the press, for their wonderful cooperation in making this Convention such a success.

There being no other business, the Bishop announced the adjournment of the Convention and pronounced the Benediction.

Bishop's Address

APPENDIX "A"

THE BISHOP'S ADDRESS

Brethren of the Clergy and Laity:

"Grace be unto you and peace from God our Father and the Lord Jesus Christ."

I welcome you today to the Sixty-Sixth Annual Convention of the Diocese of East Carolina and the fourth over which I have had the privilege of presiding.

Since the last meeting of this Convention, on the date of September 1, 1948, the Rt. Rev. Thomas Campbell Darst, D.D., the beloved Bishop of this Diocese for thirty years, passed into God's eternal hands. Bishop Darst was present with us at the Convention last year and gave us his final message and benediction. I have said, many times during the past three and one-half years, how much Bishop Darst has meant to me in my own life and Ministry. His loving, affectionate, and radiant Christian spirit will be sorely missed by all of us **who were his children**, who knew him, loved him, and admired his wonderful personality so deeply. I will ask the Members of this Convention to rise as we remember together today his spiritual presence. . . Let us pray:

"Almighty God, we remember this day before thee thy faithful servant, Thomas Campbell, and we pray thee that, having opened to him the gates of larger life, thou wilt receive him more and more into thy joyful service; that he may win, with thee and thy servants everywhere, the eternal victory; through Jesus Christ our Lord. Amen."

We meet today in St. John's Church, Fayetteville, a Church that has a long record of fine usefulness in this Diocese. I know that I speak for all present at this Convention when I say how happy we are to be here, and when I extend to the Rector of St. John's and his congregation our appreciation for their most gracious invitation and hospitality.

CLERICAL CHANGES IN THE DIOCESE

During the year 1948, two Clergymen were lost to the Diocese by transfer; the Reverend William B. Daniels, Jr., was transferred to the Diocese of Southern Ohio, and the Reverend Harvey W. Glazier was transferred to the Diocese of North Carolina. During this same year, five Clergymen were added to the Diocese by transfer: The Reverend Arthur D. Bridgers was transferred to us from the Diocese of South Florida; the Rev. William L. Martin, from the Diocese of Kentucky; the Rev. Joseph H. Banks from the Diocese of West Virginia; the Rev. Granville V. Peaks, Jr., from the Diocese of Southern Virginia; and the Rev. W. Alfred Wilkins from the Diocese of Texas. All of these Clergymen are making splendid contributions in their respective Fields.

Although the date of their departure is not statistically contained in their report, I would like to take note, at this time, of the splendid

Bishop's Address

May

work that has been done by three men who, having served faithfully in their present Churches, have been called to Fields of larger usefulness, effective in the near future.—The Rev. John C. Grainger, one of our own East Carolina boys, who, for the past ten years, has been Rector of St. Stephen's Church, Goldsboro, has been called to the Diocese of Maryland. The Rev. Roscoe C. Hauser, Jr., who, for the past three years, has been Rector of St. Paul's Church, Greenville, has been called to the Diocese of Florida and the Rev. Julius A. Pratt, Rector of Grace Church, Whiteville, who has been called to the Diocese of Tennessee. All of these Clergymen have done outstanding work in East Carolina, and our prayers and best wishes go with them as they continue to grow in usefulness in the services of their Master in the years to come.

One of the most beloved Clergymen of our Diocese, the Rev. John W. Hardy, was called, effective January 15, 1949, to become Rector of St. John's Church, Wilmington, upon the retirement of the Rev. Edgar W. Halleck. The Rev. Mr. Hardy, his wife, and little girl have already won their way into the hearts of the people of Wilmington and are rendering a real service to their Church, the Diocese, and the Community.

Upon becoming Rector Emeritus of St. John's Church, Wilmington, the Rev. Edgar W. Halleck assumed, voluntarily, many Missionary responsibilities in the Southern end of the Diocese. Mr. Halleck is of inestimable help to the Diocese at this time. After twenty-three years of faithful, loyal, and consecrated service as Rector of St. John's Church, Wilmington, Mr. Halleck is known and beloved throughout East Carolina.

ACHIEVEMENTS OF CHURCHES

It is impossible, in this Address, to give adequate recognition to all of the events since we last met, but I would like to call attention to some of the improvements in the physical condition of the following Churches that have been brought to my attention: **The Parish Houses** of Trinity Church, Lumberton, and of St. George's Church, Pikeville, have been fully completed and are serving, adequately, the needs of their Churches and the Community. **Extensive work has been done** this year on Calvary Church, Swan Quarter, and St. Timothy's Church, Farmville, and these Churches are now moving rapidly toward completion. The first Service to be held in St. Timothy's Church, Farmville, was held on Christmas Day, after windows for the Church were donated by St. Mary's Guild of St. James Church, Wilmington. **New Parish Buildings and Church School Rooms** have been constructed by Grace Church, Whiteville, All Souls Church, North West, and Zion Church, Jessama. **Galilee Mission, Lake Phelps**, has almost completed a splendid, new Parish House, and it is significant to note that, although the materials and equipment are being given by outside Diocesan sources, the actual labor of construction is being done by the men of Galilee Mission, under the able supervision of our Mission Worker, Miss Lona Belle Weatherly. **Extensive improvements, or additions, have been made** to the Church property of Holy Cross Church, Aurora, St. Paul's Church, Beaufort, Trinity Church, Chocowinity, St. Mark's Church, Grifton, Emmanuel Church, Farmville, St. Poul's Church, Clinton, Holy Innocents Church,

Bishop's Address

Seven Springs, St. Matthew's Church, Yeatesville, St. Mark's Church, Roxobel, and St. Philip's Church, Tar Landing. Christ Church, New Bern, is in the midst of complete renovation, repair, and improvement which will involve, I understand, an expenditure of approximately \$50,000.00.

The progress that has been made in recent years by two Churches is worthy of note, I feel, by this Convention. Trinity Church, Lumberton, with a congregation of eighty-nine (89) members, showed an expenditure during the year that is covered by this Address of \$32,056.58. The congregation, during the past three years, has increased 30%. This shows what can be done by a small group of people on fire with the message of Jesus Christ. St. Andrew's Church, Wrightsville, in two and one-half years, has increased their Communicant Strength 70%; they have spent \$15,000.00 for the improvement of their Church; lowered the Church debt by one-third; and increased the portion of salary being paid to the Minister from \$15.00 each month to \$125.00 each month—thereby releasing funds which can now be used to promote new Missionary Work in the Diocese.

Finally, I would like to commend St. Mary's Church, Burgaw, a very small church, that in two years has increased its Communicant Strength by 25%.

, East Carolina is essentially a Diocese of small Churches. The work of the Bishop, this Convention, and the whole Diocese, must be centered, first of all, upon these small Churches—to make them grow and develop in every possible way. The hands of their Clergy must be held high. Nothing must ever be done, to in the least possible way impair their work, but to make them grow.—But let me make this plain, my dear Brethren. The standard of Laymen must be set higher. If our Church in East Carolina is to do its part in promoting Christ's Cause, we must try to bring more new Unchurched People into our midst. We must help the Diocese more to release resources which can then be used in places even smaller than our own to begin new Churches and to strengthen the work of smaller ones. In the words of William Carey, that great Missionary for God, our Churches must “attempt greater things for God and expect greater things from God.”

COMMITTEE ON DIOCESAN BOUNDARY LINES

Since the last Meeting of this Convention, and during the past year, one of the vital concerns of the Diocese has been the question of the readjustment of Diocesan Boundary Lines in the State of North Carolina. This Convention, last year, instructed a Committee to proceed with this matter, looking toward a more equal realignment of the Dioceses of the State. This Committee will report to the Convention this year, and so, it is not my intention to go into the subject in this Address. I would like to state to the Convention, however, that this Committee has worked most diligently and earnestly upon the matter, and I would like particularly to commend the Chairman, the Chancellor of our Diocese, Mr. Junius D. Grimes, for his unceasing efforts in this regard. I feel that the whole Diocese of East Carolina owes to Mr. Grimes and his associates a debt of real gratitude for the many, many days and weeks of hard

1949

work that have gone into the compiling of statistics, the preparation of briefs for Committee presentation, and the actual Meetings of the Committee.

DIOCESAN SURVEY COMMITTEE

At the last Meeting of this Convention, it was suggested that a Diocesan Survey be made dealing with the needs and opportunities of the Diocese—with long range views and objectives in mind. It was hoped that this could be made by the Home Department of the National Council. The National Council being unable to make this Survey for sometime to come, the Executive Council of the Diocese selected a Committee, upon the Bishop's nomination. Certain changes and additions to this Committee have necessarily been made, and in view of the fact that certain members were asked to serve, the following Committee has been selected, and it is hoped that they will be willing to go forward with this most important work: Mr. Peter B. Ruffin of Wilmington, Chairman; Mr. Junius D. Grimes, of Washington; Mr. James Smith, of Goldsboro; the Rev. John W. Hardy, of Wilmington; the Rev. John Bonner, of Lumberton; Mr. Alban K. Barrus, of Kinston; and Mr. Will G. Gaither, of Elizabeth City. The functions of this Committee are to be within the following prescribed areas, unless otherwise instructed by the Executive Council:

(1) A rethinking of the grouping of Churches in the Missionary Fields of the Diocese.

(2) Unification of Mission Fields through one joint Vestry, one Budget, and unified objectives.

(3) A rethinking of the financial support of Missionary Clergy by the Diocese and the local Field.

(4) A concentration of the strength of the Church in certain growing Communities of the Field.

THE VIRGINIA SEMINARY CAMPAIGN

One of the primary objectives of the Diocese for the past year has been the Virginia Seminary Campaign. At the last Meeting of this Convention, a goal was set for the Diocese of \$15,000.00. The Chairman of this Campaign, Mr. Will G. Gaither, has worked indefatigably for this cause, and I wish, in this Address, to express my appreciation to him for his sacrificial and unceasing efforts to make the Campaign Fund a success. Mr. Gaither has always given fully of his time, his ability, and his great Christian character, to the Diocese of East Carolina.

Although the Virginia Seminary Campaign started out with a rather limited objective, that of seeking to raise funds for the replacement of its physical equipment, the scope has now been greatly enlarged. The study conducted during the past year revealed to the Church its number one problem, that of Clergy shortage. The Virginia Seminary is trying, realistically, to meet the problem and to point the way forward to the rest of the Church. I touch upon this in my Convention Address because I, personally, have become thoroughly convinced that all of the

Bishop's Address

May

Church's real problems and needs stem from this cause. I feel that it is essential for the Church, above all other things, to realistically meet this problem immediately. I believe that you will hear much about this in the immediate future, and I believe that our Delegates to the General Convention in San Francisco will have an opportunity to vote upon matters which will vitally affect the Church for many generations to come.

The need in the Church today is for vital leadership—from our Clergy and from our Lay People. Two ideologies are competing in the world for mastery—"Russian Communism" and "the Faith of Jesus Christ." The "cold war" that is being waged, is essentially in the realm of Religion. Constant interpretation of these two conflicting Faiths is needed in the world today. The Master once said something about "the Sabbath being made for man and not man for the Sabbath". I am sure, also, from an interpretation of the Christian Faith, that He would say "The State is made for man, and not man for the State". That is (of course) the essential difference between Marxian Communism and Christianity.

And yet, although there is open hostility now between Christian belief and Marxian Communism, that, to my mind, is not the greatest danger facing the Christian Church. The greatest danger is not Hostility from without, but Indifference from within, the "insidious fifth column", seeking to destroy from within the Faith of Jesus Christ.

The sure way for us, as Christians in East Carolina, to combat the ideology of Russian Communism is to make our Christian Faith strong. To arouse those who are indifferent—to have our Laymen on fire for the Faith they believe in—to make our Churches "towers of Christian strength" in their Communities. God grant that all of us may sense the need of these urgent times—that we may keep before us in this Convention our responsibility as followers of Jesus Christ in the midst of a needy world—That East Carolina may do its part in making "the Kingdoms of this World" the Kingdom of our Lord and Master, Jesus Christ.

C. McD. DAVIS' REPORT OF NATIONAL COUNCIL

Because of conflict in dates of the annual meeting of stockholders of Atlantic Coast Line Railroad and the April meeting of the National Council of our Church, I was unable to attend the latter.

That meeting, however, was, I am happy to say, only the second meeting of the Council I have had to miss since my membership beginning in the Fall of 1946.

With the exception of a personal letter, which I received on yesterday, from a member of the Council, Bishop Mitchell of Arkansas, I have had no report of the activities of the Council at the April meeting other than as given in the May 8th issue of the Living Church.

Bishop Mitchell's letter in referring to the meeting said, "It struck me as a rather routine and quiet sort of meeting considering all the important matters we dealt with." Bishop Mitchell undoubtedly had in mind the fact that the April meeting is the so-called "Budget Meeting", meaning, especially, that at the April meeting the budget to be presented to the General Convention in September was to be adopted.

The Living Church article says the Council adopted a budget of \$5,552,000 compared with \$3,650,000 for 1949, or an increase of slightly more than \$1,900,000. Involved is an increase in Missionary giving of \$1,200,000.

It is to be remembered that the National Council is required to submit a budget for the next triennium and that budget of \$5,552,000 for 1950 will be repeated in the two years following, namely, 1951 and 1952.

For the first time the Presiding Bishop's fund for World Wide Relief in the amount of \$500,000 was placed in the budget.

As pointed out by the Presiding Bishop at the Council Meeting, the increase of \$5,552,000 is not so large as it looks, because, including the

1949

Report of National Council

\$1,400,000 for the World Relief raised in a single day—February 29, 1948—the total for 1948 was more than \$4,300,000.

These increased givings on part of Episcopalians are truly a joy to me, as I know they are to all of us, and indicate that Episcopalians are learning the real pleasure of giving. Giving probably is not a natural instinct, but those who have cultivated the habit, if I may so term it, and most of us have, find real joy in giving for the benefit of others less fortunately situated.

I mention this budget figure of \$5,552,000 as representing the budgets for 1950, 1951 and 1952 so that you may know that the budget proposed, certainly for the next three years, is stabilized at that figure.

It is always a special pleasure to me to know that East Carolina consistently does its part in giving—in fact, does its part in all activities of the Church. We seldom, if ever, have to make excuses for East Carolina.

The Treasurer of the National Council in report dated February 3, 1949, stated that with the close of the year 1948 every Continental Diocese and District met its expectation in full.

The Fourth Province, which includes East Carolina, not only went beyond its quota in 1948 but overpaid its expectation. This should be pleasing to all of us here because all had his or her part in the splendid work.

In a letter dated May 3rd I received from Mr. Jordan, Director of One Great Hour, Mr. Jordan said, "The reports are coming in slowly, but it looks as though we will make our quota." That quota is \$1,000,000 and less than the \$1,500,000 we raised for World Relief in a single day in 1948—February 29, 1948.

I am serving in my third year as a member of the Council and have found the work highly interesting. It would hardly be possible to be associated with a finer group of Christian men and women than those who comprise the Council. There are more controversial questions at each meeting than, prior to my membership, I assumed would arise, but all questions are calmly debated, very carefully considered, and disposed of, I believe, in the best interest of the Church as a whole.

As you probably know, there are 32 members of the National Council, which membership includes the President of the Council, who is also the Presiding Bishop, the Vice-President, Bishop Bentley, the Treasurer, Mr. Dill, the Secretary, Dr. Barnes, 9 Bishops, 7 Clergymen, 8 Laymen and last, but not least, 4 ladies selected by the Woman's Auxiliary to represent the Auxiliary on the Council.

At the time of the next General Convention about half of the present senior members of the Council will be replaced by new selections to be made at San Francisco—so those of us who remain will this Fall have new associates: For that reason, particularly, I am sorry to have missed the April meeting and, therefore, the opportunity of meeting with those whose term of service expires in September.

Report On Re-Alignment of Boundaries

May

I feel that I have made a number of warm personal friends among members of the Council during my service with that body, and that those friendships will continue after our respective limited service on the Council has ended.

When I was made a member of the Council, I met for first time our very good friend, Bishop Donegan, not then a Bishop but Rector of one of the large Parishes in New York City, who, in the Fall of 1948, completed a fixed tour of duty as a member of the Council. It was in that Association that I came to regard him so highly as a man, a friend, and as a true servant of God.

I was particularly delighted when he was elected Bishop and I journeyed to New York City in November, 1947, to see him Consecrated in one of the outstanding Consecration Services of all time.

One of the really outstanding pleasures in connection with my service as a member of the Council is that at each and every meeting, without exception, I am greeted with questions of friendly inquiry concerning the Diocesan growth of East Carolina and the physical health of our own Bishop Wright, who now guides the destinies of our Diocese.

It delights me, too, to still hear fine references to our beloved late Bishop Darst and the late Dr. Milton, both of whom made such an indelible impression on members of the Council and the Council's work.

Members of the Council never seem to tire of asking me about Bishop Wright and his work, and I never tire of giving the favorable report which is the reflection of his work among us.

Also, believe it or not, every now and then someone asks about the Bishop's wife, who, with her lovely character and sweet personality, has won the hearts of all who know her and many who have just heard about her as an ideal Bishop's wife and an ideal mother.

APPENDIX "D"**REPORT OF COMMITTEE FROM DIOCESE OF
EAST CAROLINA ON RE-ALIGNMENT OF
DIOCESAN BOUNDARIES**

To: Rt. Rev. Thomas H. Wright,
Bishop of Diocese of East Carolina
Right Reverend Sir:

At our 65th Annual Convention, which was held last May in St. Stephen's Church in Goldsboro, a resolution was unanimously passed asking you to appoint a Committee of six male members consisting of three Clergymen and three laymen to meet with like committees from the other two Dioceses in North Carolina to consider the question as to whether a change in the territorial limits of the three Dioceses would promote the best interest of the Church in this State, and to consider

1949

Report On Re-Alignment of Boundaries

whether the best interest of the Church in the State would be best promoted by having two Dioceses or retaining three Dioceses and if three Dioceses be retained, as to the wisdom of changing the dividing line between them.

The resolutions passed by this Diocese provided that "Said committees shall jointly discuss carefully all phases of this matter and acting as one committee shall make recommendations to the three Dioceses within thirty days after the adjournment of said Conference for such action as they think will best promote the interest of the Church in this State; said recommendations to be sent promptly to the Bishop of each of the three Dioceses to be considered by the Dioceses respectively at their next annual convention."

A resolution in the same language was passed by the Diocese of Western North Carolina at its convention on May 11, 1948, and a resolution of similar purport was passed by the Diocese of North Carolina on May 11, 1948, except that the Committees should severally make recommendations to their respective Dioceses for such action as they think will best promote the interest of the Church in this State. The Bishop of East Carolina appointed as his committee the Reverend Messrs. Stephen Gardner, R. C. Hauser, Jr., John W. Hardy and Messrs. Peter B. Ruffin, William G. Gaither and Junius D. Grimes. The Bishop of North Carolina appointed the Reverend Messrs. James M. Dick, Charles F. Herman, David W. Yates and Messrs. J. H. Cutter, J. A. Mackie and W. H. Ruffins. The Bishop of Western North Carolina appointed the Reverend Messrs. Mark A. Jenkins, James B. Burke, C. G. Leavell and Messrs. William F. Balthis, S. W. Blanton and Kingsland Van Winkle.

A joint meeting of the three Committees was scheduled to be held in Raleigh on January 27, 1949.

In anticipation of this joint meeting, the Committee from East Carolina met in Washington, N. C., on January 12 in order to have a thorough discussion of the matter. Bishop Wright was present at this meeting as were all members of the Committee except the Reverend Mr. Hardy, who was in the process of moving his residence from Williamston to Wilmington. All phases of the matter were explored fully in order to arrive at a proper course of action for the Committee to pursue at the joint meeting in Raleigh. While there was no unanimous agreement on any single proposal, it was the consensus of the majority that we should advocate the continuance of three Dioceses in the State, with the addition of certain counties to the Diocese of East Carolina and with a corresponding decrease in the size of the Diocese of North Carolina. The Reverend Mr. Hauser was the only committee member present who advocated the division of the State into two Dioceses.

After a very thorough discussion of the matter, it was agreed that the Committee should go into the joint meeting open-minded and uncommitted to any specific plan, although it was decided that the Committee should propose that Wilson, Edgecombe, Nash, Halifax and Northampton Counties be transferred from the Diocese of North Carolina

Report On Re-Alignment of Boundaries

May

to the Diocese of East Carolina. Bishop Wright concurred in this, and the Chairman, Mr. Grimes, was requested to make the formal presentation of the East Carolina proposal and position, supported by all pertinent statistical data available.

The joint meeting of the three Diocesan Committees was held as scheduled in Raleigh on January 27, 1949. All members of each Committee were present, except Rev. James B. Burke, a clerical member from the Diocese of Western North Carolina, who was prevented from being present by recent injuries in an accident. Bishop Penick of the Diocese of North Carolina was also present. (Bishop Wright and Bishop Henry stated later that they did not understand that they were expected to attend.) The Reverend Mr. Dick of the Diocese of North Carolina was elected Chairman of the joint meeting, and the Reverend Mr. Hauser of the Diocese of East Carolina was elected Secretary.

Mr. Grimes then presented the East Carolina position from a carefully prepared statement, supported by a large amount of statistical data. He informed those present that the East Carolina Committee was open-minded, had come to no unanimous conclusion, but did propose that the five counties of Wilson, Edgecombe, Nash, Halifax, and Northampton be transferred to the Diocese of East Carolina. Later in the meeting, other members of the East Carolina Committee spoke in support of this proposal and gave additional data and information not included in Mr. Grimes' remarks.

Various members of the Committee from Western North Carolina then spoke and stated that no conclusions had been reached by their Committee as to just what should be done, but that their Diocese would be willing to accept the four counties of Mecklenburg, Iredell, Yadkin, and Surry, which are immediately east of the present boundary line of that Diocese. They supported generally the idea of continuing three Dioceses in the State, but with a re-alignment of the boundaries along the lines suggested.

No positive expressions were made by members of the Committee from the Diocese of North Carolina, although several Committee Members asked questions about particular points made by members of both the other Committees.

The Chairman then called on Bishop Penick for any observations he might wish to make. Bishop Penick pointed out that he had given careful thought to the matter for many years, and that it was not a new problem or proposal, but one which had been considered in prior years. He opposed the assumption that the division of the State into two Dioceses would be helpful to the work of the Church in the State as a whole, and stated further that he was perfectly willing to listen to proposals for readjustments which might be justified, but that he would have "to be shown" that any proposals were justified. Bishop Penick also submitted certain statistics showing the effect of the East Carolina proposal on the Diocese of North Carolina.

Various Committee Members present then pointed out the desirability of having the three Bishops meet together to discuss the entire

1949

Report On Re-Alignment of Boundaries

matter for the benefit of the three Committees. Bishop Penick offered to call such a meeting of the Bishops, but stated that each Bishop could meet with his own Committee subsequently to discuss the matter rather than have a joint report of the three Bishops which would be improper and out of order.

At the request of Mr. Grimes, the Chairman agreed to call another joint meeting to be held in Raleigh during the latter part of April. The meeting was then adjourned.

The second joint meeting was held in Raleigh on April 29. All Committees were well represented, although pressing personal business was responsible for the absence of certain members. Bishop Penick and Bishop Wright were also present. The Reverend Mr. Dick again acted as Chairman, and the Reverend Mr. Hauser again acted as Secretary.

Mr. Grimes spoke first and presented additional statistical data in support of the East Carolina proposal regarding the five counties. Other members of the East Carolina Committee also spoke in favor of the proposal, and urged that the matter be considered very carefully at this time.

Bishop Penick then spoke on the subject of the meeting of the three Bishops which had been held in Raleigh on Easter Monday. He expressed a desire to make any move which would be for the best interest of the Church in North Carolina as a whole, but stated that he had not been convinced that any of the proposals which had been made were sound and should be carried out. Bishop Penick also stated that he had made inquiries throughout these five counties in the eastern section of North Carolina in order to determine what sentiment existed in favor of a change to East Carolina. He stated that he had found no evidence of a desire to change on the part of the various people with whom he had discussed the matter. He also stated that he had not received a single formal request from any Parish or Vestry to have the transfer effected. He offered to continue to consider this matter as circumstances dictated.

Bishop Wright then gave his views and gave forceful reasons in support of transferring the five counties to the Diocese of East Carolina. Specifically, he pointed out that a few Parishes in East Carolina provide the support of the majority of Parishes in the Diocese, and that the addition of the five counties would add several strong Parishes to East Carolina, thereby making a much strong Diocese. He also expressed the hope that the entire matter would be considered from the point of view of the Church in the State as a whole in the hope of strengthening the weak Dioceses without materially hurting the Diocese of North Carolina, the strongest of the three.

Bishop Henry of the Diocese of Western North Carolina not being present, was unable to express himself. The Chairman of the Committee, the Reverend Mr. Leavell, presented a formal proposal, however, calling for the transfer of Mecklenburg, Iredell, Yadkin, and Surry Counties from the Diocese of North Carolina to the Diocese of Western North Carolina. He supported his proposal with statistics showing the

Report On Re-Alignment of Boundaries

May

net effect on all three Dioceses if both transfers were made. In closing, he stated that regardless of the outcome of these deliberations, his delegation would continue its work for the good of the Church as a whole.

There followed considerable discussion as to procedure, after which it was agreed that the report of each Committee to its own Convention would be sent to the Bishops of the other two Dioceses in accordance with the original resolutions creating the Committees. No joint resolutions were permitted due to the resolution of the Diocese of North Carolina which specifically provided that its Committee should report back to its Convention alone. It was the consensus of those present that any further consideration of the matter would depend on action of the three Diocesan Conventions to be held shortly.

There being no further business, the joint meeting was declared adjourned.

As was the case in the previous joint meeting, the meetings were held in the Parish House of the Church of the Good Shepherd, Raleigh, and those present were luncheon guests of the Diocese of North Carolina.

In connection with this matter, we compiled some statistics showing comparative strength of the three Dioceses. These statistics are set forth on the three attached sheets, which we ask to be considered as a part of this report.

However, we think it proper to set out here a few of these which we deemed very important in considering this matter.

	East Carolina	North Carolina	Western North Carolina
Population in 1940	865,366	1,894,225	812,032
Native White Population 1940	501,024	1,326,637	728,179
Communicants	8,930	15,889	4,829
Aggregate assessed Value of Real & Personal Property in 1946	\$553,446,252	\$1,832,887,114	\$596,502,184
Percentage of Population in 1940 of Cities with more than 2,500 Popu- lation	18%	33%	21%
Value of Church Property in 1949	\$2,127,928	\$7,473,475	\$2,288,795

We have asked the Bishop of the Diocese of North Carolina to cede to us the Counties of Edgecombe, Halifax, Nash, Northampton, and Wilson.

These five counties have an aggregate population (as of 1940) of 239,800 persons—approximately 12½% of Diocese of North Carolina, and 2,433 Communicants (or 15% out of a total of 15,889.

The percentage of the pledge for Episcopal Maintenance Fund and

1949

Report On Re-Alignment of Boundaries

the Church's program fund that come from these five counties is only about 14% of the whole.

If our request were granted and these five counties ceded to East Carolina, then Diocese of North Carolina would still have a population of 1,654,425 as against 1,105,166 in East Carolina and a Communicant strength of 13,456 as against 11,363 in East Carolina, and Pledge for Episcopal Maintenance and Church's program fund of \$97,647 in North Carolina as against \$59,350 in East Carolina.

We feel that these figures fully justified our request, and that the cession of these counties to East Carolina would not impair the effectiveness of the Church Work in Diocese of North Carolina and would materially strengthen East Carolina.

We fully recognized that no additional territory could be given our Diocese without the approval of the Bishop and Diocesan Convention of North Carolina, and that until such approval was given, it would be improper for us to ask the Parishes in these Counties to join us, hence no effort was made in that direction.

It is the feeling of the East Carolina Committee that while no formal proposals have been adopted and no positive action has been taken in regard to the general question of re-alignment of Diocesan Boundaries, much has been accomplished by the three Committees that have made a study of this important matter. It is felt that interest throughout the three Dioceses has been stimulated by the active consideration that has been given to this problem. It is also felt that there is a clearer understanding of the whole question by the representatives of the three Dioceses and others in the State who are concerned with the subject.

We in East Carolina are very hopeful that the ground work that has been done during the past year will lead to further active consideration during the coming year and that out of our past and future deliberations will come some move which will serve to strengthen the Dioceses of East Carolina and Western North Carolina without reducing the effectiveness and potency of the Diocese of North Carolina.

To this end, we recommend that the East Carolina Committee remain in existence as presently organized and cooperate fully with Bishop Wright and with the two other Dioceses in North Carolina in any future consideration of this matter which may be authorized and which may be considered appropriate.

May 11, 1949.

REALIGNMENT OF DIOCESAN BOUNDARIES
IN THE STATE OF NORTH CAROLINA**

At the invitation of the Rev. James M. Dick, rector of the host parish, and Chairman of the N. C. Committee on Realignment, the committees from the three dioceses in the State, met at the Church of the Good Shepherd, Raleigh, on January 27, 1949.

The meeting was called to order by the host rector, and was opened with prayer by the Rev. Stephen Gardner, (EC).

The Rev. Mr. Dick proceeded with the roll call, and in addition to Bishop Penick of North Carolina, the three Dioceses of the State were represented by the following committees:

N. C.

The Rev. James M. Dick*	Mr. J. H. Cutter
The Rev. Carl Herman	Mr. J. A. Mackie
The Rev. David Yates	Mr. Cleveland Thayer

W. N. C.

The Rev. Mark A. Jenkins*	Mr. W. L. Balthis
The Rev. C. G. Leavell	Mr. S. W. Blanton
	Mr. Kingsland Van Winckle

(The Rev. J. P. Burke, third Clerical member of the WNC Committee was absent, due to injuries from a recent accident).

The Rev. Stephen Gardner	Mr. J. D. Grimes*
The Rev. John W. Hardy	Mr. P. B. Ruffin
The Rev. R. C. Hauser, Jr.	Mr. W. G. Gaither

After some discussion as to procedure, it was agreed that a Chairman and a Secretary for this joint-meeting should be elected. The Rev. J. M. Dick (NC) was elected Chairman, and the Rev. R. C. Hauser, Jr. (EC) was elected Secretary.

The Chairman opened the meeting by reading the resolution adopted by the Diocese of North Carolina at its last annual Convention, and interpreted this to mean that this joint-meeting was assembled for the purpose of discussion only, with the Committee from NC unable to agree to or to adopt any resolutions or proposals made at this joint meeting. The NC Committee was in agreement on this interpretation, so the Chairman extended an invitation to the spokesmen from the other Dioceses to open the discussion.

Mr. Grimes (EC) spoke first from a thoughtfully prepared manuscript, and he reviewed and summed up the following points in his presentation:

1. The background of the establishing of present Diocesan lines.
2. Presented present-day statistics and a map for comparison.
3. Mentioned that EC Committee was not unanimous on any single

1949

proposal, but had come to this meeting open-minded.

4. Proposed that 5 counties, now a part of the Diocese of North Carolina, be included in East Carolina, to permit Diocesan line to follow, roughly, the ACLRR line. These counties are Wilson, Edgecombe, Nash, Halifax, and Northampton.

General discussion followed Mr. Grimes' proposal.

The Rev. Mark Jenkins (WNC) spoke for the Committee from his Diocese. He reported that the WNC Committee had had a prior meeting but no conclusions had been reached, and they were attending this joint-meeting with open minds.

The Rev. C. G. Leavell (WNC) added to Mr. Jenkins' report that his Diocese would be willing to accept the 4 adjacent counties to WNC on the east and running north and south. These counties would be Mecklenburg, Iredell, Yadkin, and Surry.

Mr. Van Winckle (WNC) added the voice of the Laymen to this proposal and expressed the opinion that the annexation of the 4 counties mentioned would meet with the approval of Bishop Henry (WNC)

Mr Ruffin (EC) was the next speaker, and he confined his remarks to the 5 counties mentioned in Mr. Grimes' proposal. Mr. Ruffin spoke of the cultural, economic, political, and family ties of the people in these counties with the people in the Diocese of East Carolina.

The Rev. David Yates (NC) brought up the financial aspects of the 5 counties suggested by the East Carolina Committee proposal. Much discussion followed this.

The Rev. Mr. Leavell (WNC) felt that his Diocese would be benefitted greatly along financial lines by the addition of Mecklenburg County, but realized that some financial liability would be involved in the other three counties.

By request of the Chairman, the Rev. R. C. Hauser, Jr. (EC) spoke in favor of the State being divided into two Dioceses.

At this point, the Chairman called on Bishop Penick (NC) for any observations or remarks he cared to make, from the discussions he had heard at this meeting.

Bishop Penick (NC) spoke of having given much thought to this whole problem for many years and reminded all present that it wasn't a new problem by any means. In his remarks the Bishop:

1. Opposed the assumption that two Dioceses in the State would help the work of the Church. It was his opinion that such a division, with a Bishop and a Coadjutor in each Diocese, would result in "four" divisions in practice, with each Bishop having his own loyal personal followng.
2. He said that he would be willing to listen to readjustments which might be justified.
3. He read from written notes some vital statistics on the 5 counties

involved in the East Carolina proposal. He said that a transfer of these counties would mean a loss to the Diocese of NC of:

11 Clergymen; 27 Parishes and Missions; 2,600 Communicants, (approximately); \$764,000 in Church property evaluations; \$3,000 for support of the Episcopate; \$22,000 for support of the Missionary and General Church Budget. The only financial liability in this area amounted to \$7,800 for the support of Missions.

4. He concluded his remarks by stating that he was still willing "to be shown".

Mr. Ruffin (EC) suggested that the three Bishops of the State meet and discuss this whole matter and furnish the three Diocesan Committees with their opinions.

The Rev. Mr. Hauser (EC) made the motion that the Chairman of this joint-meeting, the Rev. Mr. Dick (NC), extend the invitation to the three Bishops for this meeting.

The Rev. Mr. Leavell (WNC) seconded this motion.

Mr. Ruffin (EC) offered a formal substitute to this motion, with the same objective in view, but with the provision that the senior Bishop of the State extend the invitation to the other Bishops.

Mr. Balthis (WNC) seconded the substitute.

Much discussion followed this motion, primarily on the legality of a motion or a resolution adopted by this joint-meeting.

Bishop Penick (NC) was recognized by the Chairman, and he volunteered to contact and invite Bishops Wright (EC) and Henry (WC) for a discussion of this whole matter. It was suggested that each Bishop meet with his own Diocesan Committee after meeting together.

The previous motion and substitute motion were withdrawn.

After more discussion involving a future joint-meeting of the three Diocesan Committees, the Chairman ruled that upon request of the Chairman of any one of the Diocesan Committees on Realignment, he would call a joint-meeting.

Mr. Grimes (EC) immediately made such a request and the latter part of April, 1949, was suggested.

Mr. Van Winckle (WNC) made a motion to adjourn. There being no legal objections to the motion, it as adopted.

The Benediction was pronounced to close the meeting.

Respectfully submitted,

Minutes of Second Joint Meeting

MINUTES OF THE SECOND JOINT-MEETING OF COMMITTEES
ON REALIGNMENT OF DIOCESAN BOUNDARIES
IN TH STATE OF NORTH CAROLINA

The second joint-meeting of the three committees convened at 11:30 a.m., April 29, 1949, in the Parish House of the Church of the Good Shepherd, Raleigh, with the following Bishops and committee members present:

Bishop Penick (N.C.) and Bishop Wright (E.C.)

N. C.

The Rev. James McD. Dick, Chr.

The Rev. David Yates

The Rev. Carl Herman

Mr. J. A. Mackie

Mr. Cleveland Thayer

W. N. C.

The Rev. Mark Jenkins, Chr.

The Rev. C. G. Leavell

Mr. W. L. Balthis

E. C.

The Rev. Stephen Gardner

The Rev. John Hardy

The Rev. R. C. Hauser, Jr.

Mr. J. D. Grimes, Chr.

Mr. P. B. Ruffin

The Rev. Mr. Dick (NC), chairman of the joint-meeting called the group to order, and after the invocation by Bishop Wright (EC), the roll call was made by the secretary, the Rev. Mr. Hauser (EC). The reading of the minutes of the last meeting was next in the order of business. The minutes were accepted without change.

The Chairman called on Mr. Grimes (EC) to open the discussion. Mr. Grimes spoke on the East Carolina proposal, which had been presented in the former meeting, involving the transfer of five counties (Wilson, Edgecombe, Nash, Halifax, and Northampton) from the Diocese of North Carolina to East Carolina. The speaker also presented comparative statistics, involving the transfer of the five counties.

Some discussion followed this proposal, with the Rev. Mr. Dick (NC), the Rev. David Yates (NC), and Mr. Grimes (EC) taking part.

Mr. Ruffin (EC) spoke in favor of the East Carolina proposal. He also requested a report from the two Bishops present on the meeting of the three Bishops of the State on this matter, which meeting had been held at the invitation of Bishop Penick (NC), on April 17, 1949, in Raleigh.

Bishop Penick (NC), in reporting on the meeting of the three Bishops said that this was the first time this matter had been the subject of discussion "in the open" with the three Bishops of the state present. He further stated that the three Bishops had agreed that no joint-recommendations would be made to this joint-meeting, but that each had been free to make recommendations to their respective Diocesan committee.

Minutes of Second Joint Meeting

May

Bishop Penick (NC) then spoke on some matters involved in the East Carolina proposal. He made the following points:

1. The point of difference which could be drawn in interpreting the statistics which had been presented.
2. The geographical relationship between the proposed territory and the Diocesan headquarters of North Carolina and East Carolina.
3. Cited comparisons of a number of other Diocesan boundaries throughout the United States.
4. Has discovered very little sentiment or interest in favor of this proposal, even within the territory involved in the proposal.
5. Has received no official request from any of the parishes or missions in the area involved.

After Bishop Penick had spoken, the Chairman called on Bishop Wright (EC), for any remarks he cared to make. Bishop Wright was in full agreement with Bishop Penick (NC) involving the meeting of the three Bishops of the state.

Bishop Wright (EC) then spoke of the sentiment for a change in the boundaries, which he had discovered in his own Diocese, and for the need of making this change more for the future than for the present. His reasons were:

1. If line had been created unwisely, originally, there is no sacred reason why it cannot be changed today. For the past several decades, the population movement in North Carolina has been from the eastern part of the state toward the industrial parts of North Carolina. East Carolina has actually been a "feeder" of communicant strength to the other Dioceses of the state.
2. The like-mindedness of the people in the five counties involved in the East Carolina proposal, and the people of the Diocese of East Carolina. He mentioned that the people of these respective areas "did everything together, except have their Church life with each other."
3. Need for a few towns and cities of better size in East Carolina, not only from the financial assistance angle, but also from the Church leadership and strength angles. He suggested that the future was much more important in this respect than the present. He pointed out that the only towns showing any appreciable growth in population within the Diocese of East Carolina, were the towns in the western and central area of the Diocese, i.e., Fayetteville, Goldsboro, Kinston, and Greenville; others are static in size or becoming smaller. The towns just across the present Diocesan boundary are also growing. He answered Bishop Penick's point on the geographical relationship between present Diocesan headquarters and the five counties in the proposal, by stating that "Diocesan headquarters of East Carolina may have to be moved someday, whether the transfer of the five counties take place or not".

1949

Minutes of Second Joint Meeting

Some discussion followed Bishop Wright's remarks, with the Bishop, the Rev. Mr. Dick (NC), and the Rev. Mr. Yates (NC) taking part. The main point brought out in this discussion involved the matter of Episcopal supervision, if the proposed area were incorporated in the Diocese of East Carolina. Bishop Wright (EC) explained the nature of much of the territory now served by him.

The Chairman called on the WNC chairman, the Rev. Mark Jenkins for any proposals or remarks he cared to present to the joint meeting. The Rev. Mr. Jenkins (WNC) called on the Rev. C. G. Leavell (WNC) to present the report for their committee.

The Rev. Mr. Leavell (WNC) presented a mimeograph proposal, with a copy available for each member of the three committees. This proposal involved the four adjacent counties to the present boundary line between North Carolina and Western North Carolina, i.e., Mecklenburg, Iredell, Yadkin, and Surry. The speaker drew certain conclusions from the statistics he had incorporated in his report.

The Rev. Mr. Dick (NC) then called on other members of the three committees for any observations or remarks they would care to make. A free discussion on the various problems followed, with the following committee members taking part: Mr. Balthis (WNC), Mr. Ruffin (EC), the Rev. Roscoe Hauser, (EC), the Rev. Carl Herman (NC), Mr. Cleveland Thayer (NC), and the Rev. Mark Jenkins (WNC).

The meeting temporarily adjourned for lunch, which was provided by the Diocese of North Carolina, and served by the ladies of the Church of the Good Shepherd, in the parish house

The meeting continued around the luncheon table, and became more of an informal discussion on numerous points of mutual interest. The Rev Mr Herman and Mr Thayer (NC) had conducted a "poll" among the Clergy and Laymen of the area involved in the East Carolina proposal, and had discovered no appreciable sentiment in favor of the change

By nature of the resolution adopted at the last Diocesan Convention of the Diocese of North Carolina. this joint-meeting was powerless to make a joint report of the two meetings held. It was decided that each Diocesan committee would make its respective report to its own Diocesan Convention. There was much discussion on this point

It was also felt that further joint-meetings and continued study on this matter would have to be determined by action of the respective Diocesan Conventions.

The meeting adjourned around 3 p.m.

Secretary.

Assenda: In separate meetings, the Chairman of the Diocese of North Carolina committee, discovered the resolutions adopted at their last Diocesan Convention, provided for each separate committee to

furnish the three Bishops of the state, the report they were to make to their respective Conventions. The resolutions adopted in EC and WNC also contained this same provision. (s) R.C.H.

Although the claims of the Diocese of Western North Carolina for cession of territory from the Diocese of North Carolina may not in the historical sense be as real as those of East Carolina, they nevertheless are quite as sound from the practical point of view. It is manifest that W.N.C. is the weakest of the three Dioceses within the State of N.C. It was founded as a missionary district in 1895 and composed largely of that portion of the State not wanted by its Mother Diocese. For some time it was a missionary field of the General Church. It still has within its borders perhaps the greatest missionary challenge and opportunity of any section within the State. It became a Diocese in 1922, but has never been strong enough to meet its obligations adequately. Although it recently has come to the status of self-support, it has done so under strict limitations such as we believe do not exist within the other two Dioceses of the State.

We do not think it presumption on our part to ask our Mother Diocese to give us aid which she is able now to give. We want her to be proud of her child, and to give her the opportunity to go forward beside her and grow on equal terms. We therefore respectfully request that necessary steps be taken for a vote as to cession of the counties of Mecklenburg, Iredell, Yadkin, and Surry. This would obviously give W. N. C. (the weakest Diocese, we again remind you) the largest City in the State along with three contiguous counties similar to much of W. N. C. We offer through this proposal, coupled perhaps with the possible cession of eastern counties asked for by East Carolina, a plan to give us three strong Dioceses within our State and also ample Episcopal supervision without the necessity for a coadjutor in any of the three. We believe contacts between the counties we ask for and our present Dioceses would be mutually beneficial, cordial, and natural.

The cession for which we ask would mean addition to W.N.C., and consequent loss to N.C. of 2,824 communicants, 8 clergy, 14 parishes and missions, \$16,308.32 in missionary giving, \$3,180.11 in support of the Episcopate, and total receipts of \$141,677.83. For the moment assuming this cession and also the cession asked for by East Carolina, comparative statistics of the three Dioceses would be:

	N.C.	E.C.	W.N.C.
Communicants -----	10,465	11,530	7,653
Clergy -----	51	53	40
Receipts Church's Program-----	\$ 41,744.66	\$ 99,695.78*	\$ 27,522.56
Receipts for Episcopate-----	\$ 10,128.21	\$ 6,531.96	\$ 7,510.30
Total Receipts -----	\$595,491.92**	\$335,733.21**	\$370,565.54

*Includes \$5,954.93 Reconstruction and Advance Fund in E. C. Journal, around \$12,000.00 Episcopal maintenance carried under a lumping of receipts, other items such as \$3,500.00 Good Shepherd Hospital. Does not include shift of receipts from N.C. to E.C. in proposed territory to be ceded E.C.; suggest this be done by somebody knowing

this territory better! The only financial missionary "liability" we find in the four counties we ask for is \$638.06 to Rector of Trinity, Statesville, for work at St. James', Iredell County.

Whatever the outcome of these conversations may be, it is the intention of our delegation to go home and work harder for the advancement of Christ's Kingdom within that portion of His vineyard committed to us. We honestly believe the work of the Church would be furthered and benefitted by the cession we propose not only in W.N.C. but also in the entire three Dioceses. In any event we are ready to work with whatever we have, believing it is God-given. We believe that by God's grace the Church is going forward throughout North Carolina as a whole, and more especially the Western portion wherein it is our privilege to labor.

REPORT OF THE SPECIAL COMMITTEE OF THE DIOCESE OF NORTH CAROLINA ON THE STUDY OF DIOCESAN BOUNDARIES

To the Bishop and Members of the Convention:

The Special Committee appointed by the Bishop, acting in accordance with the 1948 Diocesan Convention, to meet with similar Committees of the other two Dioceses in this State to "jointly discuss carefully all phases" of the matter of possible changes in existing Diocesan Boundaries, wishes to report that during the past year, two Meetings were held jointly with the Committees of East Carolina and Western North Carolina. In addition, three Meetings of our own Committee were held. Numerous of the Clergy and Laity of the border Counties of this Diocese were consulted and invited to give their views and opinions pertaining to the subject under study.

Inasmuch as our study has not revealed evidence indicating the necessity or advisability of changing Diocesan Boundaries in this State, and in view of the decisions of this Diocese to elect a Bishop Co-Adjutor at this Convention, thus giving the largest of the three North Carolina Dioceses (where the population of the State is concentrated) greatly increased Episcopal leadership and supervision, your Committee recommends that the existing Boundary Lines between the three Dioceses in the State of North Carolina remain unchanged. We believe that it will be for the best interests of the Church as a whole in this State to have the Church concentrate her greatest Missionary effort in that part of the State where the population is concentrated and where the

APPENDIX "E"

AUDIT REPORT—MARCH 31, 1949

The Board of Trustees,
 Diocese of East Carolina,
 Wilmington, North Carolina

Gentlemen:

We have examined the accounts and records of various Trust Funds, as maintained by your Treasurer, Mr. Robert Strange, for the year ended December 31, 1948, and submit herewith the results of such examination on the following Exhibits:

Recapitulation of Fund Balances

Income	Exhibit "A"
Principal	Exhibit "A"

Receipts and Disbursements

All Funds	Exhibit "B"
-----------------	-------------

Our examination embraced tracing of receipts, as shown by the books and records, to the depository. All disbursements were made from the depository, the Wilmington Savings and Trust Company, Wilmington, North Carolina, and supported by cancelled vouchers. Distribution of funds to beneficiaries of the particular funds were accepted as correct. Funds on deposit with the depository were reconciled with the records of the depository as of December 31, 1948. Securities, held for safe keeping in a safe deposit box at The Bank of Wilmington, Wilmington, North Carolina were inspected by us on March 29, 1949. Real Estate, owned by the Trustees, was accepted as correct and deeds were not inspected. Your attention is called to the comments pertaining to real estate in the audit report for the year ended March 31, 1946 and to the land sale to Emeline Northcutt during the year ended March 31, 1947. During the period under review \$50.00 was collected from Emeline Northcutt and this collection was again handled as a down payment on real estate sale—see the Rev. Edward M. Forbes Estate. Income from the property of the Estate of Ellen E. Jackson is shown on Exhibit "B". The Assets of this Estate have not been set up since same have not been determined. Exhibit "B" shows receipt of a gift from Carolyn W. Hughes. We were advised that the disposition of this gift had not been designated at the

time of our audit.

We have shown certain transfers within funds, particularly, with the Miscellaneous and Joint Bond Accounts, as memoranda under receipts and disbursements of the respective funds and as actual receipts and disbursements in the above named accounts.

CERTIFICATE

In our opinion, based upon such examination, and subject to the foregoing comments, the accompanying Exhibits fairly present the condition of the funds held by the Board of Trustees at December 31, 1948.

Gentlemen:

We have examined the books and records of the Diocese of East Carolina, as maintained by the Treasurer, Mr. Robert Strange, for the year ended December 31, 1948.

Report On Church Pension Fund

May

The securities were inspected by us on March 29, 1949, same being located in a safety deposit box at the Security National Bank, Wilmington, North Carolina. Funds on deposit with the Wilmington Savings and Trust Company, Wilmington, North Carolina, were reconciled with the records of and confirmed by the Depository. Other Assets are shown as reflected by the records.

In our opinion, based upon such examination and subject to the foregoing comments, the accompanying statement correctly sets forth the financial condition of the Diocese at December 31, 1948 and the Receipts and Disbursements for the year ended.

APPENDIX "G"**REPORT OF THE COMMITTEE ON CHURCH
PENSION FUND TO THE 66TH ANNUAL
CONVENTION OF THE DIOCESE OF
EAST CAROLINA, FAYETTE-
VILLE, N. C.**

The duties of this Committee as defined in Canon are, briefly, as follows:

(a) To be informed, and to inform the clergy and laity of this Diocese of the pension system of our Church in order that the ordained clergy may be assured of pension protection for themselves in the event of old age, or total and permanent disability, and for their widows and minor orphan children in the event of death.

(b) To receive reports from The Church Pension Fund from time to time on the status of pension assessments payable to said Fund.

(c) To make an annual report to this Convention on such matters relating to the Fund as may be of interest to this Convention.

(d) To cooperate with The Church Pension Fund in doing all things necessary or advisable to the end that the clergy of this Diocese may be assured of the fullest pension protection under the established rules of the Fund.

There is submitted as a part of this report, a letter from Mr. Robert Worthington, Executive Vice-President of The Church Pension Fund, dated April 4, 1949, relative to the general situation with respect to the Fund and with it he has furnished a list of pensions now being paid to beneficiaries of the Fund in this Diocese.

1949

Report On Church Pension Fund

The question of services by beneficiaries of the Fund has been carefully considered by the Trustees of the Fund and the following statement has recently been released by the Rt. Rev. Cameron J. Davis, President of the Church Pension Fund:

**STATEMENT OF THE TRUSTEES ON THE QUESTION OF
SERVICES BY BENEFICIARIES**

"The Church Pension Fund is frequently, and quite naturally, asked what policy is followed in regard to services by beneficiaries.

"The policy is based on the facts that those who framed the system and the Church in adopting it clearly had in mind that its benefits would be paid to retired clergy (and widows and children), that the contributions to the Initial Reserve and the assessment contributions of parishes and other units have been made for the purpose, and moreover that it is in the best interests of the Church and clergy pensions that the benefits shall continue to be so paid.

"The Trustees have no power to say what services the clergy may conduct. But they do have the responsibility of disbursing pensions only to those who are retired.

"Incidental supply services here and there for a few Sundays at a time are considered by the Trustees not to be a return to the active ministry. Services of more than a month or so at any one place in any twelve months are prima facie a return to active status and the pension is suspended after the first month. Suspending a pension is without prejudice of any sort to the clergyman and the pension is re-instated at termination of work, often at a slightly higher figure because of additional assessments paid.

"The Trustees believe the following to be the position which is in the best interests of the clergy and the Church:

- "(1) The active clergy shall be compensated directly by the Congregations they serve, aided if necessary from missionary funds, and the retired clergy shall be provided with income by contributions which the Church and its units route through The Church Pension Fund.
- "(2) The Church Pension Fund shall not make payments to clergy who are not retired. The result of making such payments could be that the congregations and dioceses and missionary organizations would be relieved to that extent of providing an adequate living for those serving them. This is not and should not be a function of what the Church earmarks for those who are retired.
- "(3) Furthermore, any disbursements made by The Church Pension Fund to those who are not retired would mean that much less can be disbursed to those who are in fact retired, in the form of increases over the guaranteed pensions.
- "(4) Pensions by their very nature are not large. The cost of fully

Report On Church Pension Fund

May

adequate pensions would be too great for the Church to stand. There will always be pensions which fall short of sufficiency. But any attempt to eke out pensions of those who are able physically to serve and are convenient to vacant churches would be at the expense of those not so able or convenient.

- “(5) There always have been and doubtless always will be small congregations which cannot provide or find it difficult to provide a living stipend. These are an administrative responsibility of the dioceses and missionary organizations and not a responsibility of resources earmarked for pensions for the retired.
- “(6) The present shortage of clergy is distressing. Nevertheless retired clergy returning to active work at vacant places are entitled to compensation for it from the places, helped out by missionary funds if necessary, as if there were no shortage, and not from funds for retirement pensions.
- “(7) The need is for higher stipends for the active clergy and higher pensions to the retired. Mixing stipends and pensions would lead to lower stipends for the active and lower pensions for the retired.

In behalf of the Board of Trustees
(Signed) CAMERON J. DAVIS,
President”

It might be of interest to outline briefly the beginning of our Church Pension Fund. Prior to March 1, 1917, or only a little more than 30 years ago, when an aged clergyman retired from active service without private means, he automatically became an applicant for charitable aid—in reality, a beggar. He had to ask a charitable society supported by contributions in the churches to give him help and he usually received a promise of from \$50 to \$400 a year—no more. The widows of clergymen were treated in the same way, except that they received less. The Church papers of that time carried pathetic appeals in behalf of those societies; the stories of the poverty of those who had given their lives in the service of the Church were often heartrending. Ministers in the prime of life, with wives and children, felt a chill as they looked ahead to old age and their courage deserted them. The dignity and efficiency of the clergy were seriously impaired. As a result, old and decrepit men were filling the pulpits and holding on tight because they could not afford to resign and fall into abject poverty, while young men were held back from promotion and from entering fields of larger service. There was a total lack of that certainty of some support in old age; some income for his widow in case of his death, that always gives hope, strength and enthusiasm to a man in the stress of active work.

The General Convention of 1910 appointed a Commission to study the subject and from that study there emerged March 1, 1917, our present pension plan. Time does not permit us to do more than touch on the high spots of this important subject, but we think it essential that there be included in this report pertinent information as to the practical aspects of our Church's Pension plan.

1949

Report On Church Pension Fund

The basic idea of the plan is the payment of assessments during the active ministry of a clergyman so as to provide a fair annuity when he reaches the age of retirement—68, or is compelled to retire account of total and permanent disability. These assessments are to be paid by the parishes and missions and are generally based on 10% of the salary of the rector plus one-sixth of his salary where a rectory is provided. They may not be regarded as payable by the Rector out of his salary and the assessment should be remitted by the parish or mission treasurer direct to The Church Pension Fund, 20 Exchange Place, New York, N. Y., in accordance with the bi-monthly notice sent out by the New York office. Where a clergyman is furnished with both board and lodging by the parish or mission, the cash salary is regarded as being increased by 40% for assessment purposes unless a specific figure is available. Where the rent of rectory is paid by the parish or mission or where the rector is paid an allowance to cover same, the actual amount of such rent or allowance is used in lieu of one-sixth of his salary.

According to the latest available information there are:

Fourteen parishes and missions whose pension assessments are in arrears more than one month since January 1, 1949, representing a total of \$139.22 plus accrued interest —\$1.48—\$140.70:

St. Thomas'	Atkinson	St. Augustine's	Kinston
St. Jude's	Aurora	St. Cyprian's	New Bern
St. James'	Ayden	St. Ann's	Roper
St. Thomas'	Bath	St. Luke's	Roper
St. John's	Bonnerton	St. John's	Sladesville
St. David's	Creswell	St. Peter's	Sunbury
St. Martin's	Hamilton	St. Matthew's	Yeatesville

Four parishes and missions whose pension assessments are in arrears for the year 1948, representing a total of \$40.41 plus accrued interest \$1.55—\$41.76:

St. James'	Ayden	St. Thomas'	Sladesville
St. Mary's	Belhaven	St. Paul's	Washington

Sixteen parishes and missions whose pension assessments are in arrears prior to 1948, representing a total of \$872.68 plus accrued interest \$1,216.79—\$2,089.47:

St. John's	Edenton	All Saints'	Fairfield
St. John's	Sladesville	St. Paul's	Beaufort
Holy Innocents'	Sevpen Springs	St. Andrew's	Morehead City
St. James'	Ayden	Calvary	Swan Quarter
St. John's	Grifton	St. Matthew's	Yeatesville
St. Thomas'	Bath	St. Paul's	Greenville
St. Paul's	Clinton	St. Andrew's	Columbia
Calvary	Warsaw	St. David's	Creswell

Some of these date back to 1920 and several of them are for substantial amounts, particularly as to the interest, which is on basis of 5%, compounded annually.

Report On Church Pension Fund

May

It seems probable that the effect of unpaid assessments may not be fully understood by those parishes and missions that have permitted their pension assessments to go unpaid. An incomplete assessment schedule results in a reduced pension. The formula used in arriving at the Age Allowance is 1 1-4% of the average annual salary received since ordination multiplied by the number of years from ordination with a maximum of one-half the average annual salary. The method of calculating the pension is to first calculate what the pension would have been if all assessments had been fully paid and then reduce that figure in the same proportion that the unpaid assessments plus interest bear to the total that should have been paid. Arrearages in the payment of pension assessments affect certain extra benefits which apply when the clergyman dies while in active service, viz: the immediate grant of \$1,000 to the widow of a clergyman and the increase in the widow's minimum pension from \$300 to \$360. These are extra benefits which are payable only where the assessment schedule is complete. Further, the granting of the extra benefits to any new beneficiary in any diocese is contingent upon every parish in union with the Diocesan Convention having paid its proper pension assessments for at least six months of the immediately preceding year. Any such extra benefits that may be held up temporarily by reason of the failure of some parish to comply with this minimum requirement is immediately released if and when the delinquency is corrected.

It may be said, however, that the non-payment of pension assessments jeopardizes the whole structure of the Church Pension Fund, inasmuch as the assessment system is the foundation upon which a group pension plan, such as the Church Pension Fund, rests. Should the assessment system fail, the Fund could not long continue in successful operation. From this it follows that the interests of all the clergy depend upon the proper payment of all pension assessments.

Any member of our Church Pension Fund Committee will be glad to discuss the matter of arrearages with any of those here present who are interested, and will also endeavor, if possible, to supply any information that may be desired.

\$7,915.20**APPENDIX "H"****REPORT OF THE WOMAN'S AUXILIARY OF THE
DIOCESE OF EAST CAROLINA**

Right Reverend Father in God, and Members of the Convention:

It is my privilege, as well as a pleasant duty, to report to this Convention the activities of the organized women of the Church within the Diocese of East Carolina. The women have carried on their work in the Diocese in a splendid cooperative manner, and any success which may have been attained during the year is the result of their earnest work and prayerful effort.

Instead of the work of the Auxiliary taking the form of a condensed report written by the President, I wish it could be the full and complete reports of the two Convocational Presidents and the Chairmen of the various departments, just as they were given at our Annual Meeting, but time will not permit this. They are the reports which tell of the fine spirit and loving service which is evident in the women's work throughout our Diocese. This year they show that there has been a steady deepening of a feeling of responsibility to the Auxiliary work and a more comprehensive knowledge of the program of the Church.

Report of the Woman's Auxiliary

May

During the past year the hearts of the women of this Diocese were saddened by the death of our beloved Bishop Darst. We feel that he has not left us—during the many years that he labored with us his strong and vivid personality made an indelible impression on the minds and hearts of his people, and his ideals and aspirations will continue to influence our life and work in this Diocese.

It is most fitting that the women of the Auxiliary in this Diocese pay tribute here to one of the most loved daughters of this Parish, one of the most faithful servants of the Auxiliary, Anne Wetmore Tillinghast. A citizen of this town, a member of this Parish, her going into the larger life, left her home, her church, her community, together with the Diocese at large, saddened by a sense of loss. There was none who knew her who did not feel the richer for the gift of her friendship. Hers was a busy, useful life, sharing in many kinds of service, but we hold her in especially thankful memory for her devotion to the Auxiliary.

Our women have done, and are doing a splendid work. We are growing by the grace of God in our missionary giving throughout the United Thank Offering. Our interest in Leper work has grown. We are doing a vast amount of overseas relief work, sending food and clothing through our United Church Centers. Neither are we neglecting the missionary work at home, in Parishes, in Communities and in our Diocese and Nation.

Time forbids my mentioning many pieces of work being done by some of the departments and committees or the many worthwhile projects in which the women through their budget are privileged to share.

There have been many encouraging signs of progress in our Diocesan family life during the past year. The Convocational Meetings in October boasted a record attendance and much interest was shown. An increasing effort is being made to make all our meetings of practical help to the women, and so, at the Convocational Meetings, Departmental Conferences were held by the Diocesan Departmental Chairmen and proved to be tremendously successful, and I believe that those attending the Conferences went home with a clearer vision of the work of the Auxiliary.

During the past year more branches than ever before carried out balanced programs, and though, because of this, the work was more uniform, yet there was no lack in variety of approach or achievement.

Spiritual growth is indicated by the number of corporate Communions and by the observances of Churchwide Day of Prayer, of World Community Day and of World Day of Prayer. Educational growth is indicated by the increase in the number of branches reporting definite educational programs. We have had growth in numbers, both in the number of members and in the number of branches. During the past year the Auxiliary branches in this Diocese contributed, in actual cash, the sum of \$44,493.31, including the United Thank Offering, which

1949

Appendix "I"

amounted to \$7,771.69. This was an increase in our total gifts of \$9,789.03 over the preceding year. Figures are not always evidences of spiritual growth, yet in these we can see increased interest and concern for our Father's business.

We have not yet attained the membership that includes all of our women but I am not discouraged because of this. I believe that Church women are taking a deeper interest in world affairs than ever before. I believe that they are taking a more active part in Christian activities, both in the Church and in the Community.

As we look at this partial picture of our work in this Diocese during the past year, and at the Auxiliary as a whole throughout the Church, and take pride in the breadth of vision, the wide range of subjects presented for study, and the many worthwhile causes benefitted by our gifts and prayers, we pray that we will not be tempted to rest on any good work, but that we will ever be alert to our responsibilities to grow spiritually ourselves, and to make our groups more truly Auxiliaries of our Parish churches, to our Diocese, and to our National Church.

I cannot conclude this report without thanking Bishop Wright, and the Clergy and laymen of the Diocese for the help and consideration given the Auxiliary. Without the help and backing our beloved Bishop we could have done nothing. We feel very grateful to him for his faithful attendance at our Convocational and Annual Meetings and for the challenge and spirit of encouragement he always brings.

I am deeply grateful to each woman in the Diocese for her co-operation in all our undertakings, and for making possible whatever success we may have had.

May we, the men and women of the Church in this Diocese, continue to Worship, to Pray and to Work together, that as individual Christians, and as members of a Diocesan family, we might so witness to the love and power of our Lord that we may have an ever increasing share in making Him known to all men everywhere.

Respectfully submitted,

MARY OWEN SUTHERLAND

APPENDIX "I"

Bishop Wright and Members of the Sixty-Sixth Annual Convention of the Diocese of East Carolina:

Your Chairman of the Diocesan Department of Christian Education asks permission to make the following report of his activities and the activities of the Department for the past year:

In an attempt to make this report as brief as is consistent with the importance of the business at hand, only those matters will be mentioned as are regarded of vital importance to the cause of Christian

Education in the Diocese. The first of these items is the effort of the Department during the past three years to promote a project for training Church School teachers. The project was started in the fall of 1946 when meetings were held at Edenton and Wilmington. They were conducted in the falls of 1947 and 1948, being held in these respective years at several points in the Diocese in an effort to make the meetings more accessible to the teachers. Increased attendance was noted each year, over a hundred teachers and clergy attended the meetings of last fall. The meetings were conducted by members of Department of Christian Education of our National Council.

The project was directed toward a goal designed to provide an Annual Institute for the Church School teachers of our Diocesan Department held each fall in September or early October when many of our Church Schools are becoming reorganized after summer vacation, and to be conducted by trained instructors in each of the Departments of the Church School, the scene of the Institute to be located either at Camp Leach or some other place in the Diocese adequately equipped for such a project.

Last year was to have been our first attempt at holding a complete Institute at Camp Leach. Unfortunately the gravity of the situation produced by the State-wide epidemic of polio necessitated cancelling this Institute. Accordingly, meetings similar to those held in 1946 and 1947 were conducted by the Department. We were fortunate in having as our leader for these meetings our National Chairman, the Rev. John Heuss, D.D. of the National Council.

We are happy to report that plans are in order this year for conducting a fully organized Institute for Church School teachers as a part of the Clergy-Adult Conference which will be held at Camp Leach on June 13-17. Your Chairman for the past three years has been asked by the Bishop and the Department to direct this Conference in June, though his term of office as Chairman of the Department expires as of this Convention date. Though it was late in January that this request was made of him, your Chairman has accepted the appointment and is doing his best to set up an adequate program to be conducted by an efficient faculty. This has been difficult because of the comparatively short time on which to find outstanding men and women for our faculty. However, conditions now point to a successful termination of this undertaking.

Finally a third project which proved to be popular and, we hope of value, to the Diocese was the Lenten Mite-Box Offering of the children of the Diocese at a special service. The first which was held last year for the Diocese at St. Mary's Church, Kinston. The response was so exceptional that the Church could not begin to accommodate the congregation. This past week at St. James' Church in Wilmington, a similar service was held for the children of our Diocese, promoted of course, by this Department. For reasons which will not be mentioned in this report, it was necessary to hold this service in Wilmington this year. Due to the greater distance between Wilmington and many points in the Diocese as compared to the location of the service last

1949

Resolution

year, it was anticipated that not nearly so many children would attend. Only fifteen Parishes reported. But the total amount of the Offering reported by these Parishes came to within three hundred dollars of equaling the total of last year from a much greater number of Parishes. Undoubtedly the sum total of the Mite-Box Offering for 1949 will greatly exceed that of 1948.

In closing this report your Chairman would like to impress upon this Convention what he feels to be the tremendous importance to our Diocese of the Annual Institute for Church School teachers and the Annual Mite-Box Offering Service for our children. It is his earnest hope and prayer that these two projects will be conducted each year and that they will be nurtured to the fulness of the Glory of God which can be and will be evidenced in them if properly attended.

DIocese of EAST CAROLINA
PROTESTANT EPISCOPAL CHURCH
SIXTY-SIXTH ANNUAL CONVENTION,
ST. JOHN'S CHURCH, FAYETTEVILLE, NORTH CAROLINA

May 11-12, 1949

RESOLUTION

WITNESSETH THAT:

Mrs. Alice Hoffman, Mrs. Grace Roosevelt McMillan, Mrs. Quentin Roosevelt, Mr. Theodore Roosevelt III, and Mr. Cornelius Van Shaack Roosevelt are the owners of a large tract of land on Bogue Banks, a long, narrow, coastal island, located in Carteret County, North Carolina. This tract of land lies between the summer resort of Atlantic Beach, North Carolina, and the small fishing village of Salter Path, and extends from Bogue Sound on the north to the Atlantic Ocean on the south.

Through their attorney, Mr. Frank M. Wooten of Greenville, North Carolina, these owners expressed a desire to make a gift of a portion of this land to the Diocese of East Carolina, for use as a camp site and conference center, and after some negotiation a tract of land of about sixty-two acres, was selected, surveyed, and marked. The tract has the advantages of 1500 foot frontages on both the ocean and the sound, with fine bathing beaches, easy accessibility by state highway from Atlantic Beach, large trees and shrubs on the sound side, and cool ocean breezes throughout the summer months.

Prior to the Diocesan Convention the Executive Council of the Diocese visited the area in a body and expressed pleasure in these advantages and in the great possibilities of the site.

Report of St. Mary's School

May

On the day of the Convention's opening Mr. Wooten reported the circumstances of the gift and presented the executed deed, in the name of the donors, to the Diocese. The Reverend Roscoe C. Hauser, Jr., supplemented Mr. Wooten's report with a brief description of the property. Upon motion duly made, seconded and passed, the matter was referred to a committee consisting of Mr. Wallace C. Murchison, of Wilmington, Chairman, the Reverend E. F. Moseley, of Kinston and Mr. C. R. Davant, of Morehead City for examination of the deed with the Chancellor of the Diocese and a report on the gift.

The next morning the committee made its report, and upon motion of the committee chairman, duly seconded and unanimously passed, the Convention accepted the gift, officially designated the property as the Quentin Roosevelt Memorial Site and instructed the committee to draw up and present to each of the donors, in the name of the convention, an appropriate resolution of thanks.

NOW THEREFORE, be it resolved that in the name of the Convention of the Diocese of East Carolina, we do hereby express to Mrs. Alice Hoffman, Mrs. Grace Roosevelt McMillan, Mrs. Quentin Roosevelt, Mr. Theodore Roosevelt III, and Mr. Cornelius Van Shaack Roosevelt our grateful acceptance of the Quentin Roosevelt Memorial Site, Bogue Banks, North Carolina, as a camp site and conference center. We express to them our heartfelt appreciation of their generosity and sacrifice and their interest in the children, young people and adults of this Diocese. We thank them for their example of Christian stewardship, their realization of the needs of our Diocese, and their vision of the growth and expanding influence of our Church in this part of America. We invite them to visit us at any time and share in our worship and our service. And we ask God's blessing upon them and their work in the years to come.

For the Convention of the Diocese of East Carolina.

APPENDIX "K"**REPORT OF SAINT MARY'S SCHOOL AND
JUNIOR COLLEGE****May 17, 1949**

To The Rt. Rev. Thomas H. Wright
Diocese of East Carolina

The 108th annual session of the school began September 27, 1948, and will close June 6, 1949. Opening was delayed two weeks due to polio epidemic in North Carolina. Three hundred and nine students were registered from 16 states. A capacity enrollment for the 1949-50 session is assured as registrations are well above average. A waiting

1949

Report of St. Mary's School

list for 1949-50 was established in February.

A large amount of painting, redecorating, and repair work was done last summer. The program for the coming summer will be more extensive as most of the buildings must be painted on the outside. The trustees have authorized the following projects which have become necessary or will make operation of the plant more economical.

1. Purchase of a dish washer and a glass washer with auxiliary tables.
2. Heat controls for buildings.
3. Dormitory furniture.
4. Replacing of outside electrical wiring.
5. Cement the basement floor of Smedes Hall.
6. Installation of new water intake for heating plant.
7. Pave walkway on east side of front campus.

The school dining room will be completely redecorated during the summer. The funds for this latter work have been raised by the alumnae during the last two years.

The cost of operation continued to rise and has not leveled off to any appreciable extent. Constant need for repair of old buildings and replacement of worn-out equipment has forced the school to practice rigid economy.

During the year 1949 the five owning dioceses are contributing a total of \$3,000 toward the support of the school. North Carolina is giving \$2,000 of this sum. More help of this nature is desperately needed if the school is to maintain its high position in the realm of education. Schools controlled by other denominations are receiving much more assistance from the churches that control them and are thus in a position to give better service and more extensive scholarship aid. The school gives a \$250 discount to the daughters of Episcopal clergymen who are enrolled as boarding students. For the 1949-50 session the school will allow discounts amounting to over \$3,000 for this purpose as 12 daughters of Episcopal clergymen are enrolled. There are two others on the waiting list who will be accepted if places become available for them. The help given by the Church thus is returned entirely this year in discounts to daughters of clergymen.

The Board of Trustees at the annual meeting held last November voted to close the Centennial Campaign and to begin a Living Endowment Fund. The alumnae and friends of the school will be asked to participate in this annual support of the school's program.

Plans for future development and improvement of academic standards and physical equipment are constantly under study. Saint Mary's must maintain the high position it has held in the past to insure its continued service to the generations to come.

Respectfully submitted,

EXECUTIVE COUNCIL AND FINANCE DEPARTMENT

MANY IMPORTANT DECISIONS MADE AND POLICIES SET AT LENGTHY MEETING IN ST. JAMES PARISH HOUSE ON FEBRUARY 11TH, 1949

The Executive Council of the Diocese and the Department of Finance met together in St. James Parish House, Wilmington, Friday, February 11th, at 10:30 A.M. Fourteen of the eighteen members of the Council, three associate members of the Department of Finance, the Chancellor of the Diocese and one visitor were present. C. McD. Davis, member of the National Council and associate member of the Diocesan Department of Finance, had just returned from a meeting of the National Council and reported the most significant accomplishments of that meeting. Mr. Davis particularly stressed that the Council voted to continue its support of the Bishop Payne Divinity School in Virginia for the time being.

Peter B. Ruffin, Chairman of the Department of Finance, presided over the meeting for Bishop Wright, inasmuch as most of the items on the agenda came from that department. Mr. Ruffin reported a very encouraging response from the parishes and missions of the Diocese in payments during 1948 and the acceptance of new apportionments for 1949. The Treasurer of the Diocese, Robert Strange, gave a more detailed report of the finances of the Diocese during 1948, reporting that payments during the year were well ahead of expectations. He reported a balance on hand of slightly over \$21,000.00. His report will be available in more details in printed form at the time of the Convention in May. The matter of insurance of Diocesan property was discussed briefly and referred to the Committee on Insurance on Church Property.

Allowances For Widows

The Council then passed a motion that suitable allowances should be made to Mrs. Robert Strange and Mrs. Thomas C. Darst, widows of our two former Bishops, and the matter was referred to the Department of Finance. On motion of C. McD. Davis, the Department of Finance decided that, retroactive to January 1, 1949, Mrs. Strange and Mrs. Darst should each receive the sum of \$1,000.00 per year, or \$83.33 per month, subject only to future policies of the Department.

On invitation of Bishop Wright, the Rev. William L. Martin, Rector of St. Paul's Church, Beaufort, presented plans for a Church Institution Day to be observed throughout the Diocese annually, beginning early in October of 1949. A number of our Church Institutions have requested that items be placed in the budget of East Carolina towards their support. These sums amount to \$6,750.00. The Institutions concerned are: the Virginia Seminary, the College and the Seminary at the University of the South, at Sewanee, Bishop Payne Divinity School and

Report of Executive Council

St. Mary's School and Junior College. An item will be placed in the budget for these schools and the rest of the necessary funds will be raised in one joint Diocesan offering on Church Institution Day.

It was reported by Bishop Wright that the National Council would be unable to undertake a Diocesan survey in East Carolina within the next year. On his suggestion, a committee was appointed from the Diocese to undertake and make such a survey and report to the Convention in May. John G. Bragaw, of Washington, was appointed Chairman of this Committee. Serving with him will be A. K. Barrus, of Kinston, and the Rev. John W. Hardy, Rector of St. John's Church, Wilmington.

Diocesan Convention Plans

Upon the suggestion of Peter B. Ruffin, the Council moved to change the time of meeting of the Diocesan Convention, beginning with the Convention at St. John's Church, Fayetteville, on May 11 and 12, 1949. The Convention will open with a Celebration of Holy Communion at 11:00 A.M., on May 11, and at that time will hear the Bishop's address. After a business session during the afternoon of May 11, there will be a great Convention Service at 8:00 P.M., with a guest preacher. The Convention will reconvene on the morning of May 12, to adjourn about 4:00 P.M., of that day. There will be no Laymen's dinner during the Convention, but rather the men of the Diocese will attempt to place greater emphasis upon the Laymen's Week-End at Camp Leach this summer.

Other financial matters passed on by the group included the allocation of \$500.00 toward the purchase of automobiles by each of three new ministers who will graduate from Seminaries this spring and begin work in the Diocese this summer. A sum of \$3,000.00 was set aside to help the delegates to the General Convention in San Francisco next fall to defray their expenses. This sum will be divided between the four clerical deputies, the four lay deputies, and two delegates to the Youth Week-End. It was also voted that the Diocese accept a cut of \$1,500.00 in the amount now being received by East Carolina from the National Church. This is approximately one-half of the amount which the National Council requested be cut from the sum of their aid to our diocese.

To Study Hospital

Other Committees appointed at the meeting included one to investigate certain matters concerning the Good Shepherd Hospital in New Bern. This appointment followed a report by John G. Dunn, Jr., member of the Council and Chairman of the Board of the Hospital. Those who will serve on the Committee are Mr. Dunn, Dr. Ashford and John Heywood Jones, all of New Bern, John W. Graham of Edenton and the Rev. Roscoe Hauser of Greenville. The Chancellor of the Diocese, Junius D. Grimes, of Washington, will advise with this Committee. Bishop Wright, Peter B. Ruffin and Robert Strange were appointed as a Committee to draw up the 1950 budget which will be presented to the May Convention.

Report of Laymen Thank Offering

May

A report was heard from the Department of Promotion, this report being read by the Bishop in the absence of the Rev. Mortimer Glover, Chairman of the Department. There was also a lengthy report from the Committee on Realignment of Diocesan Boundary Lines in North Carolina, which Committee was appointed at the Convention last May. Mr. Grimes told of a meeting of this Committee with similar committees from the other two Dioceses in the State. The three Bishops are to confer on April 19th, in Raleigh and there will be another Joint Committee Meeting on April 28th. Reports will then be made to each of the three Diocesan Conventions.

St. Anne's Reverts to Mission

A discussion of the possibility of changing the fiscal year in the Diocese led to no conclusive decision. A request from St. Anne's Church, Jacksonville, that it be returned to the status of a Mission rather than a Parish, was read to the group and referred to the Diocesan Convention, with the approval of the Executive Council.

The Rev. John W. Hardy read the Report of the Committee on the State of the Church as follows:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

For the past several years this committee has been unable to make a complete report due to the failure of many Parishes and Missions to send in their annual reports to the Secretary of the Diocese. This year the following places failed to report:

Aurora, St. Jude's
Avoca, Holy Innocents'
*Ayden, St. James'
Haddock Cross Roads, St. Stephen's
*Hertford, Holy Trinity
Pikeville, St. George's
*Whiteville, Grace
*Wilmington, Good Shepherd

The Annual Parochial Report is required by Canon 21, sections 3 and 4 of our Diocese. Section 3 lays the responsibility on the Clergy of the Cure and section 4 lays it on the Wardens if the Cure is vacant. The report is to be sent to the Secretary not later than February 1st. It is a report to the Bishop, and failure to send it in withholds from him the state of that Cure. This is a serious breach of our Diocesan Canon and in order to correct this growing laxity in the Church, this committee suggests that the convention reprimand those places failing to make such a report.

This report will not deal with many figures since the Bishop in his excellent address has covered much of this phase of the state of the Church. It is apparent after conferring with many department Chairmen that a healthy state exists in our Diocese. The spirit of fellowship and cooperation is excellent. We should thank God for endowing us with much superb leadership, especially for the ability, consecration, cordiality, humbleness, unceasing labor, and spiritual strength of our beloved Bishop. Those who are close to him realize how fortunate we are in East Carolina to have as our Right Reverend Father in God, Thomas Henry Wright. Often he labors into the late hours of the night to administer his work; he is on his knee frequently, seeking Divine Guidance for us and for himself. His efforts should be an inspiration to us and his consecration a Divine Strength.

There are parts of our Diocesan work for which we should thank God and take courage. The Woman's Auxiliary is a greater spiritual, Missionary, educational, and financial strength to this Diocese than we can begin to realize. Their devotions to the cause of Christ and their zeal to make His Kingdom a reality is an underguiding factor in the work of our Church. Through their educational program they are constantly informed and alert to the work and program of the Church. Through the United Thank Offering they have set an example and challenge to the whole Church. The offering reflects their superb interest in the Missionary activity of the Church. This offering has constantly grown from its beginning in size and in number of women contributing. The Auxiliary contributes much financially to the Bishop's Fund, the Student and Young People's work, the Missionary work of our Diocese, and the service rendered to promote Christian Social Relations. The Woman's Auxiliary touches every phase of our Diocesan work and for its devotion and leadership we thank Almighty God.

In keeping with the high note sounded at the General Convention the work of our Christian Educational Department is beginning, in many places, to be felt in Parish activities. Several Parishes have begun in their Church Schools, the new Program now in process of being formulated by the national Church. Several of the Parishes have already had institutes to train leadership. Five of our Clergy have attended institutes held at the College of Preachers at the National Cathedral. The Adult Conference at Camp Leach this summer will devote much of its program to this growing interest in the education for Christian services of the youth and adults of the Church. Our Committee commends this effort to strengthen and increase the knowledge of the people, especially the youth, for the Christian life that we are called by the Church and its Master to live. There is probably no more important emphasis that should be made in our Diocese, today, than this, for if we know Christ, nothing can prevent our serving Him.

The prospects for our Diocesan training center, Camp Leach, seem brighter this year than it has in many years. We are fortunate to have its management in such capable and efficient hands. The success of the Camp depends, ultimately, on the interest and effort exercised by our Clergy and lay-people in attending and getting others to attend. It has an excellent group of camp directors who are planning fine programs. Camp Leach is far superior to camps of most Dioceses in our Church, yet over 50% of the campers who attend each summer are from Churches other than our own. This can and should be corrected by seeing that more of our own children attend. It is most urgent that thought be given now to the new site given to the Church for a conference center in order that we not lose the valuable property that has been offered to us. This is not to be construed as a proposal to move Camp Leach, for that is not within the scope of this committee; it is merely a reminder to the convention that we must not lose sight of this gift and the provisions which accompany it.

The advancement made in the colored work by our Clergy should be noted by this convention. There has been a greater increase in confirmations, baptisms, and Church attendance here, than elsewhere in the Diocese. This reflects the consecrated leadership and devoted response of the lay-people. The two newest Church buildings in the Diocese are St. Timothy's, Farmville, and St. Thomas', Slacksville. We are still in great need of more colored Clergy to advance the work of the Church in fields now vacant and to open new fields. Study should be made of the financial situation of our colored Churches and plans formulated to give greater help and encouragement. The general Church makes a substantial contribution to our colored work. This responsibility we should strive to take upon ourselves.

The Good Shepherd Hospital in New Bern, the only Church Hospital in our Diocese is now self-supporting. It has recently purchased from the Federal Government the Nurses Home and West wing-property, valued at \$90,000. Its number of patients was greater last year than ever in its history. The City of New Bern, has for the first time, placed the Hospital in its budget for \$1200 a year. This growth in value, in patronage, and in self-support is due to the capable and efficient business manager and the unceasing effort of the Board of the Hospital. This committee commends them for their great contribution of time and the splendid results gained. The Hospital is making the healing Minister of the Church a reality to those which it touches.

Despite the many calls on the Diocese, it is in a good financial condition as the Treasurer's Report will show. Our Church is on a stronger financial basis than it has been in many years. We are beginning, at last, to cast off the stigma of an aided Diocese. The plan of the Diocese now is to become self-supporting in six years, reducing each year by \$1500, what we have been receiving from the National Church. We have been receiving \$8,800 which means that we are only giving, over and above what we receive, to the General Churches Program about \$2,000. We must correct this deplorable condition, and the new plan will enable us to do this.

Probably the greatest single achievement for our Diocese is that the Bishop Darst Memorial Fund be a success. It is progressing favorably toward its goal. It must have the support of every Parish and Mission if we are to go forward. Its possibilities are greater than we can realize until we see the results that it can accomplish. Through it the Bishop will be enabled to give our Missionary Clergy a living salary. By it we will be saved the disgrace of our Diocese becoming a Missionary District. It has a great contribution to make to our Diocese, and we feel that with the capable leadership that we have in its Chairman, that it will mean a great step forward in the Diocese of East Carolina.

In closing this report may we emphasize that spiritual growth and strength must ever be the purpose and objective of our Church. The primary ills of our day are not political or economical but religious. We of the Church have a grave responsibility. Our resources are as unlimited as all the manifold gifts of God; Our objective and purpose, as broad as the Kingdom of God. Our tools are sufficient for the responsible task, for they are the Holy Spirit and the fact that we are the Sons of God. May we in the Diocese of East Carolina use all the resources offered by God to His Church to make our lives reflect His Glory.

Respectfully submitted,

JOHN W. HARDY, Chairman

Mr. Peter B. Ruffin made a verbal report on the Bishop Darst Memorial Fund, reminding the Convention of the Purposes of the Fund, namely, to augment the regular apportionments annually for a period of five years by the sum of \$25,-000.00; this fund to be allocated approximately as follows:

1. Increases in Missionary salaries in the Diocese—\$10,000.00.
2. Increases in travel allowances for Missionary Clergy in the Diocese—\$5,000.00.
3. Retirement Funds for certain Diocesan Clergymen not yet eligible for the Pensions—\$5,000.00.
4. Increases in contributions to the General Church as authorized by the General Convention of 1949—\$5,000.00.

A total of \$25,000.00.

He stated that the Campaign to raise this money in cash and pledges started in January 1950, and that to date—May 10, 1950—of an objective of \$25,000.00 for 1950, \$29,765.56 had been pledged of which \$27,106.45 was cash; and that of the objective of \$125,000.00 for five years, \$80,726.36 had been pledged. He was confident that the whole amount would be raised.

He mentioned especially the help the Campaign received from Mr. Stanley Woodland, Mr. Strange and Miss Burgess in the Diocesan Office, Mr. Henry C. Bost, professional advertising man, and Miss Norma Stoker and Miss Jane Edwards (Baptists) in his office.

He recommended that the Campaign be continued through the next four years, that a proper committee of the Executive Council be set up to wisely distribute the money thus raised, that the Bishop set aside a Sunday on which to dedicate this Fund with an appropriate service.

The Bishop congratulated the Diocese on the success of the Campaign, stating that he was confident that the total amount would be raised when all the Parishes and Missions in the Diocese had responded.

Mr. Ruffin moved that the Campaign be continued. This was seconded by Mr. Grimes and passed.

Mr. Grimes moved that the Convention show its appreciation to Mr. Ruffin by a rising vote of thanks. This was done.

Rev. Edgar Halleck moved, seconded by the Rev. Stephen Gardner, that a Sunday be set aside in the near future for the Consecration of the Bishop Darst Memorial Fund. This was carried.

1950

Anticipated Income—Budget 1951

(Bishop Wright set aside Whitsunday, May 28th for this service.)

Bishop Wright asked for a motion of appreciation to the Baptist ladies in Mr. Ruffin's office for their work in setting up this program. This was made and passed.

The Convention recessed for Luncheon which was served in the Parish House.

In presenting the Treasurer's Report (See Appendix "B"), Mr. Robert Strange requested that Reports to the Convention, to be printed in the Journal, be condensed as much as possible on account of the high cost of printing.

Mr. Grimes asked the Treasurer about the receipts on the apportionments. Mr. Strange said they almost kept up with the expenses. He added that on account of the income on invested funds falling off, it was necessary that the Parishes and Missions pay their Apportionments monthly, as all Diocesan bills were paid monthly.

Mr. Strange further suggested that money be left in wills to the Diocesan Trust Fund, and that Tithing be something to aim for.

He stated that the Bishop Darst Memorial Fund was kept in a separate account.

The Report of the Trustees of the Diocese was presented by title. (See Appendix "C")

Mr. W. G. Gaither, chairman of the Department of Finance, presented the Annual Budget for 1951 and moved its adoption. Mr. Grimes seconded the motion and it was adopted.

Report of Diocesan Survey Committee

In presenting the Budget for 1951, Mr. Gaither stated that the apportionments were to be raised 10% each year for a period of five years. In supplementing Mr. Gaither's remarks, Mr. Peter B. Ruffin, chairman of the Bishop Darst Memorial Fund, explained the relationship between that Fund and the 10% increase in the apportionments. At the end of five years the 10% per year increase would support the advances made by the Fund.

The Rev. James F. Ferneyhough asked if after five years the Diocese would no longer be an aided Diocese. Bishop Wright stated that he thought that would be true.

Mr. Frank Wooten suggested that the proposed Budget be mimeographed in the future. The Bishop said it would be done.

The Rev. John W. Hardy presented the Report of the Diocesan Survey Committee as follows:

REPORT OF THE DIOCESAN SURVEY COMMITTEE

In his address to the convention last year, our Bishop delegated this committee with the solemn responsibility of seeing in what ways our Diocese could best serve the Church and thereby become a stronger means of extending God's Kingdom in East Carolina. Too long we have labored under the excuse that we are primarily a Missionary Diocese, and have allowed that excuse, often, to cause us to grow static. We are in the midst of one of the greatest agricultural sections of our Country. God has endowed us with many blessings and we should use them as His gifts. We are a part of that section of the Country in which our Church had its beginning in this Country. Our heritage is great and so are our endowments and opportunities. We can never lose sight that God's Kingdom grows as His children are brought into loving relationship with Him and that they may have the strengthening fellowship that comes as we are truly Members of His Living Body, the Church. This means that we must never lose sight of the fact that God's Kingdom is composed of people. This committee has kept this constantly before it as it has worked toward the discharge of the responsibility and challenge given us by the last convention and by the most helpful suggestions of our Bishop.

The committee had its first meeting at Camp Leach on June 24, with the Bishop, the Treasurer of the Diocese and all Members present. The committee realized from its beginning, that if its work was to be effectively carried out, it must be based on a long-term plan. This is necessary because of the vital effect that an adequate program would have on many of the Fields of our Diocese. These changes cannot come overnight, for they must be worked out with each individual Mission Field. This Program will require Christian love and cooperation; it will require the willingness of each Field to face its situations realistically and truthfully.

In order to give deep and adequate thought to the very vital implications of the scope of this committee and to give thorough thought to

the two main considerations that present themselves, two sub-committees were appointed by the Chairman.

The sub-committee on realignment of the Mission Fields was charged with the responsibility to study our present Field with the idea, that when practical for more efficient work, changes would be proposed. These changes when proposed would be "to provide a more workable and practical arrangement with respect to geography, economics, potential financial support, and general interest in the Church." This sub-committee had a meeting with the Bishop and drew up a list of proposed changes. Shortly after this, the Bishop Darst Memorial Fund had its conception and it was felt unwise to present these proposals for the time being.

The sub-committee on Canons was charged with the responsibility of careful study of the Canons of the Diocese and Canons and policy of the General Church relating to the classification of Parishes, aided Parishes, and Missions; and to recommend changes in our present Diocesan Canons that would correct the discrepancies that now exist. This sub-committee was further charged with the responsibility of making such proposals as were necessary to provide a Joint Vestry for all Parishes and Missions in each Field in which a Rector serves more than one Church. Mr. Grimes, the Chairman of this sub-committee on Canons, will make the report of their findings.

The Committee as a whole felt that since the majority of the Churches in the Diocese were not self-supporting and occupied so much of the Bishop's time, requiring him to be away from his home practically all of the time, that something should be done at once to relieve him of part of his burdensome duties. We lay this matter on the conscience of the convention.

Under the able and consecrated leadership of our beloved Bishop the Diocese of East Carolina is beginning to throw off the stigma of an aided Diocese. If this beginning is to grow into maturity, it will require the consecrated cooperation of every Parish, Mission, and individual in our Diocese. God's Kingdom must go forward and our committee feels that these proposals will aid its advancement in the Diocese of East Carolina.

Mr. Grimes will now present the report on the sub-committee on Canons.

Respectfully submitted,

JOHN W. HARDY, Chairman
Diocesan Survey Committee

Mr. Grimes presented the following Report of the sub-committee on Canons:

RESOLVED THAT:

The churches of the Protestant Episcopal Church in the Diocese of East Carolina are hereby divided into three groups; classified and defined as follows, viz:

1. A CHURCH WITH FULL PARISH STATUS: This classification includes all churches which are:

- (a) Entirely self-supporting; and
- (b) pays the entire salary of its Rector
- (c) supplies and maintains a suitable Rectory,

1950

Report of Diocesan Survey Committee

- (d) pays promptly the full mathematical apportionment as assigned by the convention for the support of the Diocese and Mission work of the church.

2. AN AIDED PARISH: This classification embraces all churches which:

- (a) Pay 50% or more of the salary of its Clergyman plus 50% or more of its Rectory allocation plus 50% or more of the travel expense allocation for the field, except such churches as have full parish status,
- (b) That are members of a self-sustaining field and contribute 1/3 or more of the salary and expenses of its Clergyman plus 1/3 or more of the Rectory allocation plus 1/3 or more of the travel expense allocation for the field.

3. MISSION CHURCHES: This classification embraces:

- (a) A Diocesan Mission under the supervision of the Bishop of the Diocese, and is financially dependant upon the Diocese,
- (b) All parochial Missions which come under the supervision of the Parish to which they are attached, and all other churches not embraced in either of the foregoing classifications.

All Parishes in this Diocese are hereby declared to have full Parish Status as of the date of the passage of this Canon and no change in the Parish Status of any Parish by reason of the passage of this Canon shall become effective prior to January 1, 1951.

IT IS RESOLVED FURTHER THAT:

There is hereby created a regular committee of the Diocesan Convention to be denominated as the committee on Parishes and Missions. This committee shall be composed of two Clergymen and three Laymen, all to be selected by the Bishop at each annual convention; and this committee shall meet annually, at least thirty days before the date of the annual convention, and at such additional times as called by the Bishop, designating the time and place of the meeting. It is the duty of this committee to review the affairs of each Parish and Mission in the Diocese in connection with their relation to the Diocese and to make suggestions to the Parishes and Missions and to the Bishop, and the annual convention, as to such changes, if any, as will promote a closer union between the individual Parishes and Missions and the Diocese and for the effective carrying out of the work of the church; and this committee shall also perform the duties of the committee provided for in Section 1 of Canon 12.

Mr. Grimes asked the Bishop to appoint a Committee to study these changes and to present them to the Convention the next day.

The Bishop appointed the Rev. Ernest Williams, the Rev. A. J. Mackie, Mr. John W. Graham, and Mr. E. S. Capps.

Mr. Grimes asked for a Committee to consider the Kanuga program.

The Bishop appointed the Rev. Mortimer Glover, the Rev. James F. Ferneyhough, and Mr. Nathan S. Haskett.

The Rev. John W. Hardy made the following Report:

DEPARTMENT OF CHRISTIAN SOCIAL RELATION'S REPORT ON DISPLACED PERSONS

The General Convention in San Francisco pledged the Church to an all-out effort to resettle at least 1200 Displaced Persons—individuals and families—by June 1950. This provided an opportunity to meet a Christian obligation and at the same time secure new and useful citizens for the United States. Our Church had done very little to place families before the Convention while most of the other churches had done much.

Bishop Wright pledged to the National Council our effort to establish 15 families or individuals. He has asked this Department to endeavor to settle them. One family of two persons has already arrived and is happily situated. We are in the process of settling five other families. They have already been placed and are awaiting transportation to this Country. This gives us a total of 11 people who have been placed. We have requests for 2 more families and as soon as we can complete the arrangements they will be filled.

These DP's are Estonians, Latvians, Serbians, Russians, and other European people who at the time of the war's end were stranded in Germany and Austria, having fled there from Soviet occupation of their homelands or been taken there by the Nazis as laborers. They are members of the several Eastern Orthodox Churches, the Reformed or other protestant Churches. They have been carefully screened by the U. S. Government officials for security, health, and employability. They are primarily suited for unskilled or semi-skilled labor. Many of them have had farming experience. Anyone taking a family obligates himself to seeing that they have a job, a place to live, and transportation from New York to the railroad station where they are met. The expense in-

volved in the latter is to be considered as a loan and is to be repayed by the DP.

These people are victims of circumstance. Many of them have lost members of their families because they would not follow the dictators. They can be useful and interested citizens. Our Lord said of those administering in situations similar to this, "in as much as ye have done it unto one of the least of these my brethrn, ye have done it unto me."

Respectfully submitted,

JOHN W. HARDY, Chairman

The Rev. Jack R. Rountree gave a verbal report on the Mission Herald, asking for 100% support from the clergy and other members of the Church in the Diocese.

Camp Leach Report

Mr. Strange gave a verbal report of the Church Pension Fund, urging that all Pension Premiums be paid since unpaid Premiums jeopardize other Pensions in the Diocese.

Bishop Wright states that it's a tragedy and a shame that some Pension Premiums are in arrears.

Mr. Henry C. Harding, Chairman of the Diocesan Camp Leach Committee, made the following Report on Camp Leach:

REPORT ON CAMP LEACH

The Camp Leach Committee has met three times recently, and feels that it has adequately set up a good Summer Camp for the Diocese. I would like to make a report at this time of the set-up.

This summer's camp will be composed of seven camps and conferences, taking care of children from nine years old up through adults. Capable directors have been obtained.

Camp Leach has become big business in the Diocese. It may amaze you to know that over \$14,000.00 was taken in and spent last summer. 14 people were employed and paid salaries. The more adequate volunteer assistance we can secure, the less overhead expense will be necessary, and we do feel real progress with this for the forthcoming year. Our staff of paid workers will be smaller than last year's. We hope this summer to serve what may be described as excellent food. Fresh vegetables will be used in season rather than canned ones. The food this year will be served cafeteria style which we anticipate will lessen the time between its preparation and serving, making it possible for it to be still hot when eaten.

This Convention should bear in mind that no phase of Diocesan life builds for the future more than does Camp Leach. In quoting Bishop Wright, he says "No venture in the Diocese increases a love for the Church as much as Camp Leach does in the religious life of our young people. Approximately 27 young people have been influenced at Camp Leach and entered the Ministry or full time religious work. There is nothing that the Diocese could possibly do to strengthen its future more than to build up our young people through Camp Leach." Please bear in mind that the Diocese does not look on Camp Leach as merely a summer vacation but thinks of it in terms of increasing the child's interest in his Church and further educating the child in the religious life and building the Church of Tomorrow. A great part of Camp Leach is, of course, fellowship and "good time" but so does real religion embrace fellowship.

I do hope that those here present will leave this Convention and go back to their Churches intending to promote Camp Leach in each Parish by encouraging parents to write for information to Mr. Swindell, the business manager, and by raising scholarships for campers who are financially unable to attend. If each auxiliary could send at least one child from their Church on a scholarship, it would be a great help.

There has been an interesting program arranged for our Laymen's weekend this year which will be held the weekend of July first and second. I do hope that as many Laymen as possible will attend this weekend, and bring others with you; and I assure those of you who have never attended a Laymen's Weekend at Camp Leach that nowhere could you spend that same time in a more constructive environment of good fellowship.

Resolutions

May

I would also like to remind the Clergy at this time of the All Youth Conference at Camp Leach, June 26th-30th, and to ask that each Church send 3 youth leaders. The cost of each camper for this conference is \$12.50 and there is no registration fee. If each Rector will notify the Rev. W. L. Martin of Beaufort the names of those youths who are to attend, it will aid him in planning his program for the Conference.

An Evening Service was held in the Church with the Bishop, the Rector, the Rev. George Frank Hill, and the Rev. Chas. E. Williams officiating. An address on Sewanee was made by Dr. Boylston Green, Vice-Chancellor and President of the University of the South.

THURSDAY, MAY 11th

At 7:30 o'clock Thursday morning Bishop Wright officiated at the Celebration of the Holy Communion, the Rector, the Rev. George F. Hill, assisting.

Bishop Wright opened the Second Day of the Business session with prayer.

THE REV. MORTIMER GLOVER offered the following resolution:

"That the Diocese of East Carolina of the Protestant Episcopal Church of America, in annual convention assembled at Elizabeth City, Pasquotank County, North Carolina, this 11th day of May, 1950, approve the proposed action whereby a charter for Kanuga Conferences, Inc., under the laws of the State of North Carolina is to be applied for. That it further approve and confirm the statements made in the Application for Certificate of Incorporation for Kanuga Conferences, Inc., which has been explained to and discussed at meetings of the convention. It further authorizes, empowers and directs the four representatives of this Diocese, now members of and serving on the Board of Managers of Kanuga Association, as representatives of the Diocese of East Carolina, to sign the said application for charter and to take such other steps as may be necessary and advisable to perfect such incorporation.

"That the convention also approves the plan of having the Trustees, in whom the title to the land and buildings at Kanuga now is vested, convey the same by proper deed and any other necessary instruments to Kanuga Conferences, Inc., when the latter has been duly chartered and organized, and consents and agrees that when the conveyance of such property is made, the said Trustees be forever discharged from any liability or responsibility in the matter."

Resolved further; that said resolution be amended so as to provide as follows:

"That said Certificate of Corporation of Kanuga Conferences, Inc., contain a provision that if hereafter a Diocese other than the incorporators hereof becomes a constituent member thereof, that it pay to Kanuga Conferences, Inc., an amount to be determined by the Board of Managers thereof, to place it on a par with the then owning Dioceses."

The foregoing resolution was duly seconded by NATHAN HASKETT and passed by the convention.

Resolutions

I, STEPHEN GARDNER, Secretary of the Annual Convention of the Diocese of East Carolina, held at Elizabeth City, North Carolina on May 10th and 11th, 1950, do hereby certify that the foregoing resolution was duly passed at said convention.

STEPHEN GARDNER
SECRETARY OF CONVENTION OF DIOCESE
OF EAST CAROLINA, held at Elizabeth City,
North Carolina, May 10th and 11th, 1950.

The Rev. Ernest H. Williams presented the Report of the Committee appointed to consider the changes proposed in the Canon on Parish Status presented by Mr. Grimes the preceding day of the Convention, and recommended its passage.

The Rev. Jack R. Rountree asked that, if the resolution passed, would it become effective immediately.

Mr. Grimes stated, no. Adding, the Committee appointed would simply report it to the Convention of 1951.

Much discussion followed.

Mr. Rountree offered a substitute motion to postpone the vote on the resolution until next year.

The substitute motion was lost. The original motion carried;

"We move that the Report of the sub-committee of the Diocesan Survey Committee be accepted and incorporated in the Canons of the Diocese of East Carolina in proper form."

JOHN W. GRAHAM

The Rev. Edgar Neff of the National Council made an impassioned plea for full cooperation on the Fall Campaign which he explained in detail.

Mr. O. T. Faison, superintendent of the Good Shepherd Hospital, gave the Annual Report to the Diocese on that Hospital. (See Appendix "E")

Mr. M. D. Whisnant, superintendent of Thompson Orphanage, gave his report of that Institution. (See Appendix "F")

The election of the delegates and alternates to the Provincial Synod was next held.

Mr. J. O. Dunn gave the Report of the Nominating Committee.

Mr. John Tyler, Historiographer of the Diocese, made a verbal report.

Mr. O. E. Rehm, of the Committee on Convention Site for 1951, stated that the Convention of 1951 would meet in the restored Church of St. Paul's, Edenton May 9-11.

Mr. O. E. Rehm offered the following Resolution which was unanimously passed:

In as much as God, in His Infinite Wisdom, has taken to his home above our friend and brother, Frank F. Fagan, in as much as he was a splendid Christian Gentleman, unselfish in his devotion to the work of the Church, his leadership among the laymen of the Diocese of East Carolina, and the advancement of His Cause in the Diocese. In as much as the influence of his character and Christian service will long be remembered by those who knew and worked with him.

Be it herewith resolved that, in his death, the Diocese has suffered an irreparable loss. His Fellowship will always be held in loving memory and appreciation. Be it further resolved that these resolutions be spread on the minutes of this Convention, and a copy sent to the Mission Herald for publication, and a copy be sent to his family.

Bishop stated that he would get up a proper service to be used in every Parish and Mission on Whitsunday, May 28th, dedicating the Bishop Darst Memorial Fund.

Mr. Gaither moved that the Budget for 1951 eliminate the proposed 10% increase in the 1951 apportionments. This was seconded by the Rev. Stephen Gardner and passed.

Mr. Gaither further moved that the Finance Department make a long range survey of future financial needs, taking into consideration the Bishop Darst Memorial Fund. This was passed.

The Rev. Chas. E. Williams made the following courtesy resolution, amended by the Rev. John W. Hardy, by inserting, "Upon the occasion of the 100th Anniversary of the meeting of the first Convention of the Diocese of North Carolina in this Parish."

"Resolved that this Convention express to the Rector, Vestry and members of Christ Church, upon the occasion of the 100th Anniversary of the meeting of the First Convention of the Diocese of North Carolina in this Parish, their thanks and appreciation for their most gracious hospitality to the members of this Convention and to the Choir for its splendid contribution to the services, and to the Community and to the Press for their cooperation in helping to make this a Happy and Successful Convention." This was unanimously adopted.

The Bishop announced the result of the election of delegates and alternates to the Provincial Synod. (See page 4)

THE BISHOP'S ADDRESS

Brethren of the Clergy and Laity:

"Grace be unto you and peace from God our Father and the Lord Jesus Christ."

I welcome you today to the Sixty-Seventh Annual Convention of the Diocese of East Carolina and to the fifth over which I have had the privilege of presiding.

We meet today in Christ Church, Elizabeth City, a Church that has a long record of fine usefulness in the Diocese. I know that I speak for all present at this Convention when I say how happy we are to be here and when I extend to the Rector of Christ Church and his congregation our appreciation for their most gracious invitation and hospitality.

CLERICAL CHANGES IN THE DIOCESE

Since the last Meeting of our Convention, four Clergymen have left the Diocese and have been transferred to other Dioceses—the Rev. John C. Grainger has been transferred to the Diocese of Maryland; the Rev. Roscoe C. Hauser, to the Diocese of Florida; the Rev. Julius A. Pratt, to the Diocese of Tennessee; and the Rev. John H. Bonner, to the Diocese of Alabama. In addition to these four transfers, the Rev. Arthur D. Bridgers has been compelled to resign his work in the Diocese because of illness; and the Rev. John M. Hamilton has retired, after a full term of usefulness, from the active Ministry of the Church. During this same period, ten new Clergymen have been added to our Diocesan Family and, with one exception, are with us today, attending this Convention for the first time—the Rev. Charles M. Johnson, formerly serving in the Diocese of Tennessee, has become Rector of St. Joseph's Church, Fayetteville; the Rev. Ernest Williams, formerly in the Diocese of Virginia, has become Rector of St. Paul's Church, Greenville; the Rev. George C. Stierwald, formerly in the Diocese of Rochester, has become Rector of St. Stephen's Church, Goldsboro; the Rev. Thomas L. Hastings, formerly of the Diocese of Kentucky, has become Rector of the Church of the Advent, Williamston; the Rev. Ernest P. Runnells, formerly of the Canal Zone, has become Rector of Grace Church, Whiteville; and the Rev. Henry T. Egger, formerly of the Diocese of Rochester, has become Rector of Trinity Church, Lumberton. Three of our East Carolina Candidates for the Ministry, having graduated from their Seminaries in

1950

Bishop's Address

June, are now serving in the Diocese: The Rev. Addison Hosea, serving our Churches in Clinton and Faison; the Rev. James P. Dees, in Aurora, Vanceboro, and Bonnerton; and the Rev. Mortimer W. Glover, Jr., in Ahoskie, Murfreesboro, and Winton.

In addition to these, the Rev. Arnold S. Nash, Head of the Department of Religion at the University of North Carolina, has become canonically resident in the Diocese of East Carolina.

We welcome, most heartily, these new additions to our East Carolina fellowship of Clergy, and later in this Meeting, I shall introduce them, formally, to this Convention.

IMPROVEMENTS IN CHURCH BUILDINGS

It is impossible, in this Address, to give adequate recognition to all of the physical improvements made in the Diocese since we last met, but I would like to call attention to the following physical improvements that have been brought to my attention that have been made in the following Churches: St. Matthew's Church, Yeatesville, is completing the construction of a much-needed Parish House that will be one of the most adequate in the whole Diocese. Parish House facilities have been constructed, or are in the process of construction, at Emmanuel Church, Farmville; St. Paul's Church, Vanceboro; St. Thomas' Church, Windsor; and St. Paul's Church, Clinton. Extensive improvements have taken place in the Church of the Holy Cross, Aurora; St. Paul's Church, Beaufort; St. James Church, Belhaven; Trinity Church, Cocowinity; St. Mary's Church, Gatesville; St. Anne's Church, Jacksonville; Christ Church, New Bern; St. Luke's Church, Roper; the Good Shepherd Church, Wilmington; and St. Andrew's Church, Wrightsville.

Few Churches in the Diocese have undergone as extensive changes, during the past year, as St. John's Church, Wilmington, and this effective and useful Church has become one of the most beautiful in the Diocese. St. Mary's Church, Kinston, has started construction of a new and adequate Rectory. St. Paul's Church, Edenton, is nearing completion and will soon be restored to its former beauty. Two unfinished Churches, St. Timothy's, Farmville, and Calvary, Swan Quarter, should be completed during the coming year, and it is my hope that they will be consecrated before the next Meeting of our Convention.

CHRISTIAN EDUCATION IN THE DIOCESE

The last General Convention, meeting in San Francisco, sounded a clarion call to the Church to take on the hard, long-term job of real Christian education. The leaders in San Francisco warned the Church that it would be an expensive job. Education is never acquired cheaply. It will require hard work by Clergy and Lay people alike. "The need," said our leaders, "is far greater than simply a new Church School Curriculum. It demands more than a few Adult Study Courses. It requires bringing up an educational work which touches the lives of our members from before birth until death. It must be an educational work which is aimed at the Clergy as well as the Lay people. It must be so large and compelling as to arouse the inspired interest of the whole Church. It must be so thorough that it penetrates into the home of every family. It must be an educational work that provides for parents, children, youth, the young adults, the mature, and the old. It must speak to every age group and into every phase of modern living. It must bring Religion into life and life into our Religion."

Sounding these objectives and cooperating with the Officers of the National Council, East Carolina, through its Department of Christian Education, has laid the groundwork to move forward during the coming year.

Five of our Clergy have been trained in the new Christian Education Program at the College of Preachers in Washington. Five more will go for this training in the Fall. The Clergy-Adult Conference at Camp Leach will be devoted to this in June. At several points in the Diocese, the Program has been ably presented. And I would like to commend the Rev. Mortimer Glover, our Diocesan Chairman of the Department of Christian Education, for his vigorous and effective leadership in this important phase of the Church's life today.

DISPLACED PERSONS

The Displaced Persons of the World have been upon the hearts and consciences of Christians everywhere. Uprooted from their home soil, many of them have been in Detention Camps since the War ended and are looking, hopefully and longingly, to America and the chance for a new life. The Conscience of the General Convention in San Francisco was aroused to this as a Christian imperative, and in cooperation with other Christian bodies, the Episcopal Church accepted a fair quota for placement, largely Estonians and Lithuanians. East Carolina accepted a quota of fifteen persons, or families, for placement within the Diocese.

Bishop's Address

I am happy to report that your Department of Christian Social Relations has placed more than its entire quota, and in this Address, I would like to commend the Chairman of the Department, the Rev. John W. Hardy, and others who have made this fine achievement possible.

THE BISHOP DARST MEMORIAL FUND

As a living Memorial to the beloved former Bishop of this Diocese, the Bishop Darst Memorial Fund was started in November of 1949. Nothing would be closer to the heart of Bishop Darst than the Missionary Work of his Church—at home and abroad. In this Address, I will not go into either the details of the purpose of this Fund or of the results to date. These will be given at a later time in the Program of the Convention by Mr. Peter Brown Ruffin, the Chairman of the Campaign.

When the Bishop Darst Memorial Fund was set up, the Committee of the Executive Council in charge of the selection of a Chairman felt that some study and time must be given to this choice, realizing, quite accurately, that the Chairman could well determine the success or failure of the effort. At the first Meeting of the Committee, however, each member present stated that he was ready to make his nomination. In each case, the name was the same, and Mr. Peter Browne Ruffin was unanimously selected as the Chairman of this important objective. Mr. Ruffin has lived up, entirely, to the expectations of the Committee and the Executive Council. He has worked indefatigably and unselfishly. In my opinion, the Bishop Darst Memorial is the most important single objective that the Diocese of East Carolina has ever had, and the appreciation of this Convention, I am sure, will be extended to Mr. Peter Browne Ruffin, the able and efficient Chairman of the Bishop Darst Memorial Campaign.

THE CHANCELLOR OF THE DIOCESE

The date of October 5th of this year will mark the fifth Anniversary of my Consecration as Bishop of this Diocese. During all of these 4½ years, the Chancellor of the Diocese has been the Honorable Junius D. Grimes, of St. Peter's Church, Washington. I am sure that few persons in the Diocese realize the tremendous amount of time, work, and consecrated effort that goes into the Office of Chancellor. Many problems have faced the Diocese during these years that are not known publicly to the Clergy and Laity. In addition, Mr. Grimes was Chairman, last year, of the Committee on re-alignment of Dio-

cesan Boundary Lines. Days and weeks of hard effort went into the compilation of statistics, the preparation of briefs for Committee presentation, and the actual Meetings of the Committee itself. This year, Mr. Grimes has been equally as busy working out a wiser and more equitable basis for Diocesan Canons in relation to our Parishes and Missions. This, he will present to our Convention this year. The many hours of hard work in preparing these changes and the thought that he has given to comparing these Canons with those of other Dioceses are well-known to me. Let me, in this Address, express my appreciation to the Chancellor, not only for his sound, wise, and courageous handling of all Canonical and Legal matters that have come before the Diocese during the past four years, but also for his personal counsel and advice. He has been, indeed, a true friend and brother to the Bishop of this Diocese, and for him, I am deeply grateful.

CONCLUSION

I need not say to you, my brethren, that this Convention is meeting at a time that is critical in the history of the Christian World in this year or our Lord, the year that marks the middle of the twentieth century.

"The Living Church," in a recent article, quotes Mr. John Foster Dulles, one of the Christian Statesmen of these times, who warns that, if history is any guide, War will come out of the present situation. "It has always done so in the past," he says, "and future generations will look back with amazement if war is averted." "It will be an achievement without precedent," he says. "And yet," he says, "that is our task."

How much time do we have to accomplish the task? Mr. Dulles does not know, but he warns us that the time is short. Other observers set the year 1952 as the time that World War III will break out. "Unless," say some of them, "we can mobilize the moral and spiritual potentialities that we usually reserve for War." So says not only Mr. Dulles, but also Churchmen like the Archbishop of Canterbury and the Archbishop of York. Statesmen like Mr. Henri Spaak, Trygve Lie, and Winston Churchill. So, also, say military men, newspaper men, clear — but hard-headed — business men, and conscientious labor leaders.

The thoughtful people of the World know today that Christianity alone is the answer to the World's ills. They know that the time has come to make our Churches Christian beacons of light. Then, to make Christ's Religion move out of the four walls of our Churches. To carry it into the market places, into

the Halls of Congress, into the United Nations, and into the darkest nooks and crannies of our civilization.

You and I, as Christians, are committed, in this generation, to deliver a tremendous message—a message that in times past has rocked the foundations of the World. We do not know whether the Gospel will save this present civilization or not; that, in the last analysis, is in the Hands of God. I, for one, have Faith that it will save the World. Let us move forward—not with fear, but with courage—not with despair, but with determination—not with apathy, but with Christian action—proclaiming the good news of the Gospel of the Risen Christ in that state of life in which it has pleased God to call us.—Amen.

Report of the Woman's Auxiliary

Appendix "D"

REPORT OF THE WOMAN'S AUXILIARY TO THE
DIOCESAN CONVENTION MAY 1950

Reverend Father in God, Clergy of the Diocese and
Lay Members of the Convention:

Although my two terms as President of the Woman's Auxiliary ended February first 1950, the Auxiliary report to the Diocesan Convention covers the activities from January first to January first and so it has always been the custom for the retired President to report the work of the preceding year to the Convention as it was carried out during her term of office.

As this is my final report to you I would like to look back not only on the work of the past year but I would like to bring before you a picture of just a little of what has been accomplished, during my six years of service, by the women of East Carolina.

These have been years of privilege for me. Many I now call friends have come into my life through the shared interest of love for the Auxiliary. The knowledge gained through membership on the Executive Council and Diocesan Departments will ever be an inspiration.

As you hear this report of work accomplished during these six years it is my special desire that it may impress upon you, in an indelible manner, the debt we owe to the leaders who have gone before me. Too often we take for granted the many things that have been passed on to us, not realizing the courage, the foresight or the struggle involved. To the yesterdays belong the victories of today.

A study of the Auxiliary reports during the past six years gives us much to be thankful for and offers to the women of the church a real challenge. Our financial gifts have been generous, there has been an increasing effort for more systematic programs, the work of the departments has been definite and constructive, and beneath it all there is an eagerness for a greater reality of the life of the Spirit.

If these years have been profitable, and they have, it is because the women of East Carolina, as individuals, have worked to make the Auxiliary a spiritual force in each parish and mission. I know that never has a Diocesan President had a finer, more loyal, more consecrated group than it has been my joy to serve. No group of women ever accepted their tasks with a truer Christian spirit, endeavoring through Worship, Study, Gifts and Service to build a part of "that city that hath been too long a dream."

It has been most gratifying to see in many places a new and vigorous interest displayed. I believe that I can truthfully say that many women are experiencing a new joy of service to the Church. Throughout the Diocese there has been an ever-growing spirit of cooperation. Through the Educational Department there has been a broadening knowledge of the General Church Program. We are thankful for a quickening of the spiritual life of the Diocese and for the awakening of new interest in the work of the Woman's Auxiliary.

In a report of this kind, there is neither time nor space to mention many fine pieces of work done by the departments and committees; but a careful study of their reports and of the Parish Auxiliary reports over these past years reveals a steady growth of more women assuming responsibility for the Mission of the Church.

The women have carried on the work of the Diocese in a splendid, cooperative manner, and any success which may have been attained during these years is the result of their earnest work and prayerful effort. And certainly credit for the progress is also due those tireless and devoted women of our Diocesan Board, who have in such a magnificent way contributed to our program of endeavor. Each chairman has promoted her work faithfully and I want to express my thanks and deep appreciation for their loyal support in the work of the Diocese and for their generous encouragement to me. Our Diocesan Board regretted from time to time the loss of valuable members whose two terms were completed, but the new officers who joined the ranks carried out their duties with courage and devotion.

The Clergy of the Diocese have been most understanding and helpful, and their inspiration and interest have influenced the work of the Auxiliary in this Diocese.

And foremost in my thoughts is the person without whom my service would have been much more difficult and less joyous. My close association with Bishop Wright has been a great privilege and I feel that my life has been enriched by the blessing and inspiration of his friendship. The sweetness that flows from his heart, his humility and unselfishness, his love towards every man, woman and child whom he meets will always be a shining goal towards which I, at least, may strive.

During the past year all the Auxiliaries in the Diocese paid their apportionments in full. The attendance increased, particularly in the Business Women's groups which meet at night. Our attendance also increased at interdenominational days of prayer and we had more corporate Communion. Practically all the Auxiliaries reported that they used the Manuel which means they followed the Program of the General Church.

The United Thank Offering of the women in this Diocese last year was \$7,259.65. Through our department of Christian Social Relations we distributed new clothing and food valued at \$1,971.14. A total of \$1,266.47 in cash was sent to the Thompson Orphanage besides used clothing, Christmas gifts and contributions to the children's Allowance Fund. The value of 145 Christmas boxes filled for domestic and foreign countries amounted to \$2,713.10. Contributions were made to Good Shepherd Hospital and Galilee Mission.

Through the Supply Department over \$2,000 in new clothing and in cash were sent to Galilee Mission and to the Bella Vista Home for Children in the Panama Canal Zone—this was our regular allotment from the National Supply Department.

Through the Church Periodical Club 58 places in the Diocese and 45 places outside the Diocese were supplied with Bibles, prayer books and hymnals, magazines, books, newspapers, greeting cards, pictures, games and scrapbooks.

Through the Altar Guild several missions in the Diocese have been supplied with linens for the altar and there is a list of others to be supplied shortly.

Now for a short summary of the work of the past six years. In January, 1944, six years ago, we reported that the Auxiliaries in this Diocese gave a total, in actual cash, including the United Thank Offering, of \$19,124.11. In January 1950, we reported that they gave in actual cash, including the United Thank Offering, \$53,116.21—an increase, in six years, of \$33,992.10. At the Triennial of 1943, the United Thank

1950

Report of Good Shepherd Hospital

Offering of the women of East Carolina was \$14,070.58. At the Triennial of 1949, six years later, this offering \$22,366.01—an increase of \$8,295.43. The number of Auxiliary members reported six years ago was 1,636. Last year's report showed 3,000 members—an increase of 1,364 members. The additional number and variety of the Special Gifts of the women show a wide-spread interest among them. This interest shows that continued study of what the Church is doing does result in action.

However, we as an Auxiliary have not been concerned primarily with program reports or projects for we know that they are of value only as they enable us to more fully know and love and worship God, and through our love for Him to more fully serve those for whom He was willing to die. It is truly not the amount of our accomplishments which is the true measure of our work. But rather how completely we, as individuals and as groups, are motivated by the desire to be used by Him in order that, as individuals and groups, we might be the channel through which the influence of our Christian life is carried to those children of God who are far off.

Tremendous possibilities are before the women of the Church and before all of us in this year. Ours should be the prayer which has come to us out of China: "Lord, grant us miracles—miracles such as are within Thy will to give."

Respectfully submitted,

MARY OWEN SUTHERLAND

Appendix "E"

REPORT OF GOOD SHEPHERD HOSPITAL

Bishop Wright, members of the convention and friends. Today, it gives me a great pleasure to give you some of the high-lights of the work at Good Shepherd Hospital, during the calendar year of 1949.

I am sure, there are many of you present here today, who have not seen the Good Shepherd Hospital—and for that reason, I shall give you some of the pertinent facts about our institution. Good Shepherd Hospital is an attractive one-story building with wide entrance and long well-lighted wards. It is a 58 bed hospital with 8 bassinets. It has a modern major and minor operating room. It is simple and entirely practical throughout. Among the cases that pass through its doors is everything from the simplest tonsillectomy to the most dangerous infection and major operation. It has saved many lives and lost few cases. The entire plant of the hospital, which consists of the Nurses' Home, is valued more than \$150,000. You too, can readily see, that we have an institution in New Bern, which is indeed a credit to the churches of the Diocese of East Carolina.

During the past three years, since I have been superintendent of the institution, I can say that 50% of the progress made—has been made possible by the Woman's Auxiliaries and the Diocese of East Carolina. Last year through our Bishop we made an appeal to the Woman's Auxiliaries of East Carolina for \$1,000, to help us to purchase some very needed equipment. I am happy to inform you at this time that from this project we realized more than \$1,000, and that we now have that much needed equipment in use. Therefore, I wish to take this time and thank each of you, for the splendid work you did in this campaign.

At this time I would like to inform you that we do not only receive supplies and household items from our own Diocese—but, we receive supplies from many of the other Dioceses throughout the country—from Maine, New Jersey, Ohio, Mass., California, New York and many others. We also receive many items from people of other denominations. This week we received approximately \$600.00 worth of sheets, bed spreads and pillow cases from the Diocese of New York. Since I have been superintendent, we have not had to buy any household items of this type. The hospital can always use household items, and surgical supplies. If at anytime anyone wishes to sponsor any set project at the hospital, we will be too glad to suggest our most urgent need.

Today, as from the beginning, community service is the watch word of Good Shepherd Hospital. Year by year, the hospital has expanded its services to match the demand of its ever-growing community. Good Shepherd Hospital for the past twelve years has served the Negro population in East Carolina to its limitations. Yes, it is true, we have done a wonderful job at Good Shepherd Hospital—but there is still a bigger one to do. Unfortunately, the Negro hospitals are serving a group of people who are most in need of hospitalization and medical care and are the least able to pay for same. With little or no endowment, this situation places a tremendous burden on these institutions. Therefore, I feel, in order to develop our institutions to its fullest—we will have to support it more financially than we have done in the past. What we would like to see done by all the churches throughout the Diocese of East Carolina, is to set aside a special Sunday once per year—designated as “Good Shepherd Hospital Day.” A special collection could be taken up on this day for the hospital—to help defray the cost of charity work done, and for depreciation and new equipment. If this was done, I am sure we would be able to do more charity work and to keep our hospital filled to capacity. The hospital has by no means reached the full capacity of its service.

The independent or voluntary hospital is at the mercy of high cost today. When a state or county hospital feels the pinch of inflation, it can ask its legislature for any additional money it may need. But it is different with Good Shepherd Hospital—it must depend solely upon getting the bulk of its income from its patients, and the remainder from voluntary contributions. Good Shepherd Hospital does not have any endowment. During the year of 1949, through voluntary contributions, we were able to do over 30% of our work free. However, this is a low average of charity work done, the average hospital usually does from 60 to 65% of charity work. Due to the fact of our limited income, our charity work was limited also.

It is true that this institution was inspired and built through the work of the Episcopal Church—but, it is the desire of our Bishop and the entire board of the hospital, to let it be known to everyone, that this is a community hospital. That it is its job to offer service to the infirmed and sick—regardless of denomination. Good Shepherd Hospital is here to serve the communities of the Diocese of East Carolina. Good Shepherd Hospital has to stretch to make ends meet. Sometime the shirt gets pretty far from the pants.

In conclusion, I would like to re-emphasize that the hospital is a credit to the Diocese of East Carolina—and that the hospital will have to be supported more by the Diocese, if it is to continue to serve the purpose for which its founders wanted it to serve.

There is no monetary profit for anyone in operating a hospital as you can see. The reward is in the joy and gratification that comes from serving you when you need us most.

O. T. FAISON, Superintendent.

THOMPSON ORPHANAGE

February 10, 1950

REPORT TO THE BOARD OF MANAGERS

By: M. D. Whisnant, Superintendent

For almost sixty-three years the Thompson Orphanage has given homeless children all over the state of North Carolina an opportunity to become useful, happy, self-supporting men and women. The successful men and women who were reared at the Thompson Orphanage owe most of their success to the members of the Episcopal Church in North Carolina and their constant loyalty to the home which they have established and which they maintain for homeless and destitute children.

During 1949 the Orphanage provided a home for ninety-six children. The following gives the division according to the three dioceses:

Diocese of East Carolina Quota—26		Diocese of Western North Carolina Quota—8	
Total cared for	29	Total cared for	10
Discharged	3	Discharged	1
Admitted	4	Admitted	4
Here Now	26	Now Here	9
Diocese of North Carolina Quota—56		State—Capacity 90	
Total cared for	57	Total cared for	96
Discharged	13	Discharged	17
Admitted	13	Admitted	21
Here Now	44	Now Here	79

The school year ending in 1949 was the best one that has been experienced at the Orphanage with thirteen children making all "A", eighteen all "B", and twenty-two all "C." Out of a total of seventy-six children in public schools fifty-three made an average of "C" or better. Although our children attend the public schools our matrons conduct a study hall in their cottages each night and much of the credit for the children's good school work is due to the excellent help they receive from their matrons. Jim Benson, who attended Phillips Exeter last year, has again been awarded a scholarship for the school year of 1949-1950 and is making a fine record.

The farm training program was organized in 1942. The past seven years have brought many improvements and additions to the farm. The initial herd of eight Registered Jersey cows has increased to a herd of twenty, with eight Registered Jersey heifers being raised as replacements. Only three of the present herd were purchased; the others were raised here at the Orphanage.

The farm provides a method of training in which the children can find enjoyment and satisfaction in working with livestock and growing food.

The location of the Orphanage in the heart of Charlotte makes it difficult to plan a future training or improvement program. The superintendent has not requested that large appropriations of money be made for extensive improvements to the buildings due to the fact that the transfer of all farming operations to Cedarbrook Farm seems imminent.

Report of St. Mary's

May

In addition to the training program the farms provided a good source of income and food for the Orphanage. The produce at Cedarbrook was valued at \$8,312.43 and here it was \$8,808.99, making a total of \$17,121.42.

I would like to call your attention to the fact that the Thanksgiving Offering has declined greatly this year. This decline started in 1947. The following figures are given for a three year comparison:

Diocese of	1947	1948	1949
East Carolina.....	\$ 6,034.19	\$ 6,070.33	\$ 5,258.33
North Carolina.....	19,940.33	18,660.30	15,086.96
Western North Carolina.....	3,038.69	2,761.95	2,203.09
Totals	\$29,013.21	\$27,492.58	\$22,548.38

The appropriation from the Church's Program Fund of the Diocese of North Carolina has been cut in the amount of \$1,500.00 annually.

While our Endowment Fund has increased considerably this money cannot be used for current expenses and the interest from the Endowment does not offset the drop in the Thanksgiving Offering.

In order to maintain the Orphanage in a satisfactory manner the continued support of our people is vital.

REPORT OF ST. MARY'S SCHOOL AND JUNIOR COLLEGE

The 1949-50 session opened September 12, 1949. Three hundred and fifteen students were registered from 20 states and two foreign countries.

The orientation program initiated during the 1947-48 session was extended last fall to include broader testing of all students. These tests now include special English, foreign language, and mathematics tests in addition to those of a broader nature. This program gives the faculty information about student aptitude and weakness, and promotes better teaching.

During the year 1950 the five owning dioceses are contributing a total of \$4100 to the support of the school. North Carolina increased the item in its budget from \$2000 given in 1949 to \$3000 for 1950. During the academic year 1949-50 the school will return most of this money in clergy discounts to the daughters of Episcopal clergymen who are attending Saint Mary's.

Out of its budget for 1950 the Woman's Auxiliary of the Diocese of North Carolina has established a scholarship valued at \$300. This scholarship will be available for use in September. The trustees are greatly encouraged by this interest and cooperation.

Much work has been done in the last several years on the physical plant. Plans have been approved by the trustees for a continuation of this improvement during the summer of 1950.

A new building is badly needed to accommodate the growing science department and to provide more classroom space. It is hoped that the members of this convention will continue to present the needs of the school to those people who are able to help solve these financial problems.

1950

Minutes of Joint Meeting

A number of gifts have been received this year. New lights were installed in the chapel and dedicated at the Easter service. A new stained glass window will be installed by commencement time. Both of these gifts are memorials. Crystal chandeliers, a gift from Mrs. A. B. Stoney—a member of the Board of Trustees from western North Carolina—will be hung in the parlor this summer. Enrollment continues to remain at a capacity level. It is imperative that there be no decline in enrollment as the school lives very largely on the student fees. I cannot urge you too strongly to recommend the school to your friends for their daughters. It is also our hope that the needs of the school will be before you constantly and that you as individuals will help place the school on a firm financial basis.

Saint Mary's has an enviable position in the field of education in the South. Sound academic training has always been its aim, but without the excellent Christian training it gives also it would have no special distinction.

MINUTES OF THE MEETING OF THE FINANCE DEPARTMENT AND EXECUTIVE COUNCIL

Thursday, October 27, 1949, at 11:00 A. M.

St. James Parish House, Wilmington, N. C.

A Joint Meeting of the Executive Council and Finance Department was held on Thursday, October 27, 1949, at 11:00 A. M., at St. James Parish House, Wilmington.

The Meeting was opened with prayers by Bishop Wright, after which the following members answered to Roll Call by the Rev. Stephen Gardner: Rt. Rev. Thomas H. Wright, Mr. Robert Strange, Rev. E. F. Moseley, Rev. John W. Hardy, Mr. J. W. Graham, Mr. Will G. Gaither, Rev. Mortimer W. Glover, Rev. Stephen Gardner, Mr. J. G. Dunn, Jr., Mr. James T. Little, Rev. John H. Bonner, Jr., Rev. William L. Martin, Mr. P. Bruce Bateman, Mrs. W. O. S. Sutherland, Mrs. Walker Taylor, Miss Hennie Long, Mr. H. C. Rorison, Mr. C. McD. Davis, Mr. Wm. deR. Holt, and Mrs. Fred L. Outland.

Mr. Robert Strange, Treasurer of the Diocese, then gave his report. He stated that the cash position of the Diocese is very low for the first time in quite awhile. The main reason for this is that all ear-marked balances have been invested, etc. On October 1st, some checks had to be held up until we had sufficient funds to cover them. The Treasurer was authorized to use some of the reserve funds, if necessary, in order to meet the obligations of the Diocese.

Bishop Wright gave a wonderful presentation of East Carolina's Mathematical Quota for 1950 assigned by the National Church and passed by the General Convention and of his Campaign Plans for a Bishop Darst Memorial Fund. He stated that the Budget of the General Church for 1950 had been increased to \$5,634,617.00. East Carolina's quota is \$14,094.00, an increase of about 10% in apportionments. East Carolina will adopt the plan of a supplemental Campaign in the Spring to raise this increase of between four and five thousand dollars, leaving our present apportionments for 1950 as they are.

The General Church plans to give a lot of help in the plan of a supplemental Campaign. We will combine with the Diocese of South Carolina, and our group of Laymen, composed of nine, will meet with the Laymen of South Carolina at Myrtle Beach on December 3rd and 4th. Special leaders from the General Church will be there to train our men, who will go around to Vestries and sell the Church's Program to the Vestries. The Campaign will culminate on March 12th with a Radio Address by the Presiding Bishop, which will be heard in the Churches on Sunday morning.

Bishop Wright stressed the fact that he was most anxious about meeting this increase in our Quota asked by the General Church.

Bishop Wright suggested the following:

1. That we try to raise, this coming year, \$10,000.00 for Missionary Salaries alone in our own Diocese.
2. That we try to raise \$5,000.00 to get the travel allowances on the right basis in this Diocese.
3. That we try to raise \$5,000.00 for the retirement of some Clergy until they become eligible for their Pensions.
4. That we raise \$5,000.00 for the General Church's increase.

The above makes the total of \$25,000.00. Bishop Wright suggested that in our Supplemental Campaign for 1950, we try to raise \$25,000.00—with four additional year pledges of \$25,000.00 a year. In our 1951 Budget, we should increase our Apportionments 10% and increase them 10% every year for the next five years so that, at the end of the five-year period, our Diocesan Budget would be able to take care of the increases in salaries, etc., brought about by the above Campaign.

Each member present gave his support and endorsement to the Bishop's plan.

Mr. Hardy moved that the Executive Council and Finance Department approve of the Bishop Darst Memorial Fund Campaign 100% and pledge themselves to do everything possible to make it a success and that a Committee be appointed by the Bishop to carry out his plan and that the Chairman of the Finance Department and of the Executive Council get together and prepare a statement to go out into the Diocese—to be published in the "Mission Herald."

Mr. Bonner also moved that the Diocese enter into this Campaign, seeking to raise a minimum of \$25,000.00 for each of the next five years. He also stressed the value of Preaching Missions at this time. It was decided to try and have an Epiphany Preaching Mission in every Church in the Diocese.

The Bishop then suggested that he appoint a Committee to think this through more carefully and to select a Chairman for the Campaign. The following were named:

1. Mr. James T. Little, Chairman
2. Mr. C. McD. Davis
3. Mrs. Walker Taylor
4. Mr. W. G. Gaither
5. Mr. John G. Dunn, Jr.

This Committee will select a Chairman of this Campaign and further consider the details in the light of these motions.

1950

Minutes of Joint Meeting

Mr. Dunn moved that the Committee meet the same day with the Bishop and have his advice and feelings on this matter.

The Meeting recessed for a delightful luncheon at the Bishop's House, served by Mrs. Wright.

After lunch, Mr. Little, Chairman, announced that the Committee had made a very unanimous choice of the Chairman, but it was the wish of the Committee not to make known his name until after his acceptance had been received. At that time, the Diocesan Office would send a wire to each member of the Executive Council and Finance Department, and each member would get in touch with him.

Mr. Moseley, Chairman of the Department of Promotion and of the Every Member Canvass, stated that the Annual Clergy Conference would be held on November 11th in St. Mary's Church, Kinston. He hoped, too, that the Chairman of the Every Member Canvass of each Parish and Mission would be present. He further stated that all Every Member Canvass material had been sent out to the Parishes and Missions.

Mr. Glover, Chairman of the Department of Christian Education, recommended the following:

1. That the Department requests that, in accordance with Canon 8, Section 1f, the Executive Council appoint as members of this Department for 1949-50 the Rev. Messrs. E. F. Moseley, John W. Hardy, John H. Bonner, Jr., and William L. Martin, Mr. William G. Gaither, and Miss Hennie Long; and appoint as associate members Mr. MacRae Lamb, of Kinston, Mrs. Louis J. Poisson, of Wilmington, Miss Elizabeth Vann Moore of Edenton, and Mrs. E. M. Spruill, of Plymouth. Seconded and passed.

2. That the Executive Council recommend to the Diocesan Convention of 1950 that, in the future, the Lenten Offering of the Church Schools of the Diocese be not credited on the quotas assigned to the Parishes and Missions, but that the entire amount be sent to the National Church as a contribution over and above the quota assigned to this Diocese for the General Church Program. On motion of Mr. Bonner, it was passed that we table discussion on Mite Box Offering until the next Meeting of the Executive Council.

3. That the Department requests the Executive Council to authorize the Department Chairman to draw on the Diocesan Treasurer for a sum not exceeding \$25.00 for incidental expenses of the Department for the rest of this year, in view of the fact that the Budget allotment of the Department had been over-spent by nearly \$200.00 before the present Department membership took office. Mr. Graham moved that motion be passed. Seconded and passed.

4. That in the light of the advanced Christian Education Program of the General Church, the need of a Clergy-Training and Leadership Training Program in our Diocese, the contemplated series of conferences next year in the Diocese in the interests of Christian Education, the fact that for the past two years the Adult Conference has cost the Department more than \$300.00 per year and there may be need for even more than this to finance a different type of conference in the future, the appropriation in the budget for the Department of Christian Education for 1950 be increased to \$500.00, the additional funds to come from any contingent or surplus funds, or any unexpended balance at the disposal of the Executive Council. Moved and passed.

The Rev. Mr. Hardy reported that the Diocesan Survey Committee had held two Meetings during the year. Two sub-committees were appointed for the purpose of considering special items. This Committee has not made a public report of the action taken in these Meetings because they are too far-reaching, and they want time to really think them through and present them to the Annual Convention.

With regard to the insurance on Church Property and Diocesan Property which has gone on and on for a number of years, Mr. Gaither moved that Mr. Strange be appointed a Committee-of-One, as a Special Committee, to work with the Insurance Committee and bring this matter to a close before the first of January. Mr. Louie Woodbury, who now carries the account, stated that, in order to draw this matter to a close, he was willing to cut the account in half, making the total to be paid by the Diocese of \$1,369.07. Seconded and passed.

Mr. Martin reported that we now have \$936.25 in the Educational Fund. Since Bishop Sherrill has requested that January 22, 1950 be a National Seminary Sunday, the date for the Educational Fund Day Offering was changed from October 30, 1949, to this date. Our goal is \$7,500.00.

Mr. John G. Dunn, Jr., stated that he was happy to report progress of the Good Shepherd Hospital. He said that the Hospital has been aided by the Federal Works Agency in the building of a nurses' home, in equipping both buildings, and in building a wing on the Hospital at a time when it seemed it would be needed very badly. The cost was \$70,000.00.

In June, Mr. Dunn stated that the Bishop and he went to Washington, where they had an appointment, through Congressman Barden. Previously, we had made an offer of \$1,200.00 as a settlement, but it was declined. This time, however, and within the past ten days, the deeds, bills of sales, etc. have been wound up and properly recorded in the Court House, and the cost to the Diocese was \$1,200.00.

Mr. Gaither, Chairman of the Virginia Seminary Campaign, reported that approximately \$11,500.00 had been raised for the Virginia Seminary, leaving the balance of approximately \$3,500.00 on our goal of \$15,000.00. The Bishop moved that Mr. Gaither turn this over to Mr. Martin's Committee on Educational Sunday, feeling that if we pay a nominal sum to the Seminary each year for the next few years that we will wipe out this deficit. If there are any undesignated funds this year, they would go to the Seminary. Mr. Gaither was highly complimented on his efforts and in his success in raising approximately \$11,500.00.

It was moved and passed that the name Zion, Jessama, be changed to Zion Parish, RFD 2, Washington, and that Holy Innocents, Seven Springs, be changed to Holy Innocents, Lenoir County.

After the Benediction, the Meeting adjourned.

EXECUTIVE COUNCIL

February 3, 1950

The Executive Council of the Diocese of East Carolina met at St. Mary's Parish House at 10:45 A. M., February 3, 1950 with the Rt. Rev. Thomas H. Wright presiding. Present in addition to the Bishop were

1950

Executive Council Meeting

the Reverends John Hardy, Mortimer Glover, Stephen Gardner, William Martin and E. F. Moseley; the Messrs. John Graham, J. C. Jackson, James T. Little, and Bruce Bateman; Mrs. Harry Walker and Miss Hennie Long; all members. Mr. Robert Strange, Treasurer, Mr. Junius Grimes, Chancellor and Mr. Henry C. Harding, Chairman Camp Leach Committee, were also present.

Mr. Robert Strange gave a report of the finances of the Diocese and stated that the year ended with a good balance, but that as payments were slow coming in, a loan had to be made in the fall to meet expenses. This loan had been paid. Mr. Strange reported that there was a small amount—\$20—due from two missions on the pension assessment of the clergy; that this was a debt of six months standing and the debt placed in jeopardy the pension of widows, if not paid now. Mr. Gardner moved that this be paid at once, and Mr. Glover amended that the treasurer be instructed to press for immediate payment by the missions of this amount. Seconded and carried.

Bishop Wright read a letter from Mr. Peter B. Ruffin, telling of the progress of the Bishop Darst Memorial Fund.

Mr. Hardy read a report on the survey made of the Diocese, with special reference to use of the Bishop Darst Memorial Fund, and Bishop Wright spoke of the need to consider very carefully how this fund must be expended to justify the claims on the Diocese. The Bishop also stated that he had been asked to write a prayer to be used for the raising of this fund, but had not had time to do so yet.

Bishop Wright explained the status of the Rev. Mr. Griffith of Edenton, that he was drawing a salary from the Diocese and at the same time was principal of a school and drawing full salary for that. Bishop Wright asked that we seek to arrive at a just solution of this problem, pointing out the inconsistency of a clergyman drawing two salaries (which fact the National Council objected) and also stating that if we dispensed with the services of Mr. Griffith it was quite likely that no one could be procured for the place. Bishop Wright asked that Mr. Bruce Bateman and Mr. Will Gaither serve with himself to work out the problem. Mr. Hardy offered a motion that this committee meet with Mr. Griffith, make him a proposition, and have authority to act. Seconded and passed.

At this time (1 P. M.) the committee went to the Hotel Kinston for lunch and after lunch resumed business.

Mr. Henry Harding made a report on the plans of the Camp Leach Committee. He stated that some groups were using Camp Leach during the off season and did not always leave the camp in proper condition. Mr. Moseley moved, seconded by Mr. Grimes, that the Business Manager and Chairman of the Camp Leach Committee be asked to set forth conditions under which any person or persons might come to Camp Leach, with the right to reject any applications. Passed.

Mr. Moseley reported on the directors of Camp Leach, and the matter of other personnel. A discussion about some policies for the camps was had.

Mr. Grimes submitted a proposal regarding the re-classification of the Churches of the Diocese. (See attached report.) After some discussion it was decided that Mr. Grimes be asked to work out the details of this report and present it to the Diocesan Convention in May.

The departmental chairmen were asked for reports, but they stated that they would not make reports at this time.

Bishop Wright read a report on the increased pensions coming to those persons in the Diocese receiving pensions.

Mr. Grimes presented the proposal of the heirs of the late Dr. Drane of Edenton in the following resolution:

Resolved: That that part of the resolution heretofore passed by the Executive Council creating the Robert Brent Drane Memorial Fund and directing the Treasurer to place in said fund the sum of One Thousand Five Hundred (\$1,500.00) Dollars, proceeds from a sale of property at Nag's Head to Mrs. Catherine Drane Perry, and to use income from said fund for the support and maintenance of the church of St. Andrews by the Sea, at Nag's Head, N. C.;

Be and the same is hereby rescinded; and resolved further, that the Treasurer of the Diocese be, and is hereby directed to pay the principal of said fund and accrued income therefrom, (if there is any such), to the Rev. Fred B. Drane, son of the late Dr. Drane, as representative of the heirs of the late Rev. Doctor Robert Brent Drane, to be expended in accordance with his directions in constructing additions to the church building at St. Andrews by the Sea, to be used for the comfort and occupancy of Ministers holding services in this church.

This resolution was passed at the request of the members of the family of the late Dr. Drane.

The Churches of the Protestant Episcopal Church in the Diocese of East Carolina are hereby divided into three groups, classified and defined as follows; viz:

1. A Church With Full Parish Status:

This embraces all Churches which pay the entire salary of their Rectors and supplies and maintains a suitable rectory and is entirely self-supporting.

2. An Aided Parish:

This embraces all Churches that are embraced in the following classifications:

(a) Any Church that pays more than $\frac{1}{2}$ of the salary of its Clergyman, plus $\frac{1}{2}$ of the rectory allocation, plus $\frac{1}{2}$ of the travel expense allocation for the Field, except such Churches as have full Parish status.

(b) All Churches that are members of a self sustaining Field and contribute more than $\frac{1}{3}$ of the salary of their Clergyman, plus $\frac{1}{3}$ of the rectory allocation, plus $\frac{1}{3}$ of the travel expense allocation for the Field.

3. Mission Churches:

This embraces all Churches which are not embraced in the classification of a Church with full Parish status or an Aided Parish.

(a) A Diocesan Mission comes under the supervision of the Bishop of the Diocese and is financially dependent upon the Diocese.

(b) A Parochial Mission comes under the supervision of the Parish to which it is attached and is financially dependent upon the Parish.
